Sc. Pnl. Bg. day night

Dialog:

Action: C/U Jake's mouth behind a goggle lens

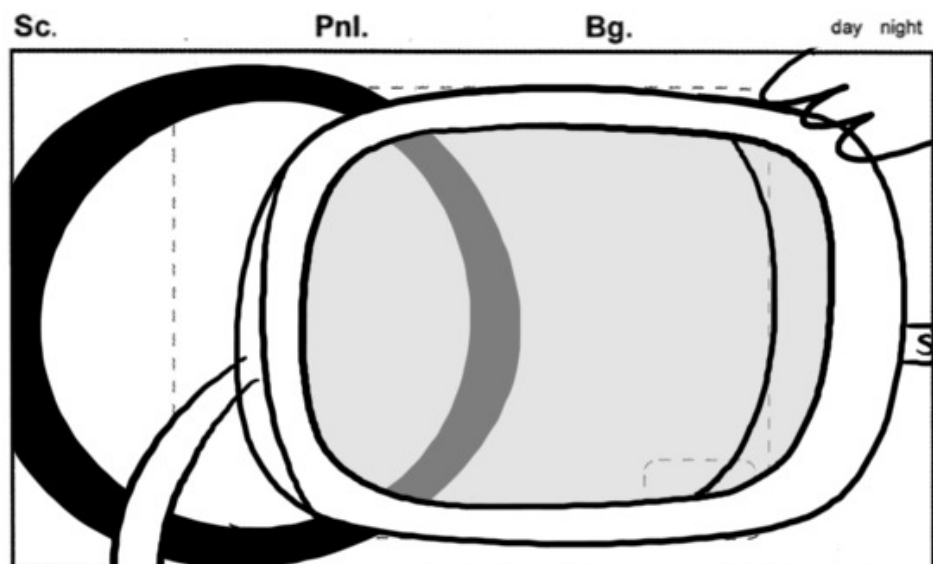

Dialog:  
Jake: <forceful breath>

Action:  
He breathes on it, fogging the lens.

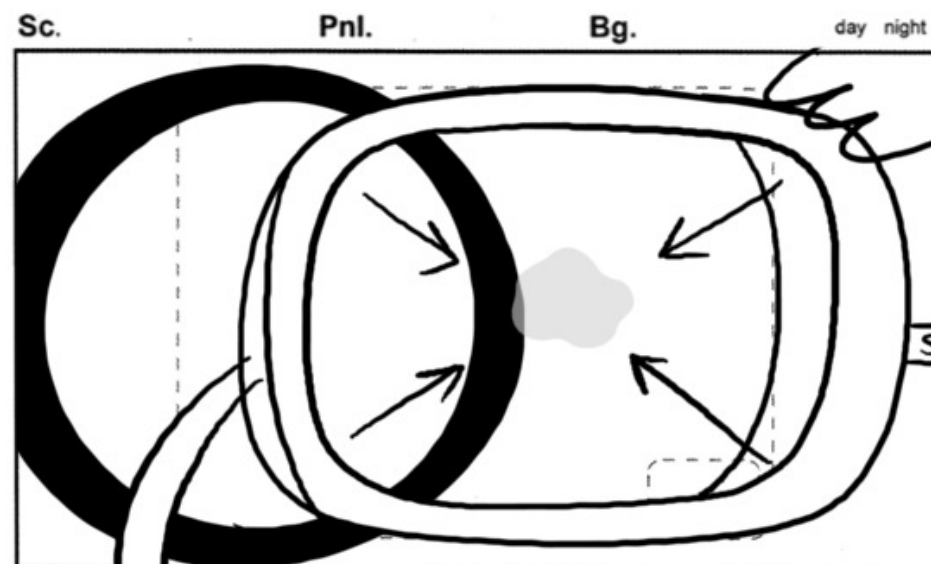

Dialog:

Action:  
He lifts it to his eye for inspection .

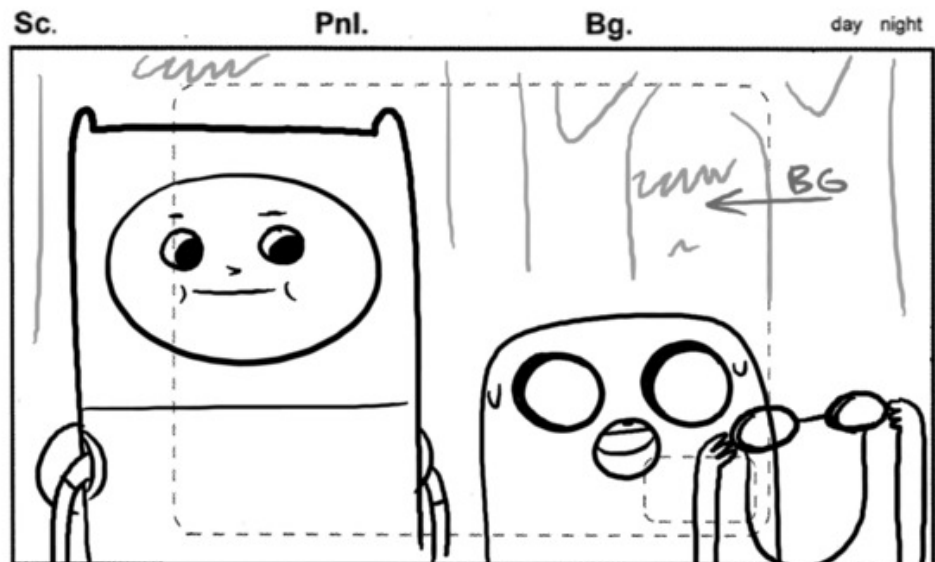

Dialog:

Action:

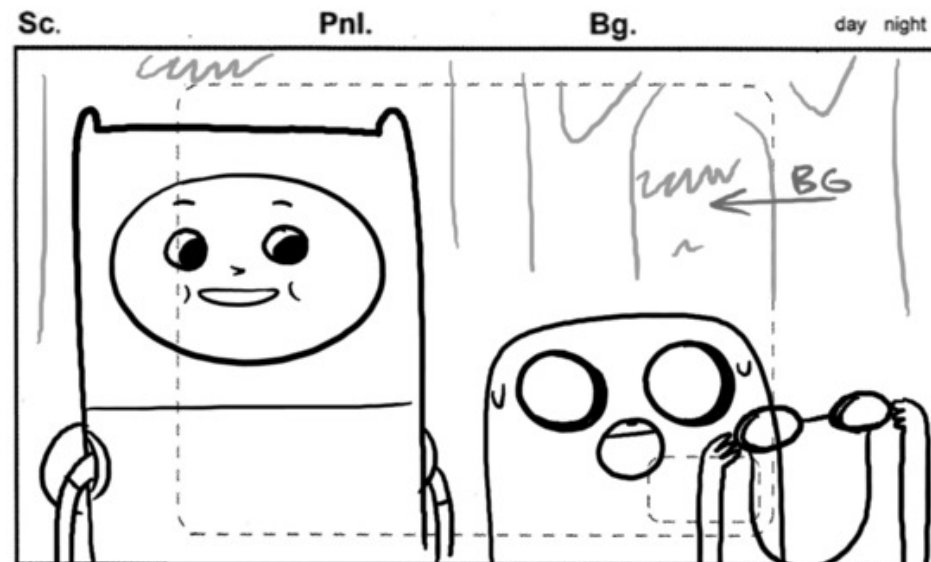

Dialog:

Action: The fogging shrinks and disappears.

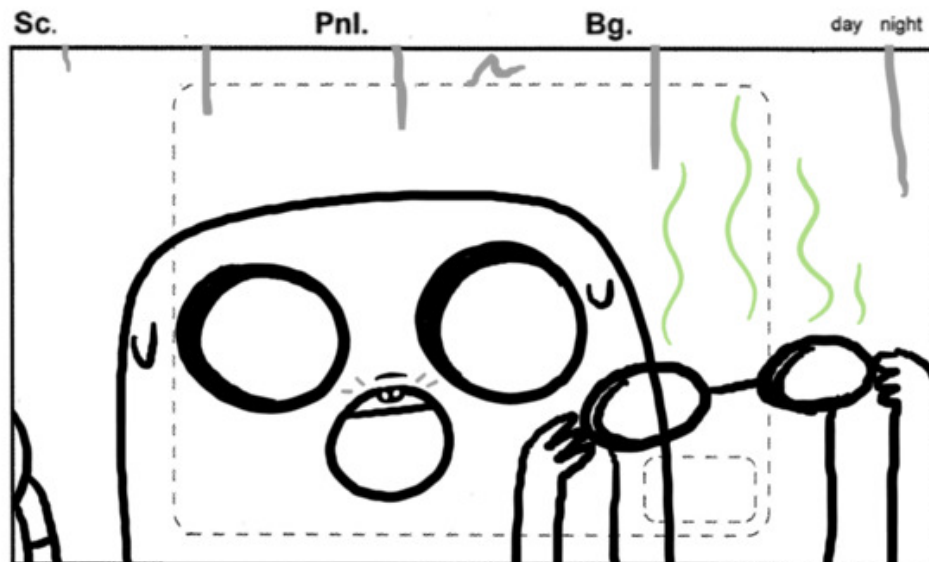

Dialog:  
Jake: These anti-fog goggles work a treat!

Action:  
Cut out to see Finn and Jake walking through the forest.

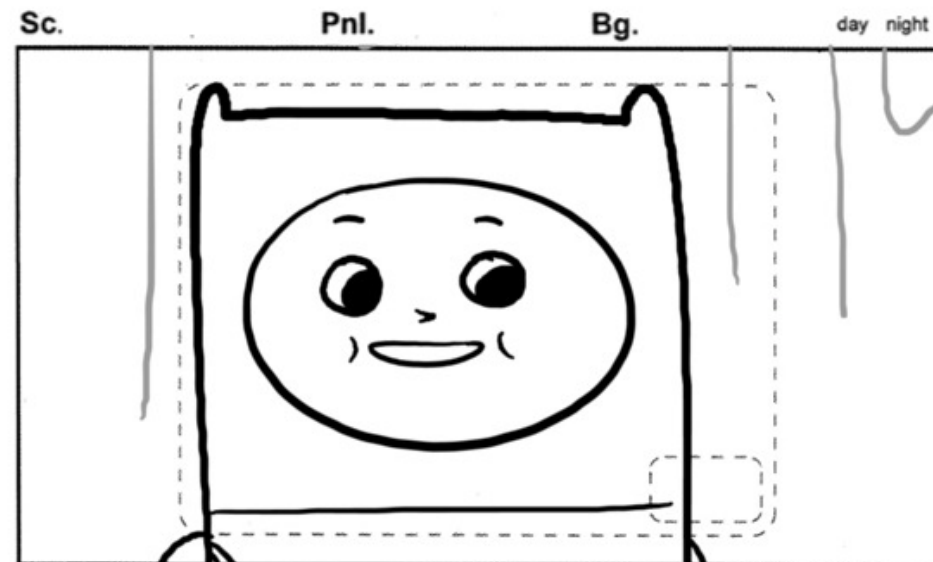

Dialog:  
Finn: Yeah, but now they stink of dog breath!

Action:

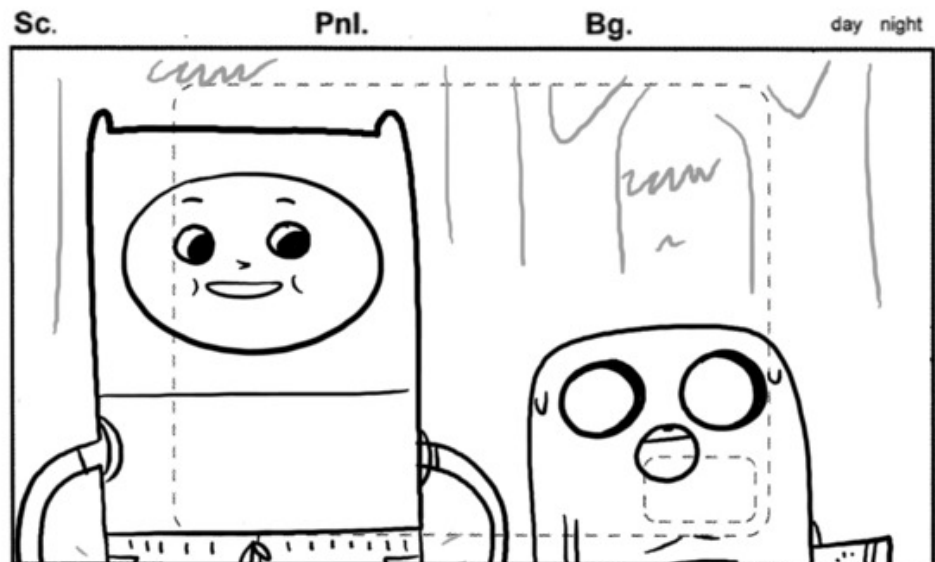

Dialog:  
Jake: <sniff sniff>

Action:  
Jake takes a quick sniff.

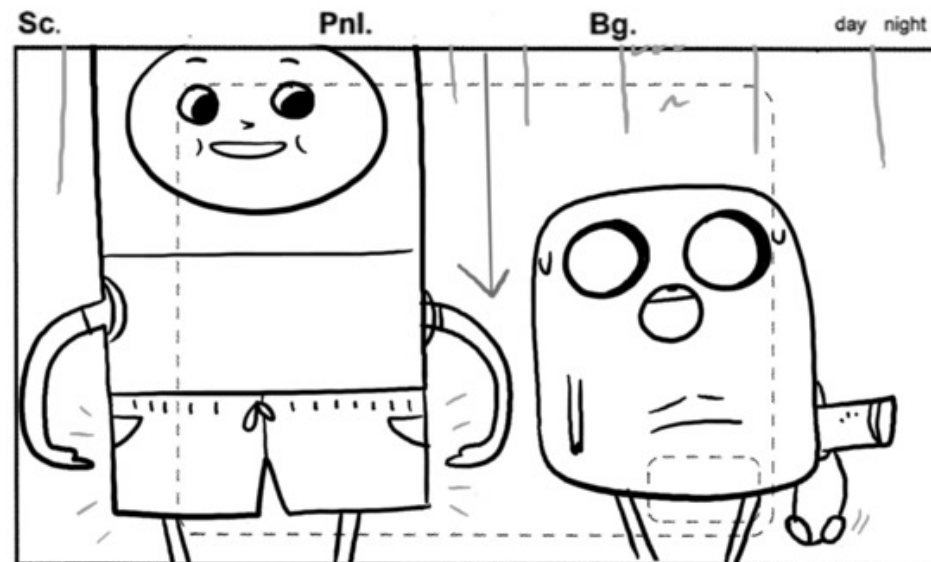

Dialog:  
Finn: Guess what though, when we get to the water park I'm going to be ready in super quick time...

Action:

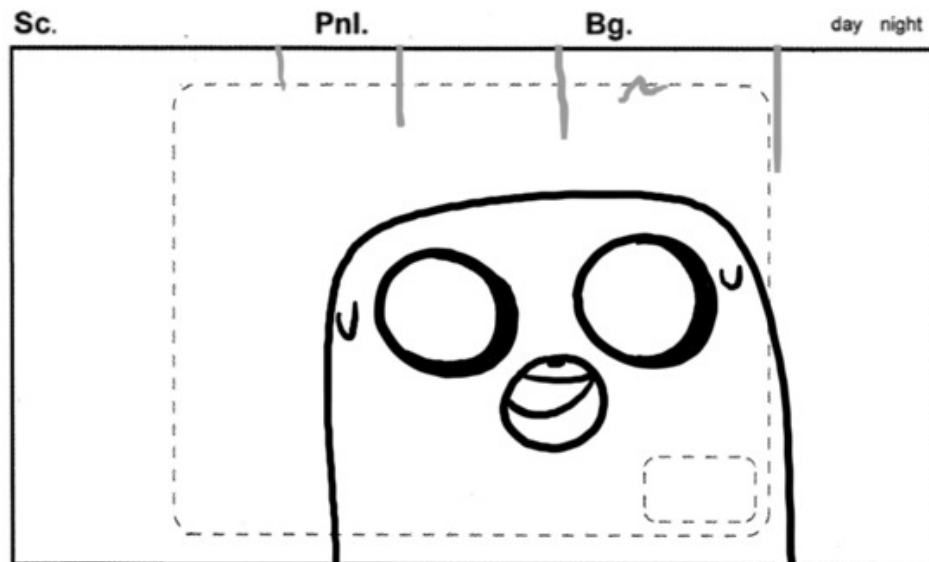

Dialog:  
Finn: ...because look...

Action:

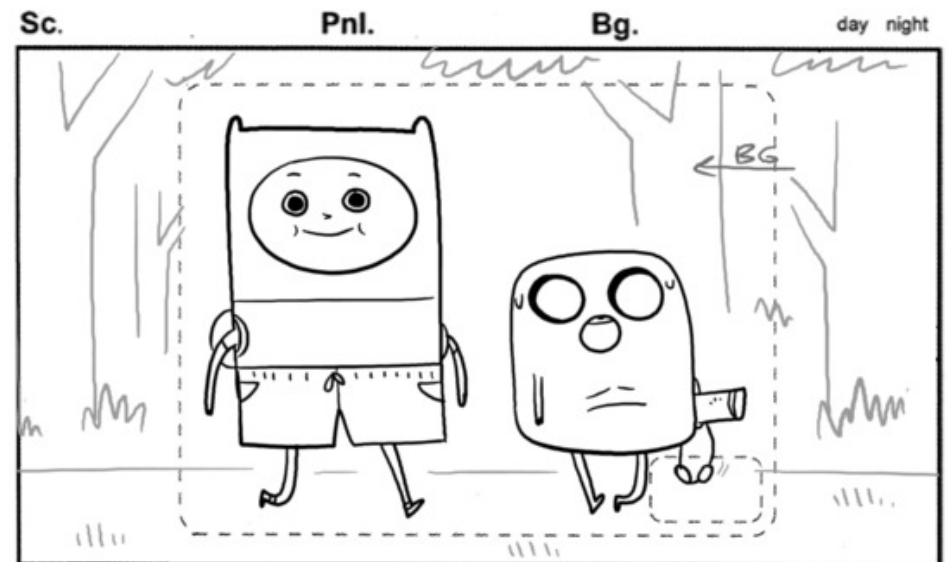

Dialog:  
Finn: ...I'm already wearing my swimming shorts!

Action:  
Camera sinks down to reveal Finn's swimming shorts.

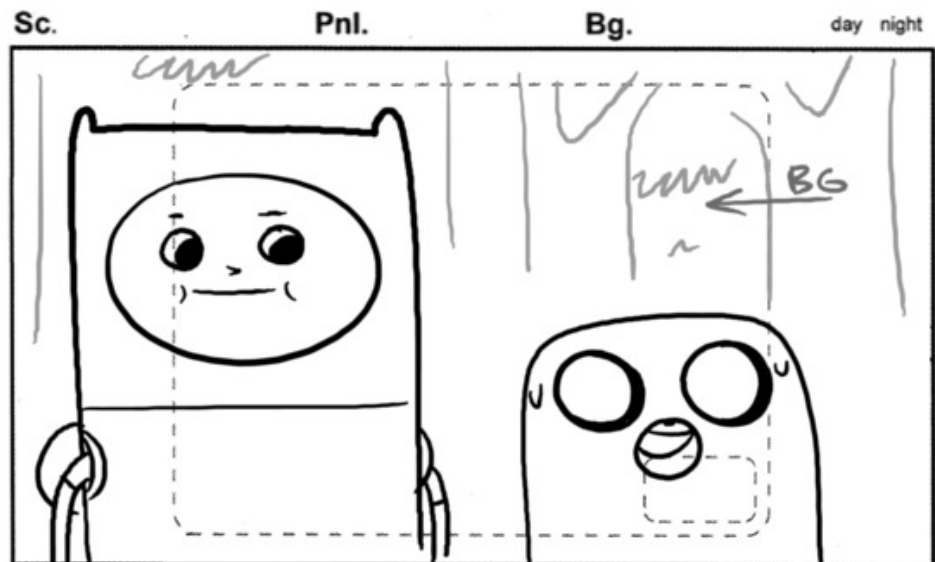

Dialog:  
 Jake: I knew there was something different about you today.

Action:

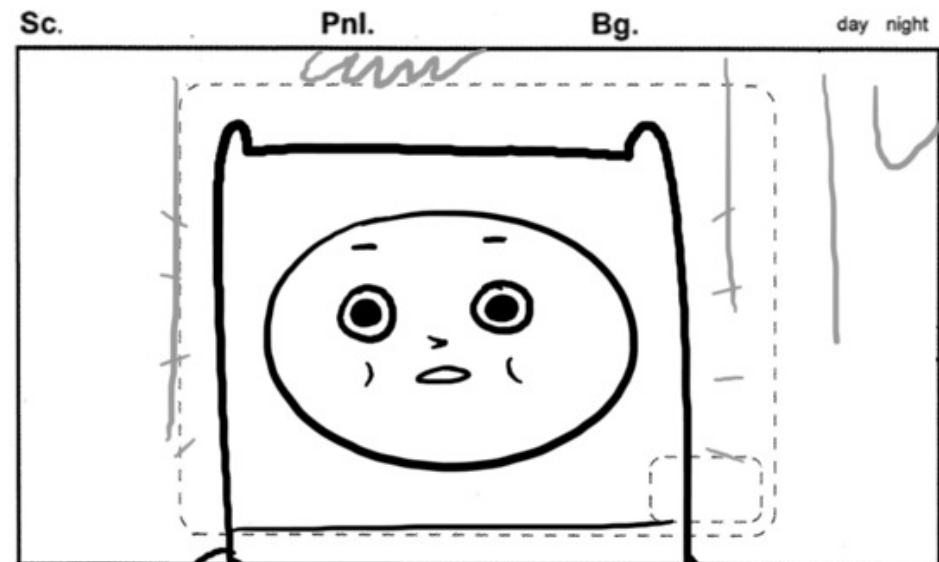

Dialog:

Action: Cut to wider shot for a moment to take in Finn and Jake in this abnormal art/animation style.

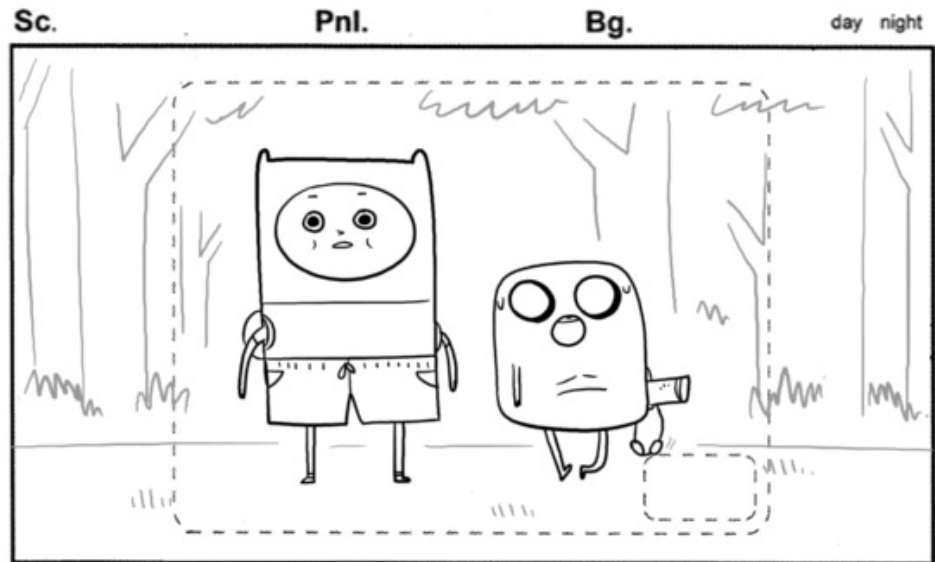

Dialog:  
 Jake: Oh wait, did you remember to pack your usual shorts and underwear, for getting changed into *after* the water park?

Action:

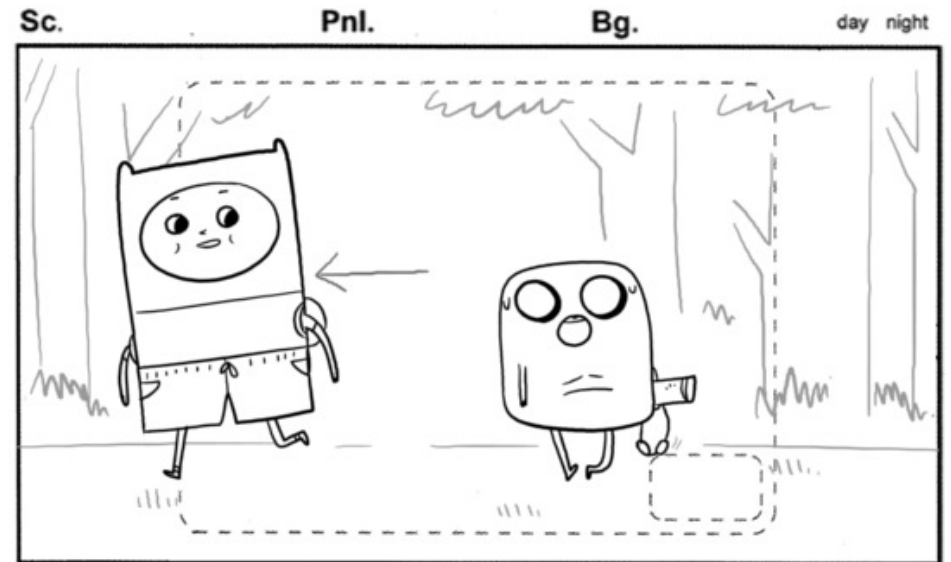

Dialog:  
 Finn: <gulp!>

Action:

Dialog:

Action:

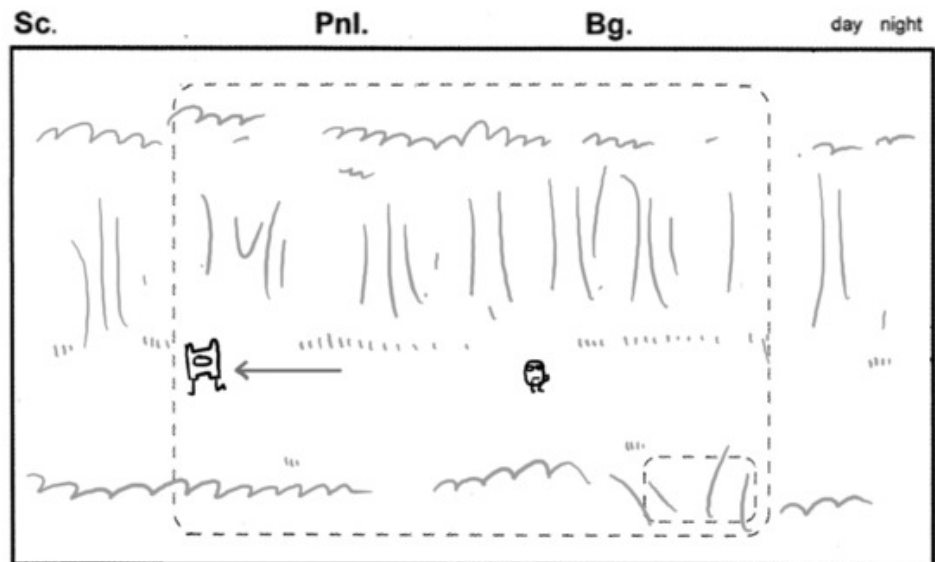

Dialog:

Finn: Carry on without me, I'll catch up...

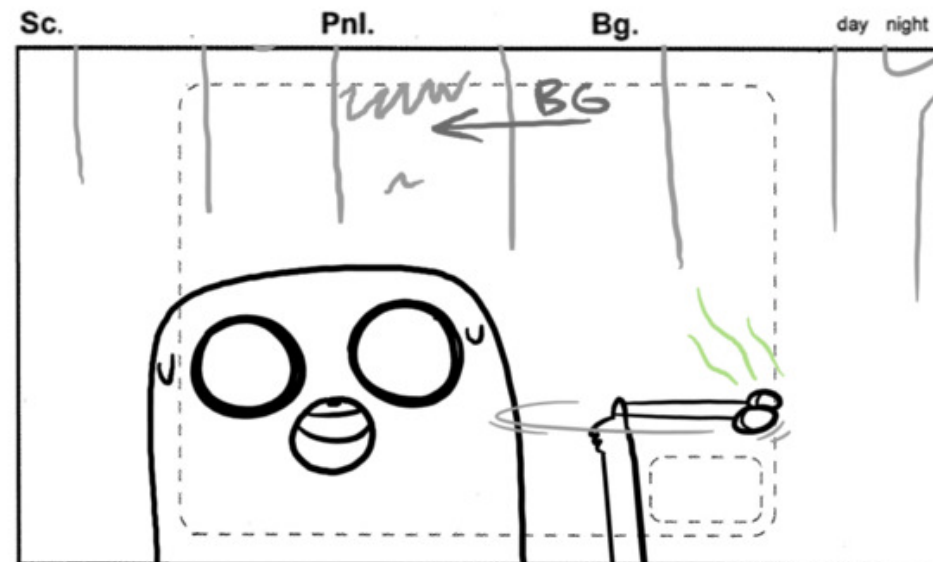

Action:

Finn dashes off screen.

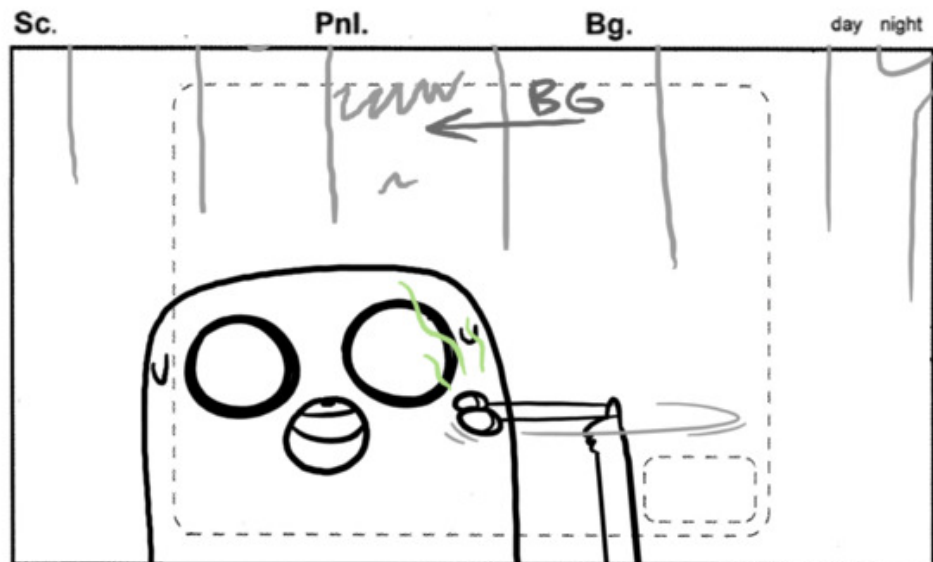

Dialog: Finn: (shouting) ...I'll take the short cut through Toadstool Fields.

Action: Cut to wide.

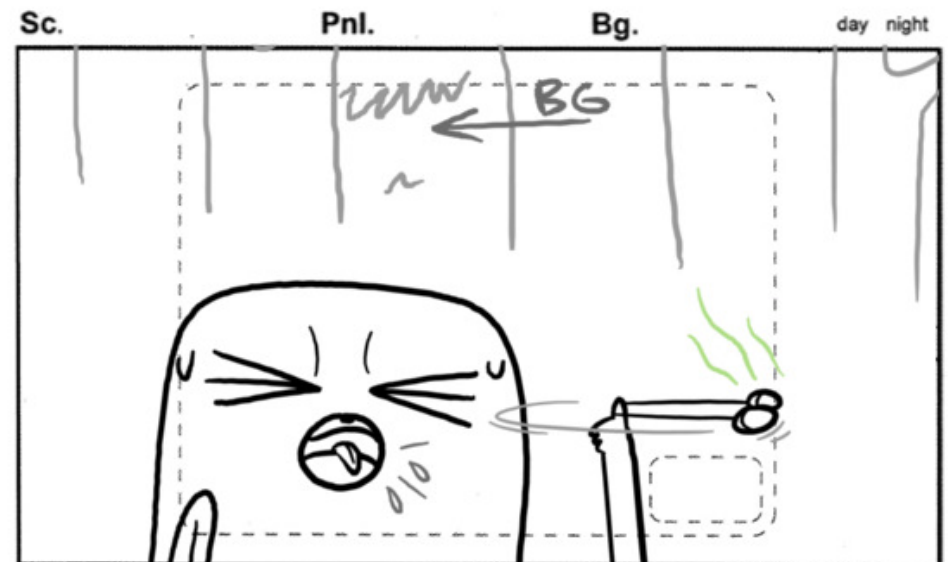

Dialog: Jake: Heh, heh, I may have stinky dog breath, but at least I don't have to concern myself with underwear!

Action: Jake casually spins his goggles on one finger, casting stink lines into the air.

Dialog:

Action:

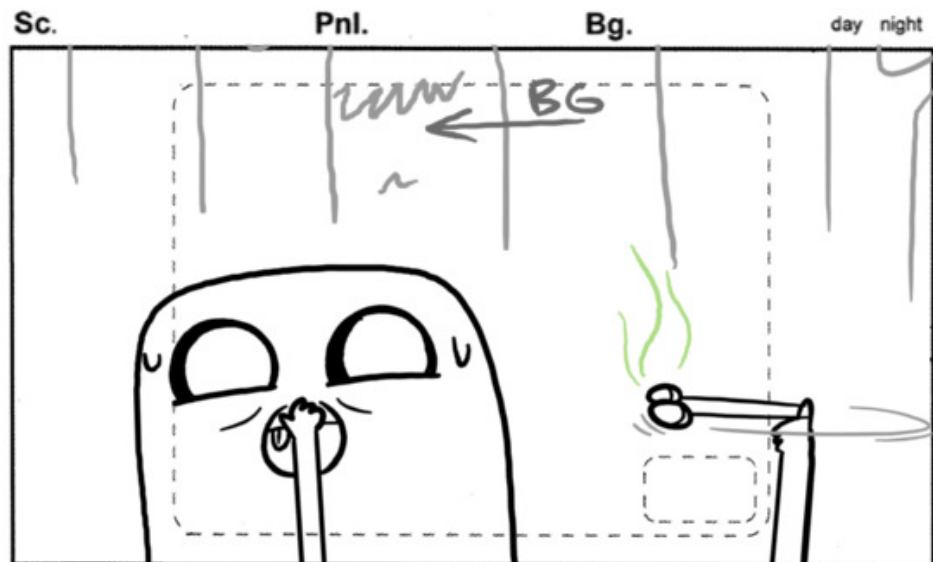

Dialog:

Jake: <gag>

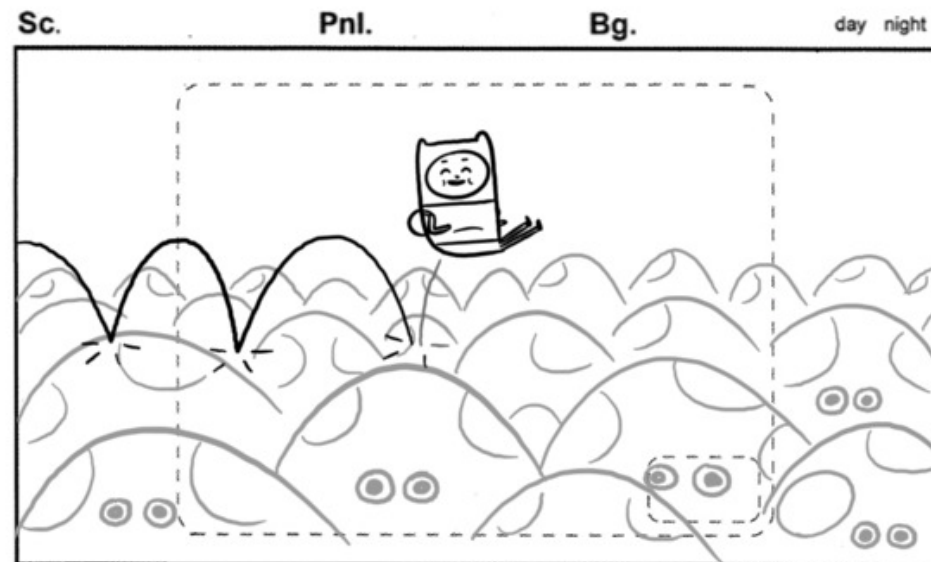

Action:

Jake involuntarily gags at the smell of the goggles.

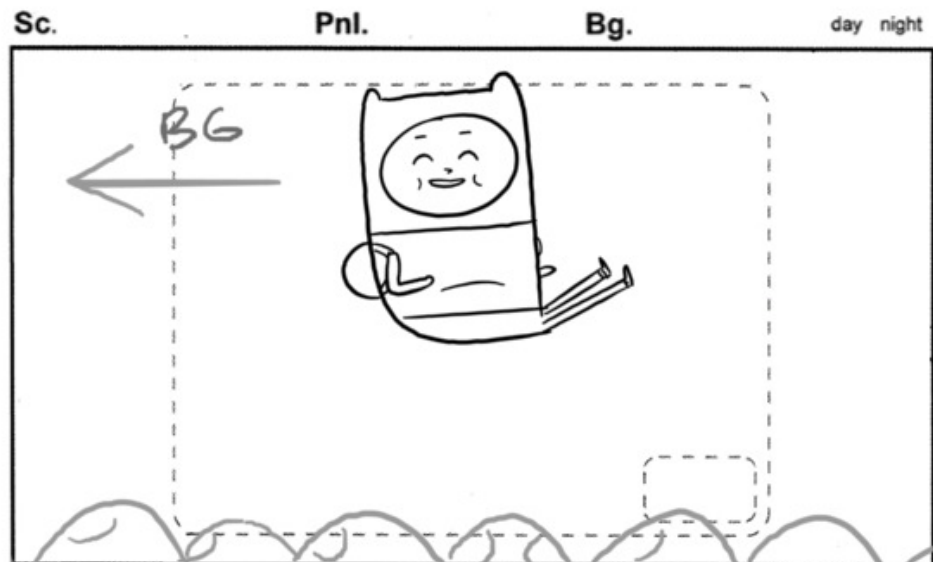

Dialog:

Action: Jake swings the goggles a little bit further away from his nose.

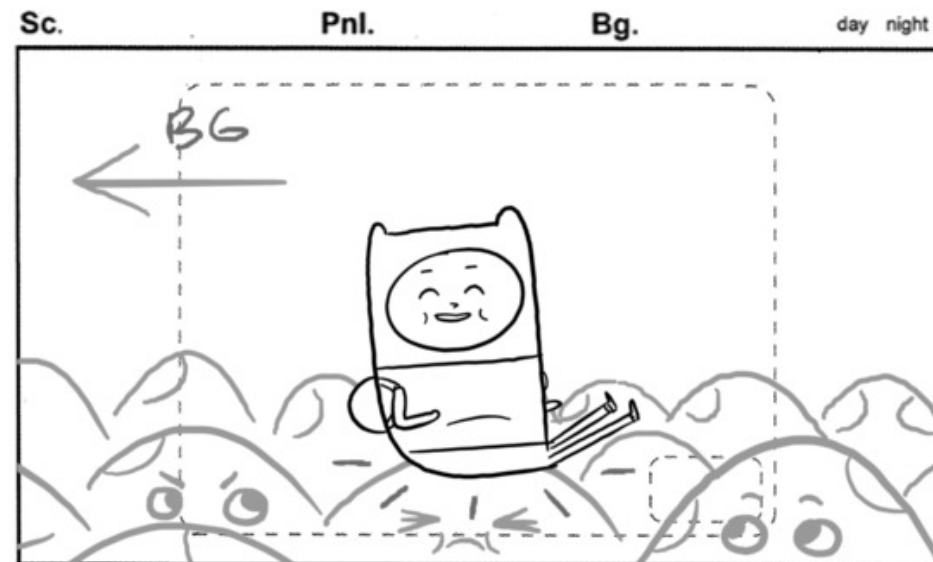

Dialog:

Action: Wipe to Finn bouncing along the top of a field of toadstools.

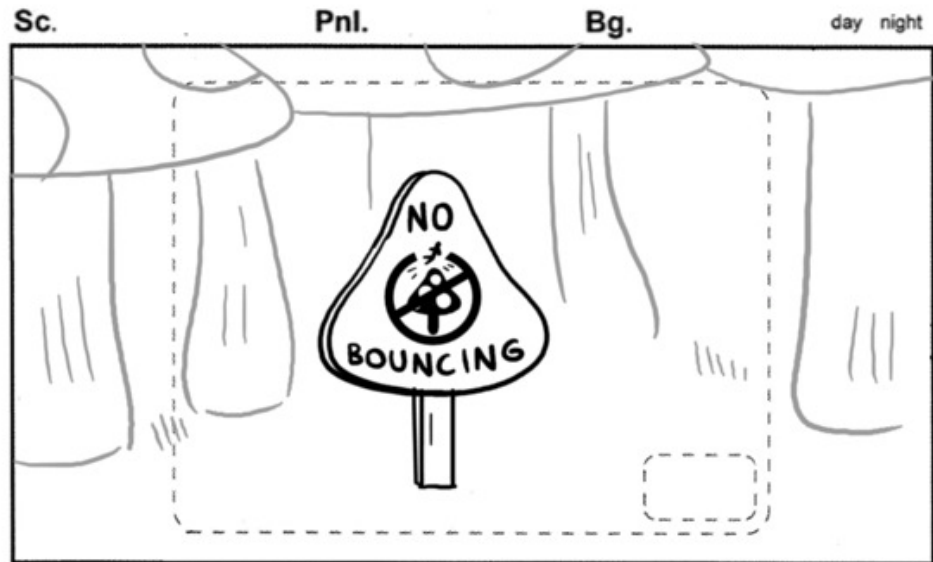

**Dialog:**  
Finn: (singing) At first I had no underwear,  
but this time I've brought underwear,

**Action:**  
Finn is singing an improvised song about  
having brought underwear this time.

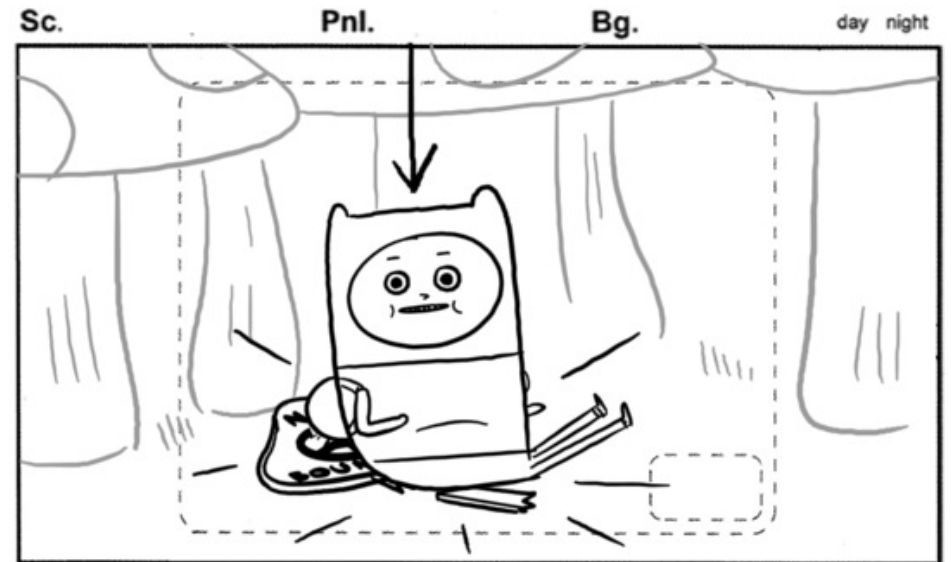

**Dialog:**  
Finn: (singing) ...I'm glad I've remebered my  
under...  
Toadstools: <oof!> <ow!> <hey!>

**Action:**  
Each toadstool grimaces when Finn bounces  
on them.

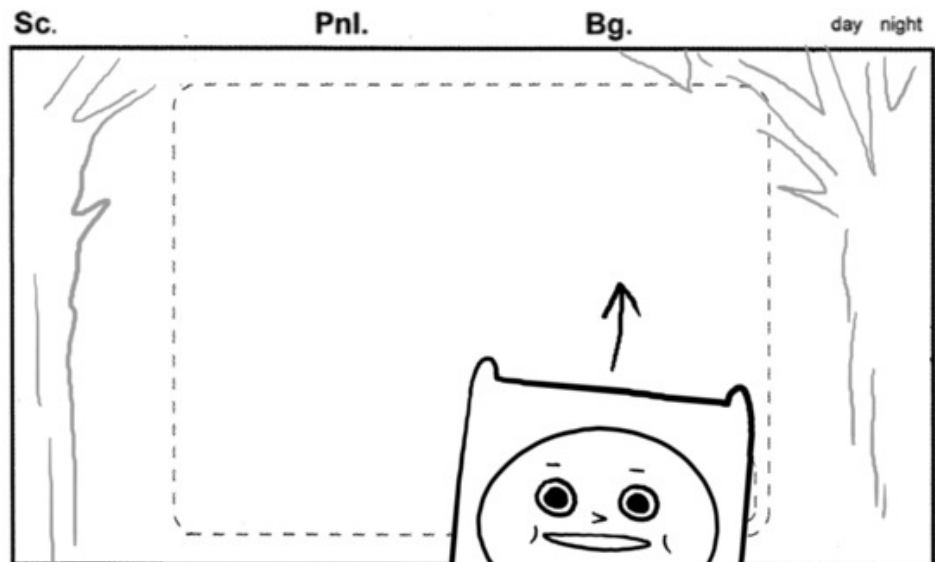

Dialog:  
Finn: (offscreen singing) ...weeeeeaaaaaa...

Action:

Dialog:  
Finn: oof!

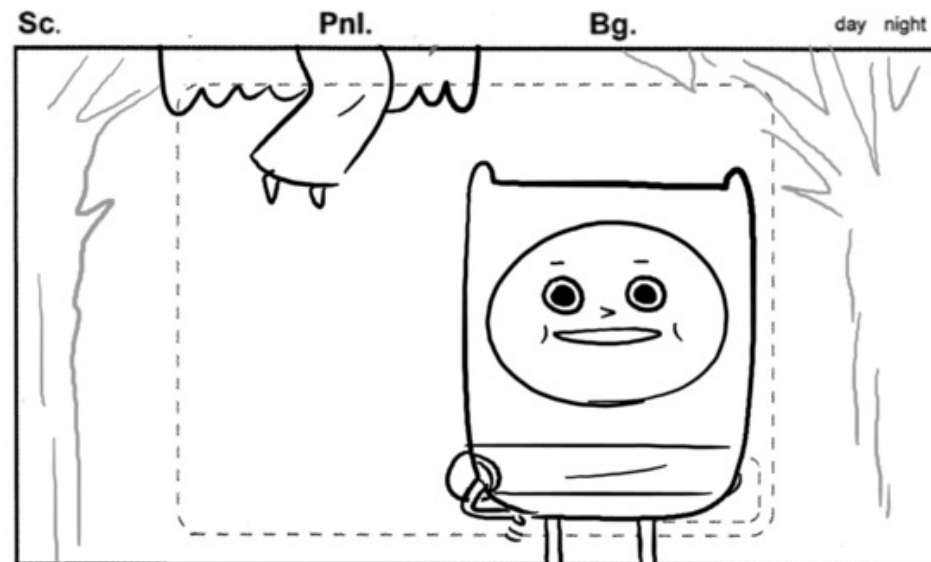

Action:  
Finn crashes through the no bouncing sign.

Dialog:

Action:

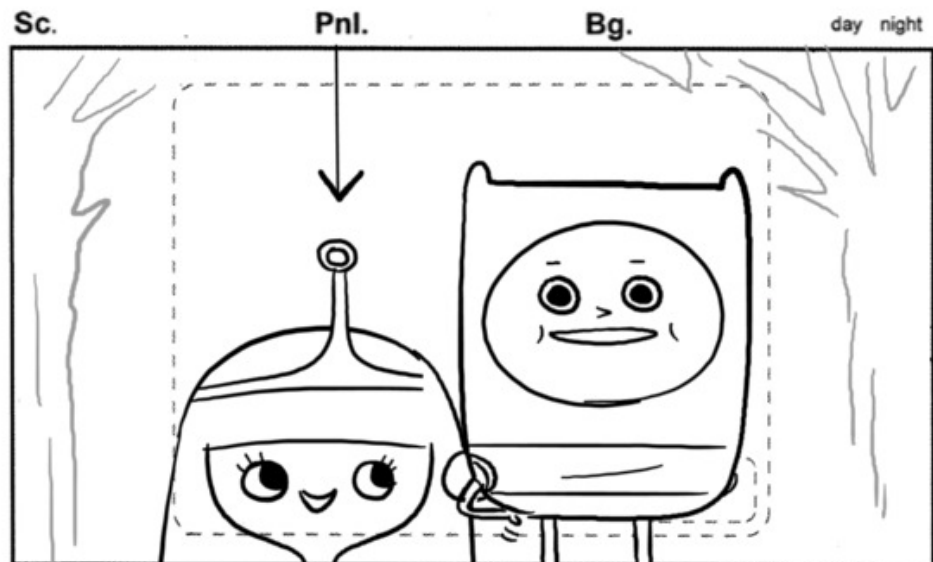

He picks himself up.

Dialog:

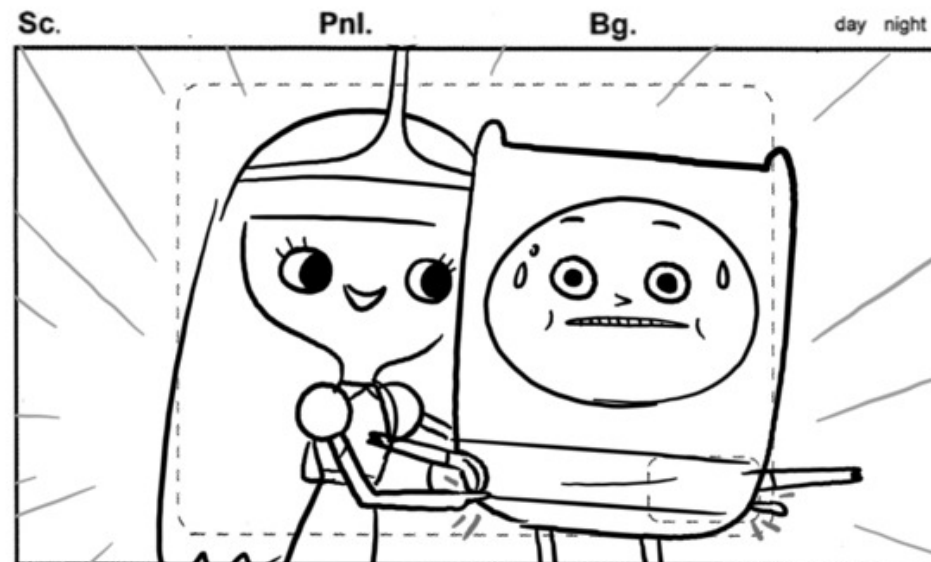

Finn: (resuming singing) ...because I'd feel  
creepy withouuuuuut iiiiiiit!

Action:

Dialog:

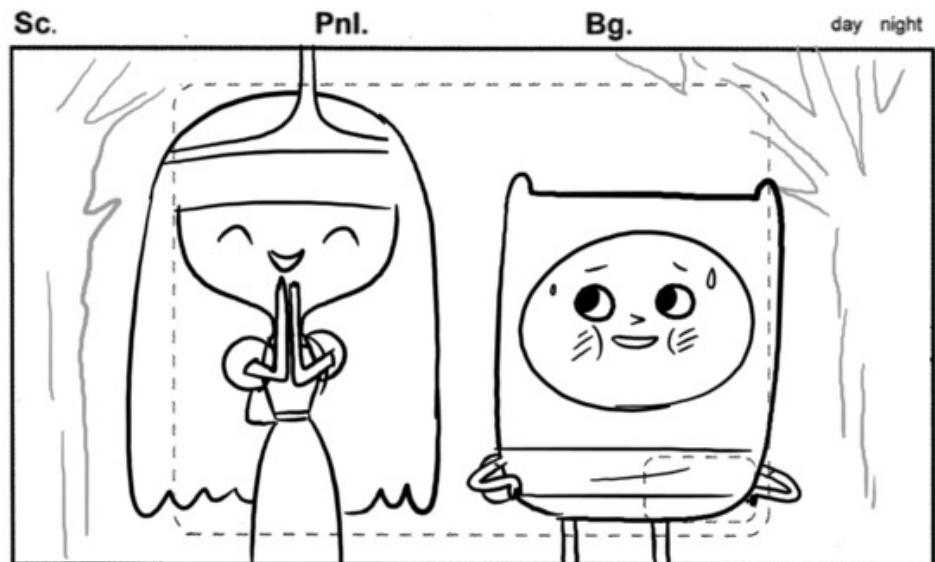

Action: PB lands behind Finn...

Dialog:

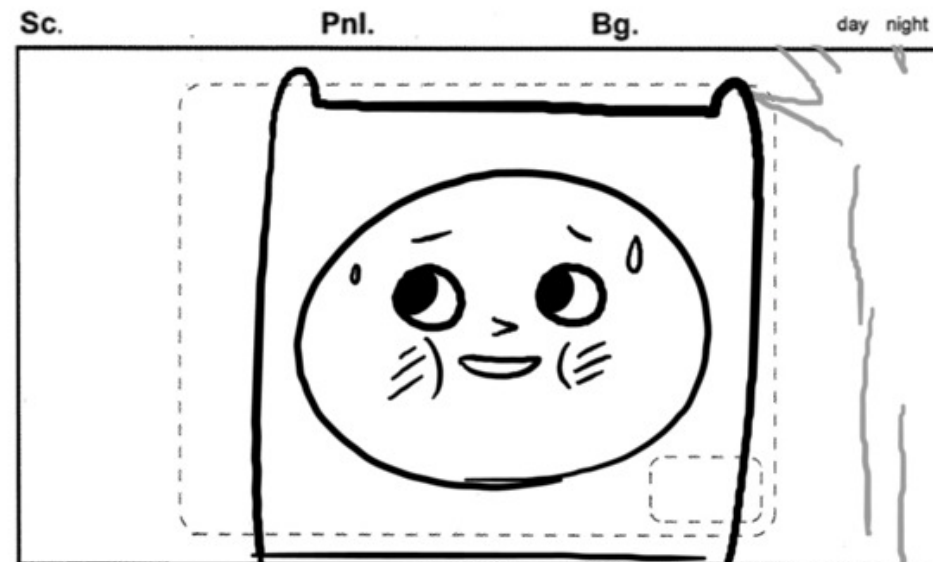

PB: Well done for remembering your underwear Finn, I'm so proud of you!  
Finn:<squeal>

Action: ... and jabs her fingers into his ribs to startle him.

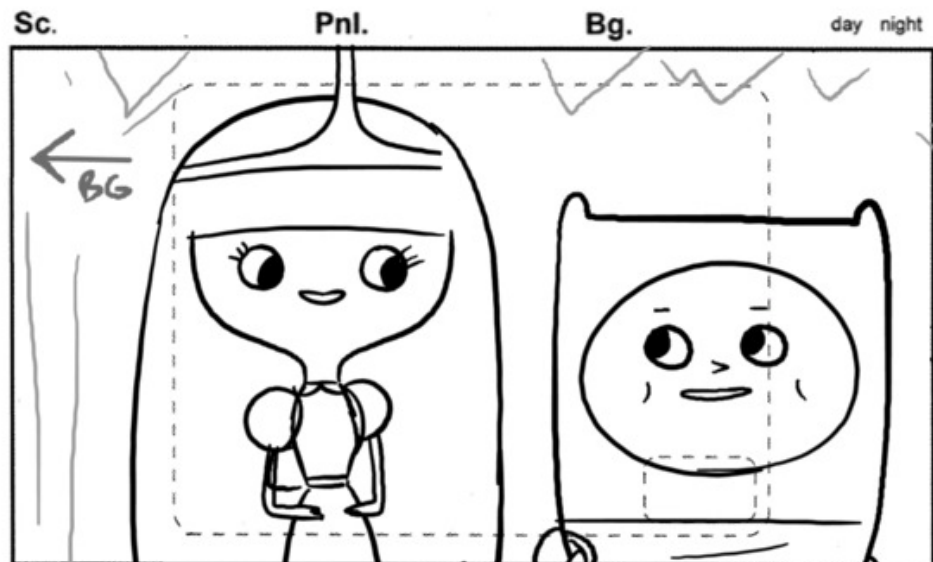

Dialog:  
 Finn: (embarrassed) heh heh...  
 PB: tee hee!

Action:

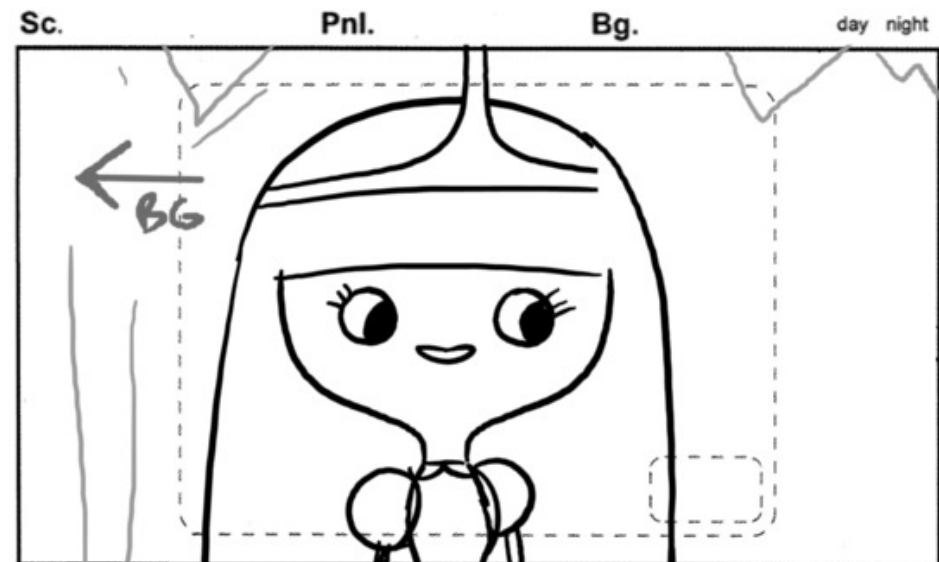

Dialog: Finn: eh, it's a long story, you see I forgot to bring shorts and underwear for after the water park but then I went home and got some, heh heh...

Action:

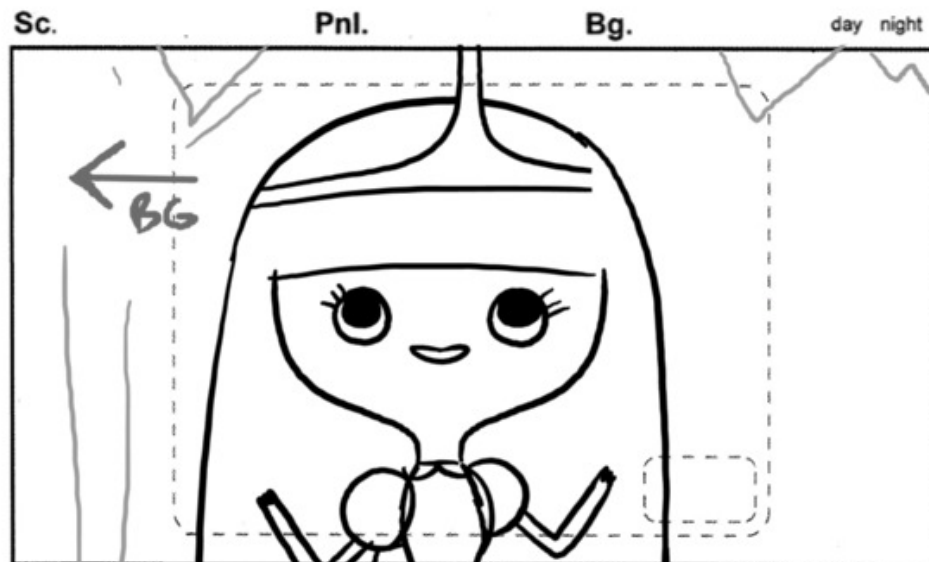

Dialog:  
PB: Oh that's where I'm going! I teach swimming lessons at the water park.

Action: Finn and PB walk along together.

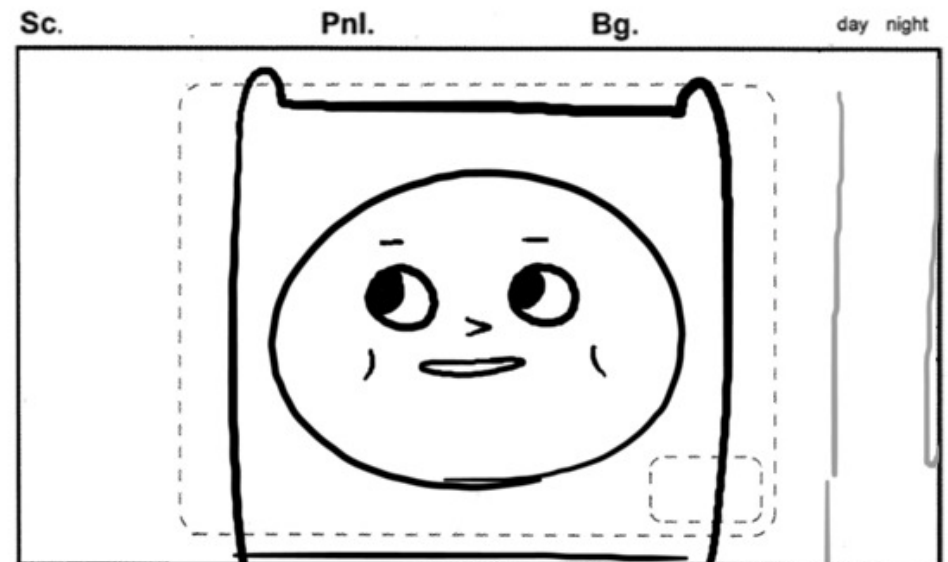

Dialog:  
PB: When I start with these little kids who have no confidence in the water...

Action:

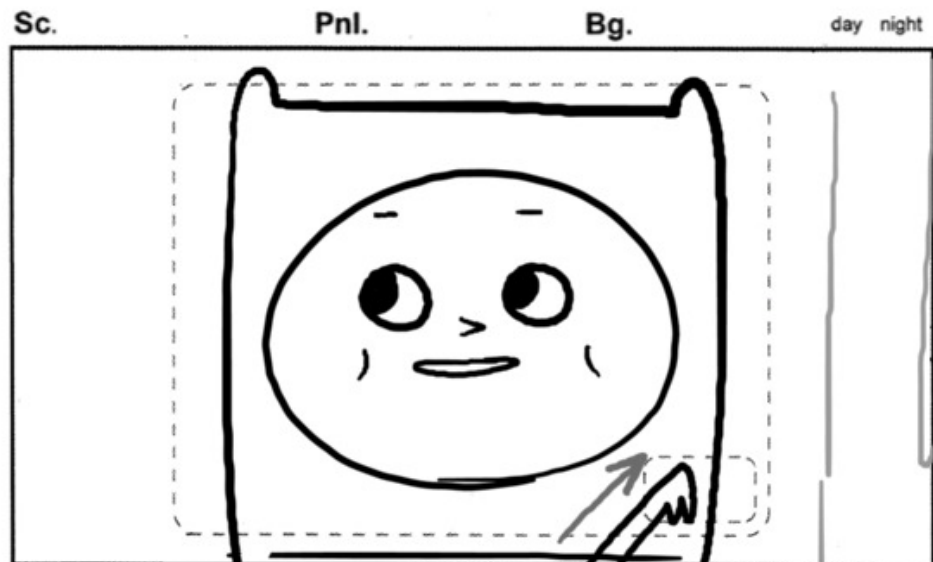

Dialog:  
PB: ...and then they're swimming lengths and diving to the bottom, I feel a real sense of achievement!

Action:

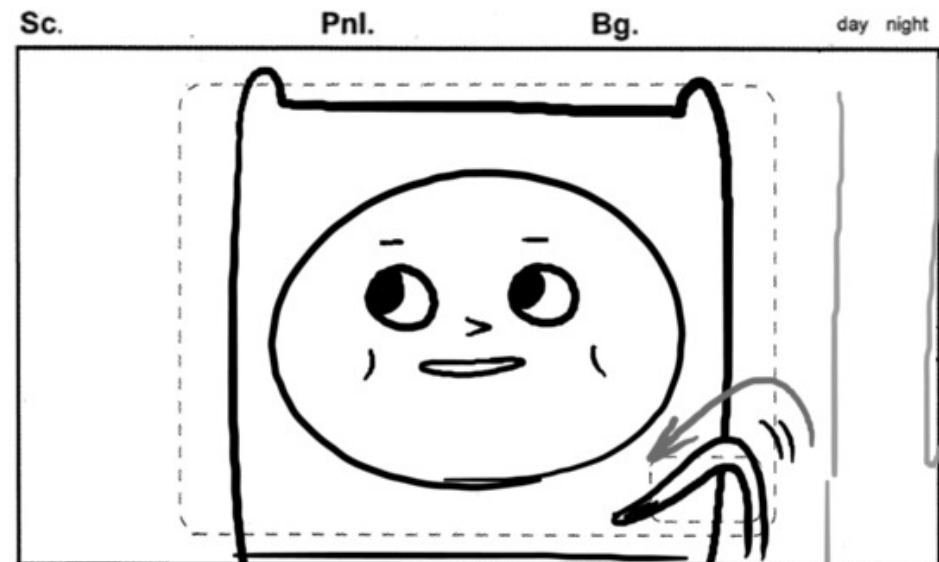

Dialog:  
Finn: I know exactly what you mean, I get a real sense of achievement...

Action:

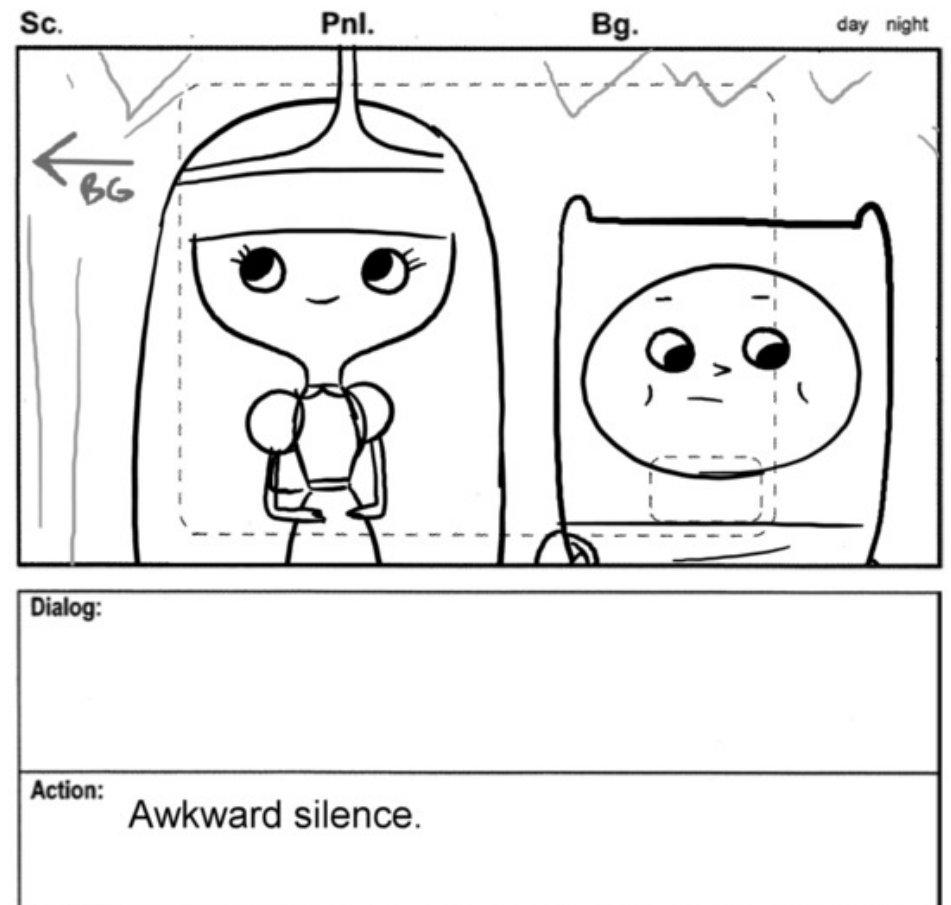

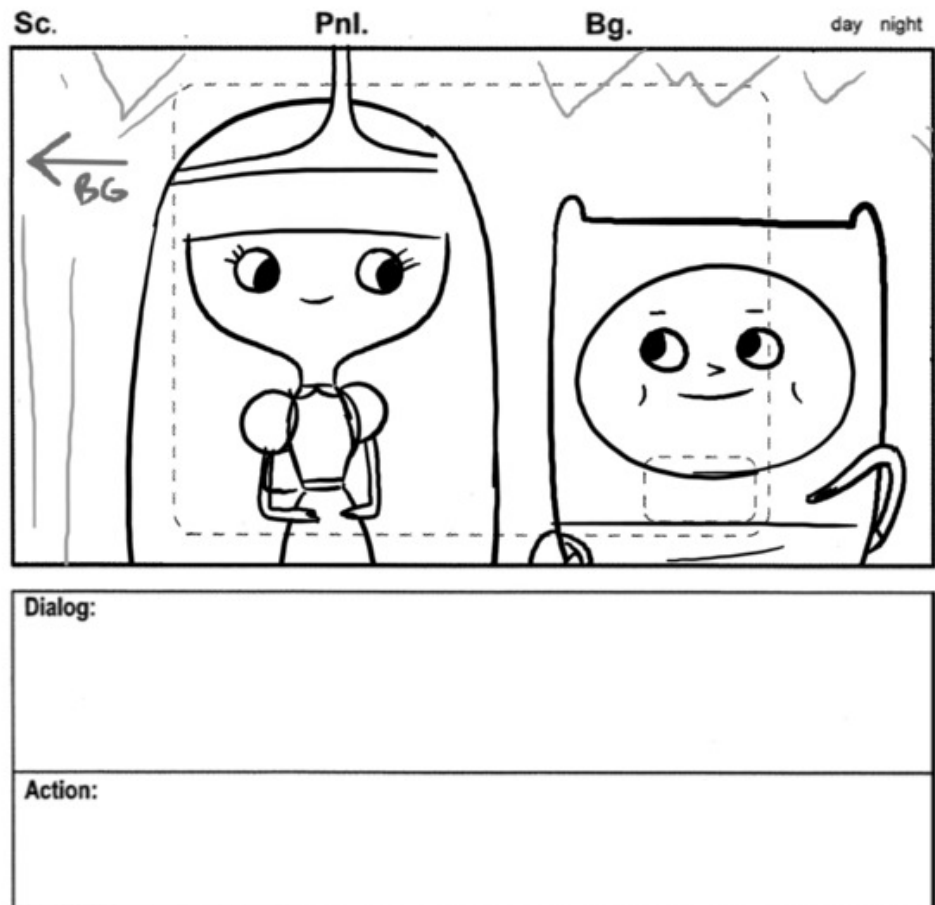

Dialog:  
Finn:...when I climb all the way up the steps to the top of the water slide...

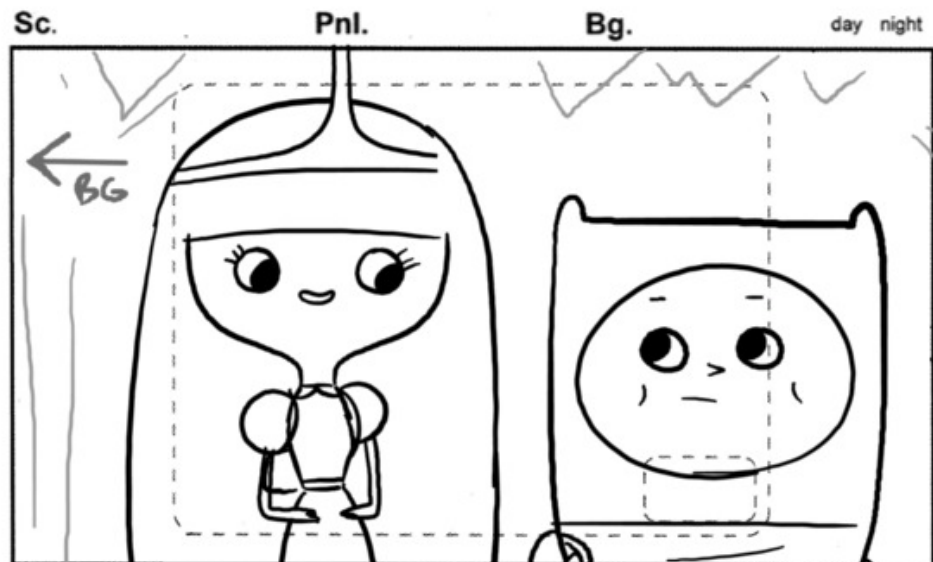

Action:

Dialog:  
Finn:...then slide all the way down it, really fast.

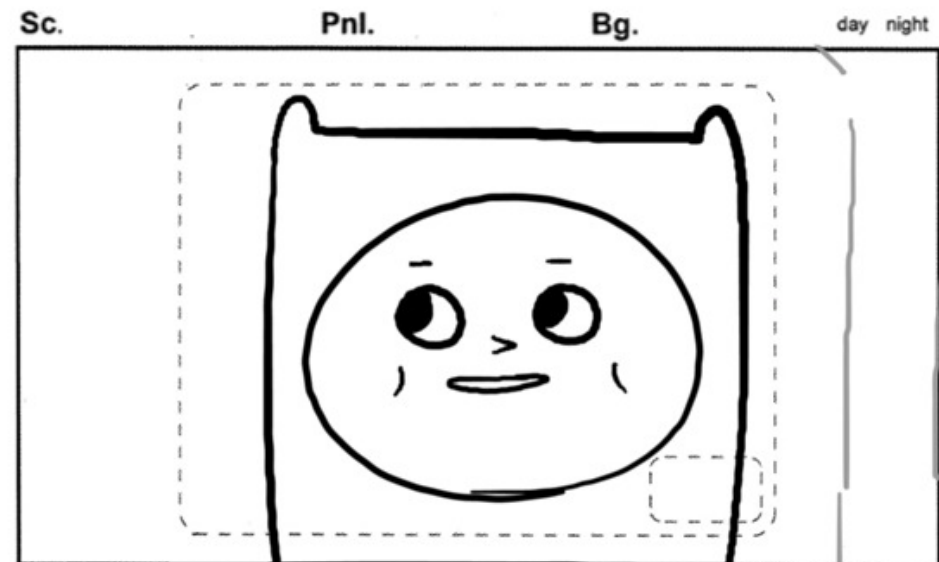

Action:

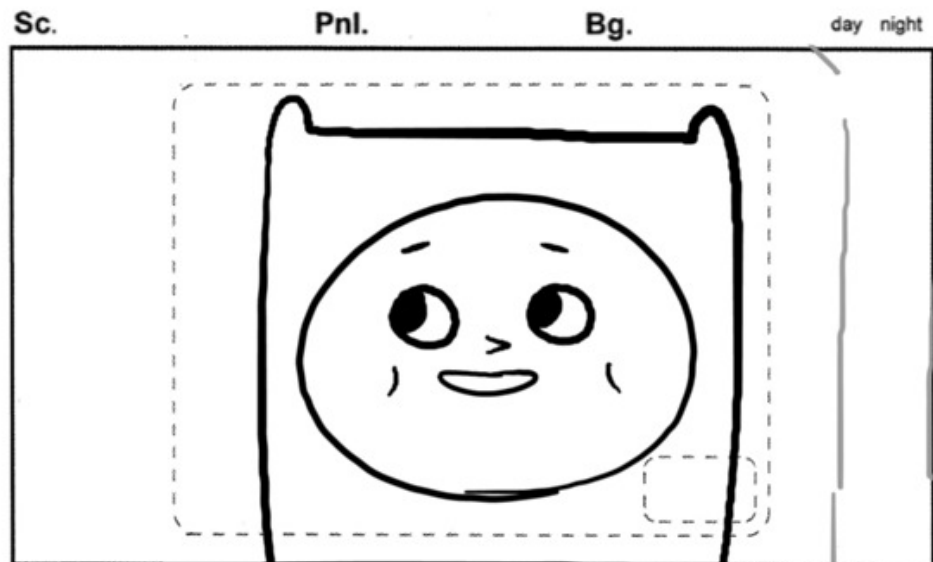

Dialog:  
PB: Oh, where's Jake, does he not like swimming?

Action:

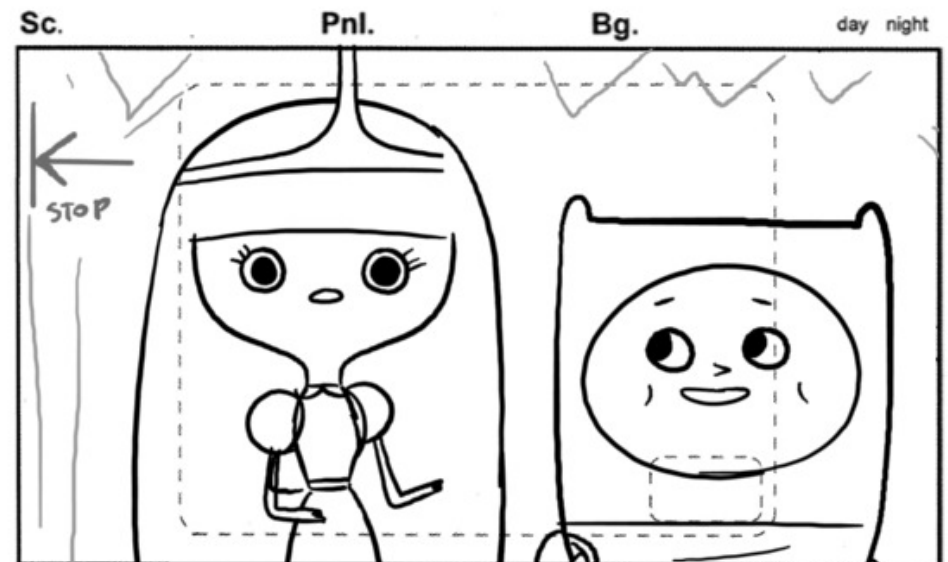

Dialog:  
Finn: He's probably nearly there by now...  
Princess Orangutan: <offscreen crying>

Action:

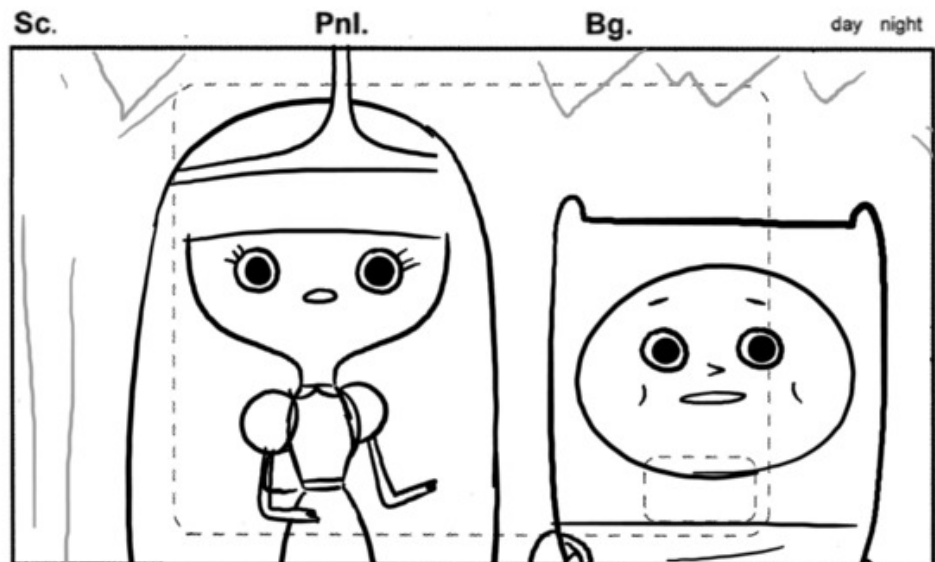

Dialog:  
Finn: Aww don't cry, he'll be fine on his own 'til we get there!

Action:

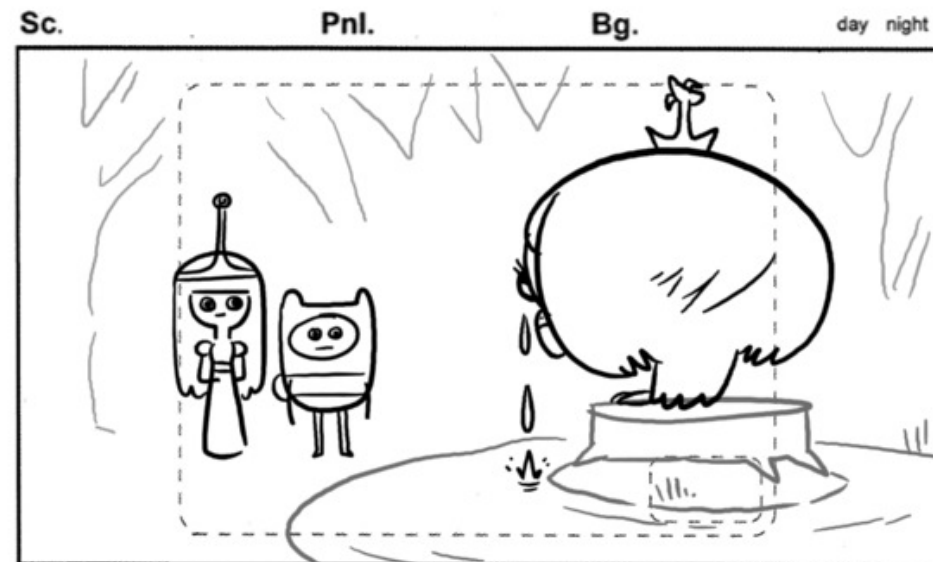

Dialog:  
PB: It's not me, look!

Action:  
PB notices something off screen..

Dialog:

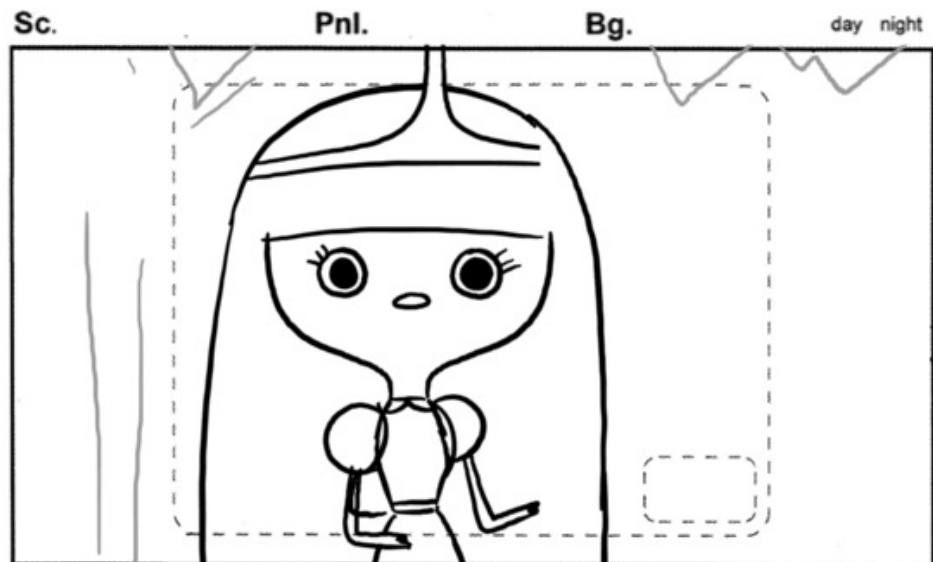

Action:

Dialog:

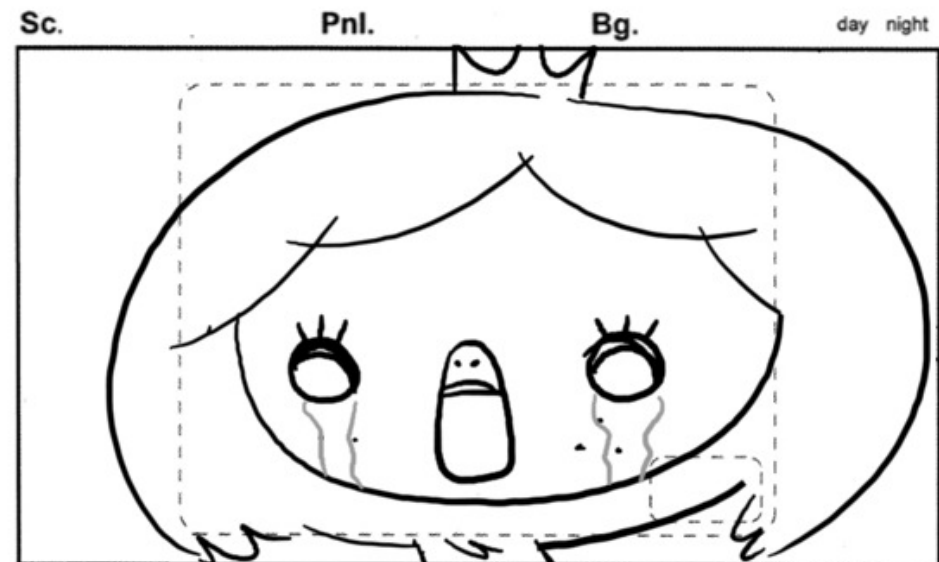

Princess Orangutan: <gentle sobbing>

Action: Cut out to show PO crying into a moat around a tree stump.

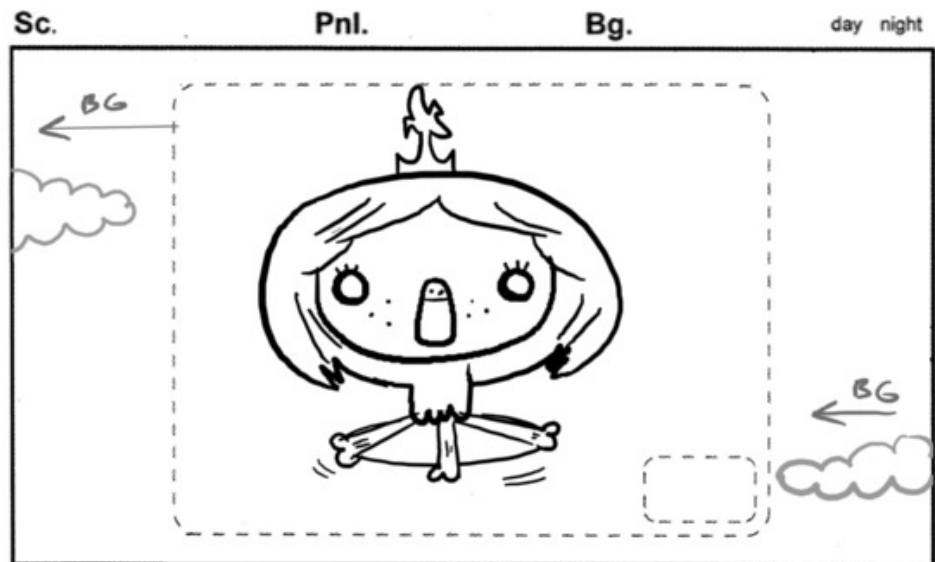

Dialog:  
PB: Princess Orangutan, what's wrong?

Action:

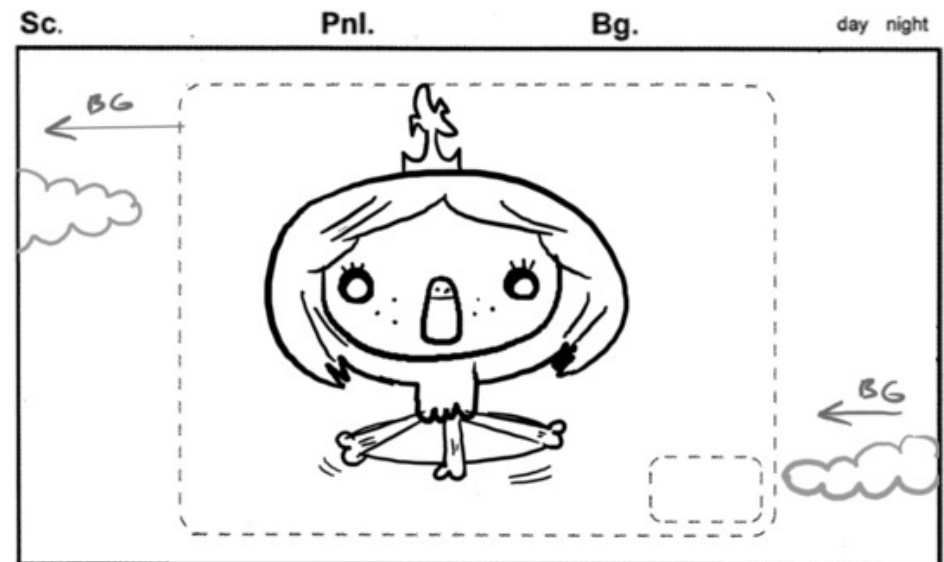

Dialog:  
PO: <sob> Well, I'd been...

Action:

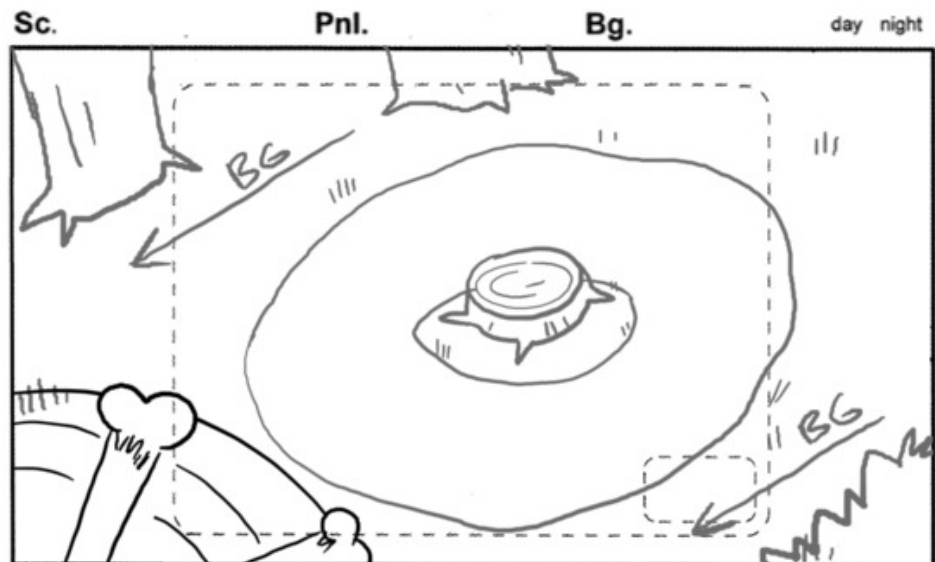

Dialog: PO: ...flying all morning...

Action: Wipe to PO flying through the air, earlier in the day.

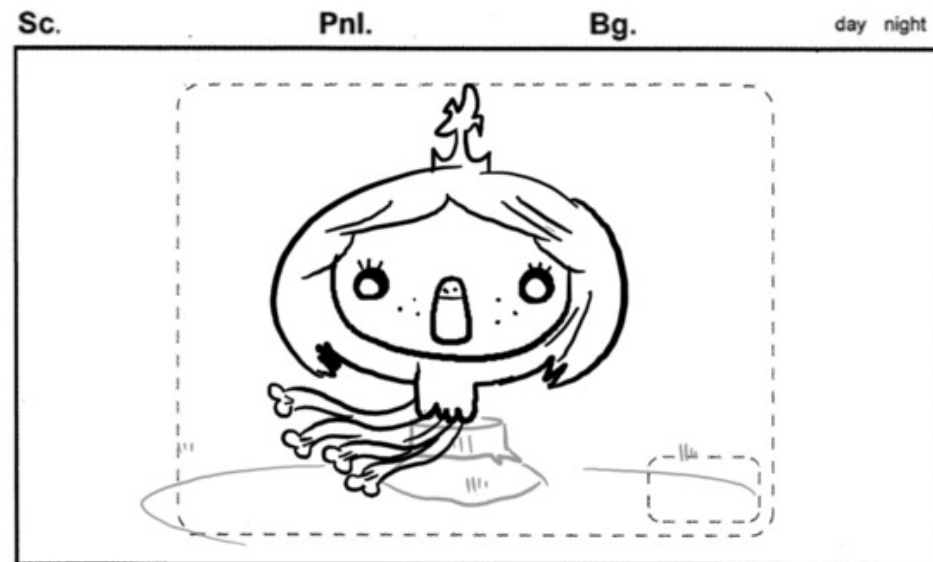

Dialog: PO: ...when I noticed this pond <sob>

Action: She glances down.

Dialog:

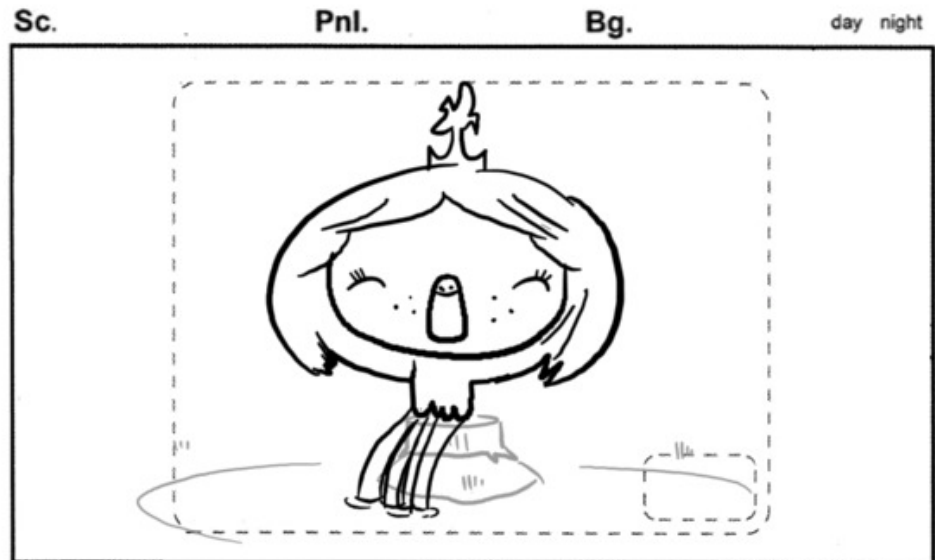

Action: PO's POV.

Dialog:

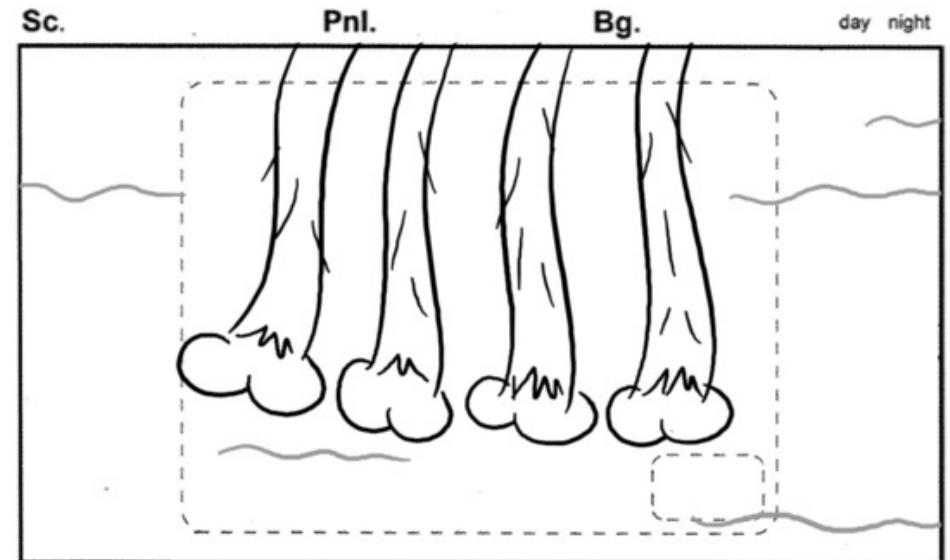

PO: I only wanted to rest...

Action:

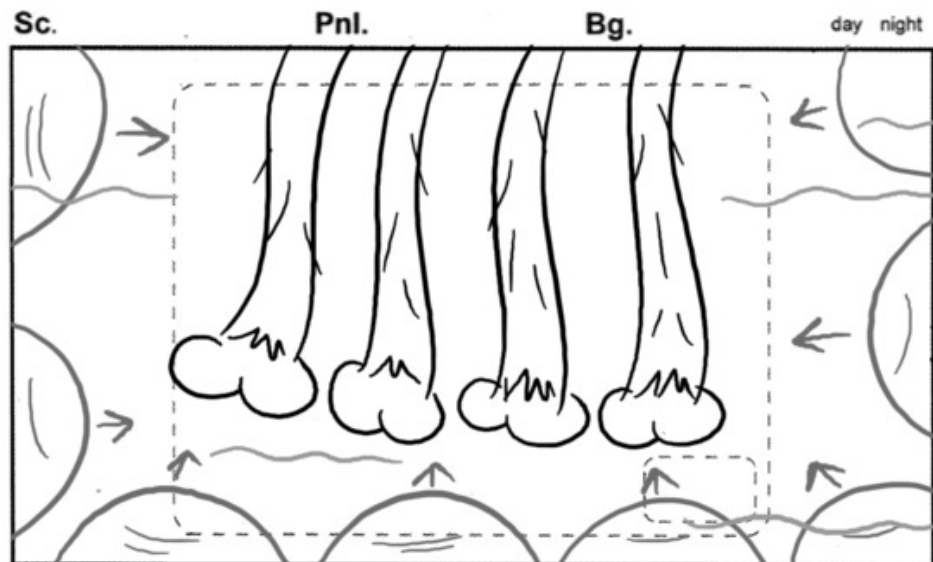

Dialog: PO: ...and cool my legs down...

Action: She dips her legs in the water.

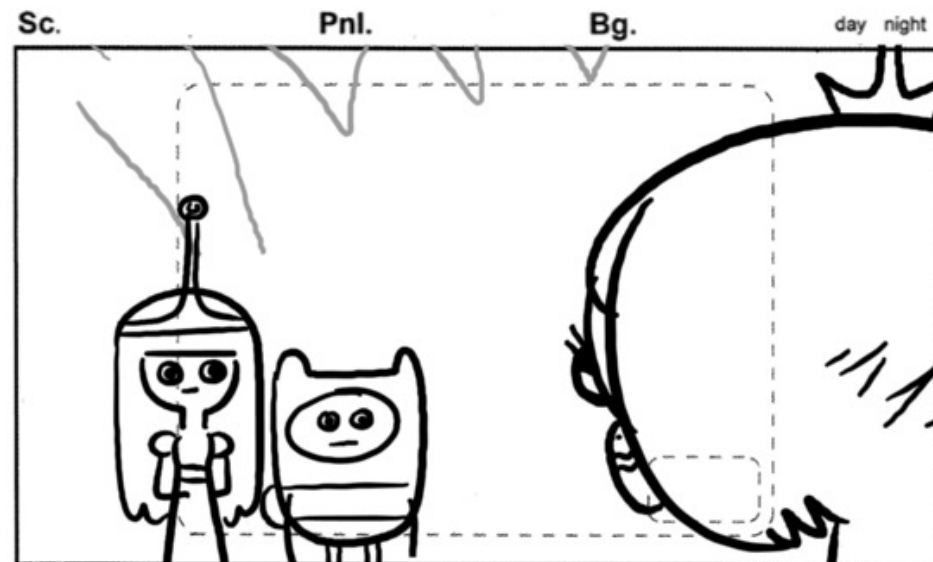

Dialog: PO: ...but when I brought them back out the water...

Action: Underwater shot with shimmery filter.

Dialog:

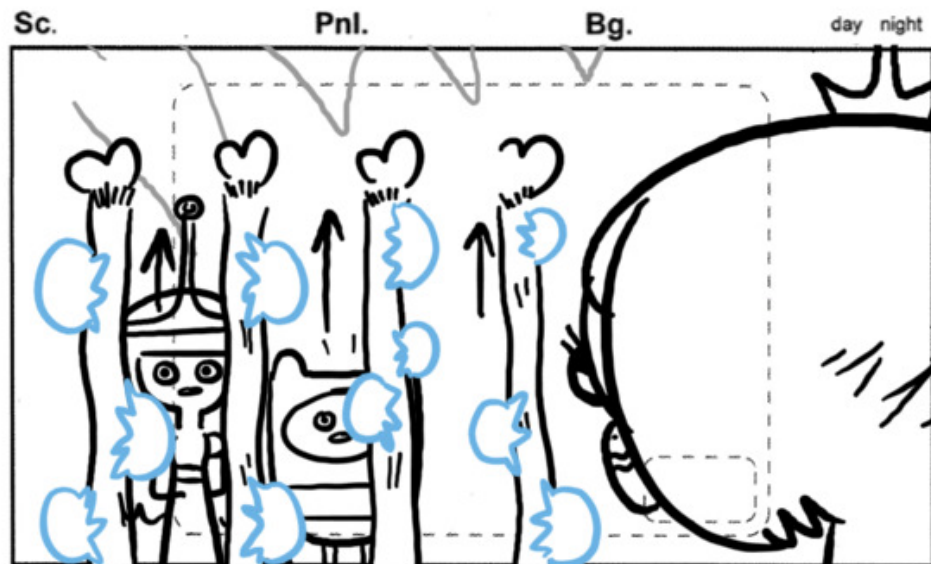

Action: The daddy-sad-heads drift into shot..

Dialog:

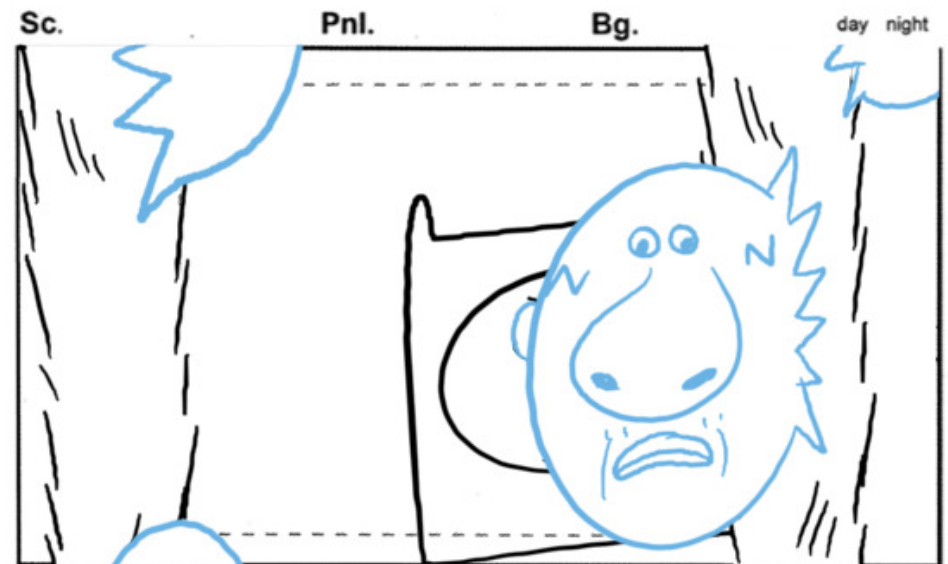

PO: ...they were covered in...

Action: Wipe back to the present.

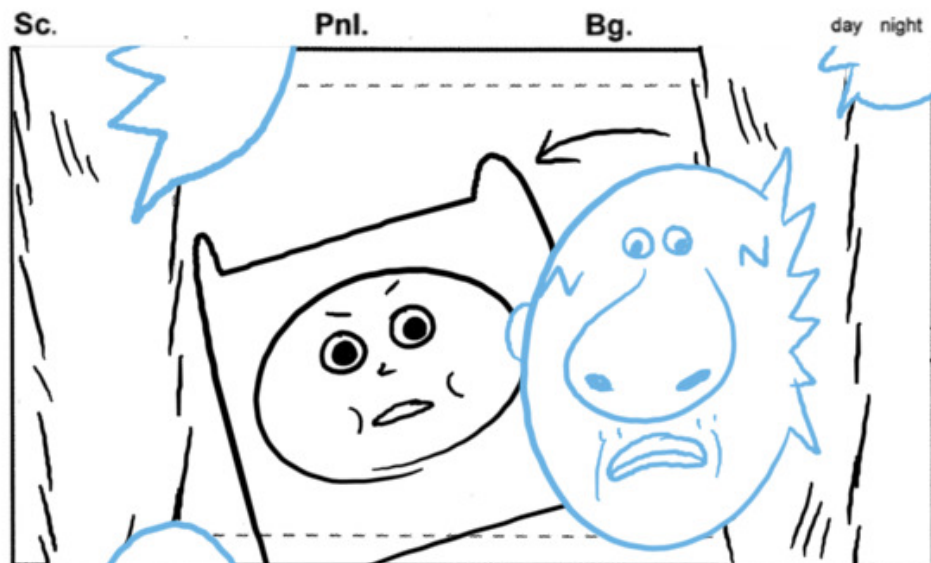

Dialog:  
PO: ...daddy-sad-heads! <boo hoo hoo!>

Action:

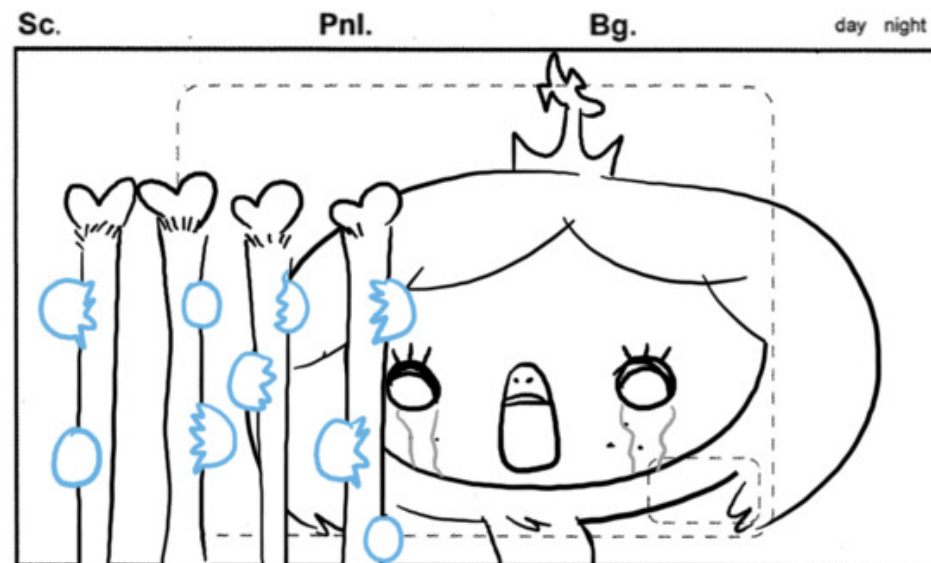

Dialog:  
Daddy-sad-head: <low sad moan>

Action:

Dialog:  
Finn: Yuck! Can't you just spin your legs around and send them all flying?

Action:

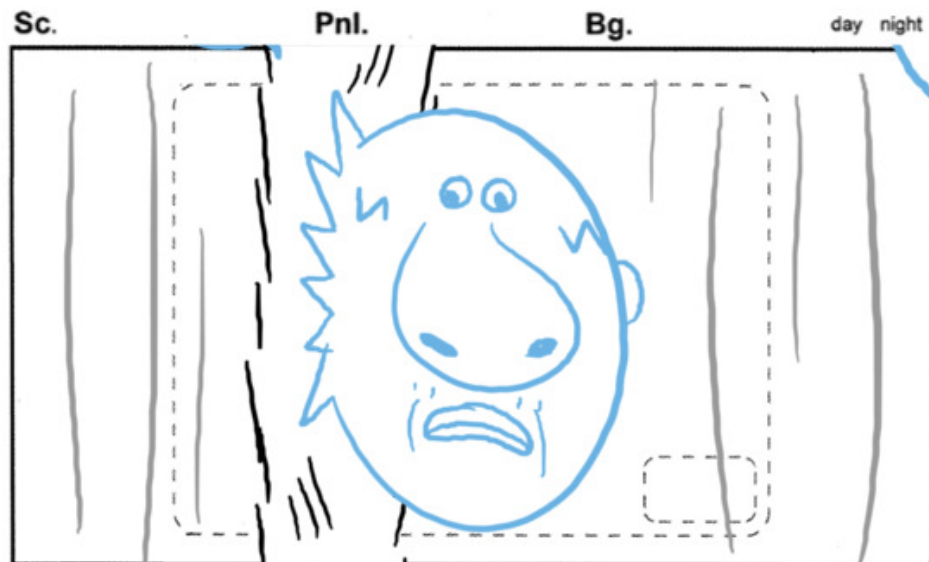

Dialog:  
PO: I can't, I'm too sad, and I don't want to hurt them <sob>

Action:

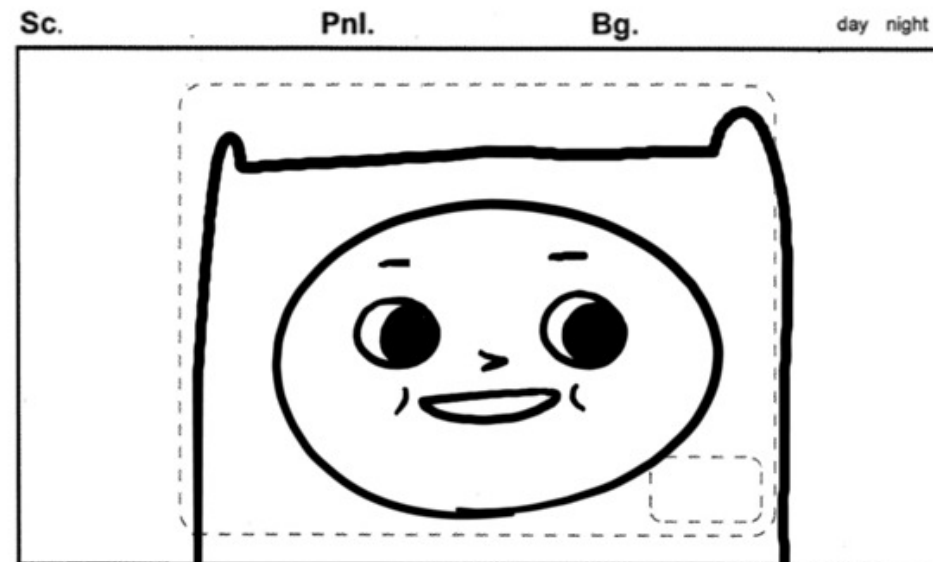

Sc.	Pnl.	Bg.	day	night
<p>Dialog:</p> <p>PB: Daddy-sad-heads secrete a tear toxin that makes the host too sad to get rid of them...</p>				
<p>Action:</p>				

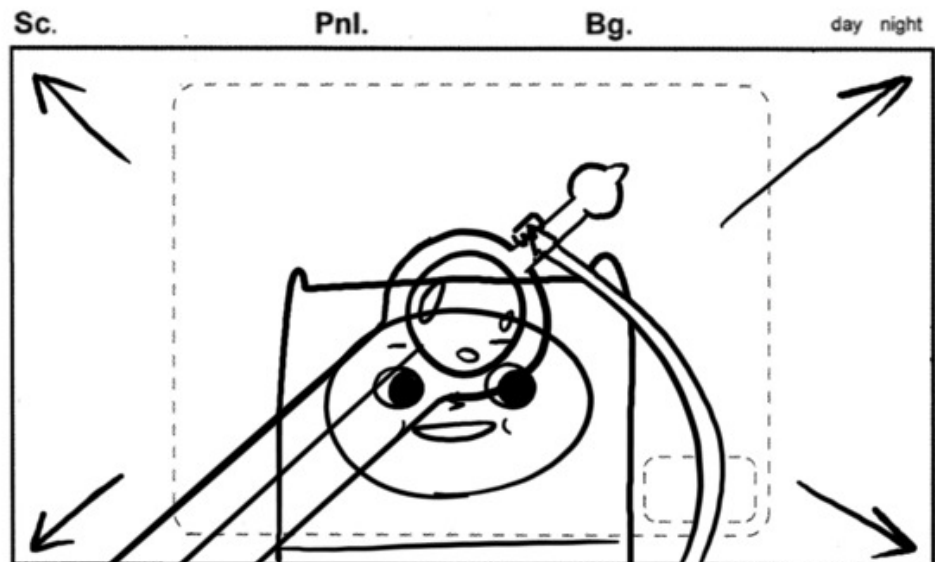

Dialog:  
PB: (offscreen)...even though all it would take  
is a good shake.  
Daddy-sad-head: <low sad moan>

Action:

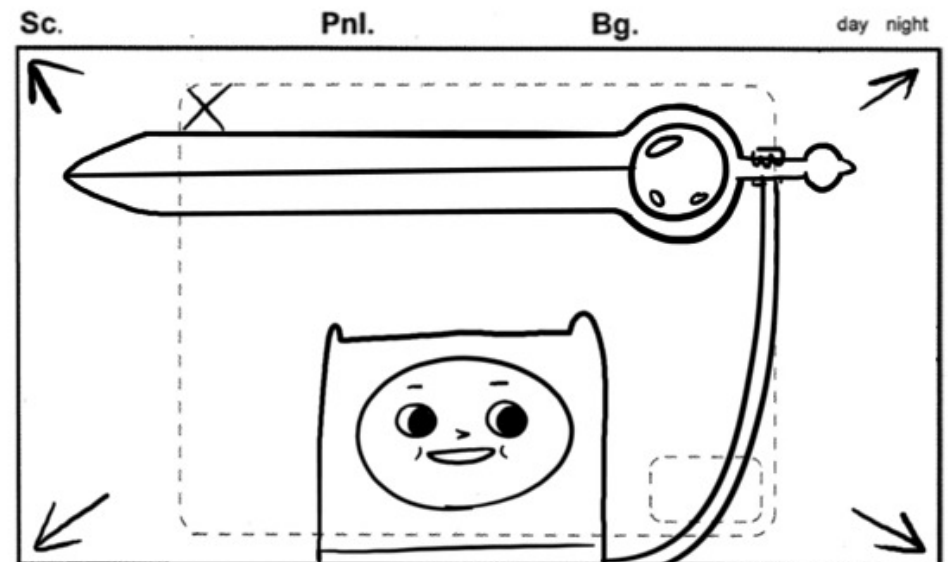

Dialog:  
Finn: Don't worry Princess, I've got the perfect  
tool for the job...

Action:

Dialog:

Action:

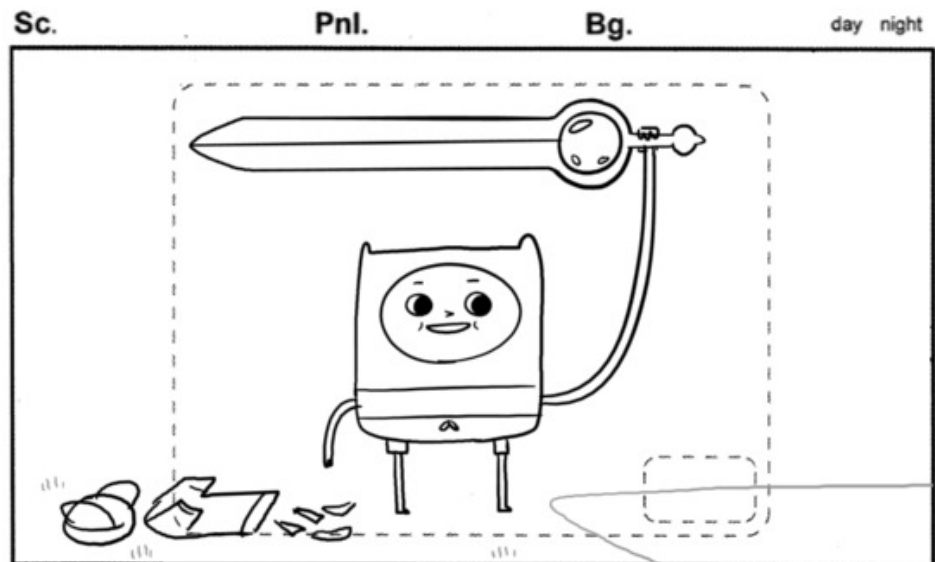

Dialog:

Finn: And it won't hurt them one bit <evil chuckle>

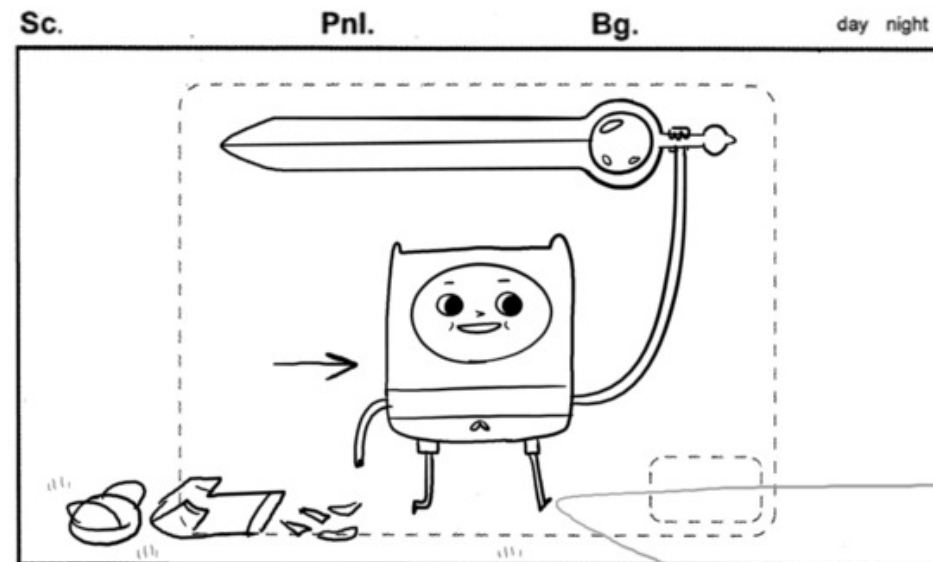

Action:

Finn holds aloft his sword.

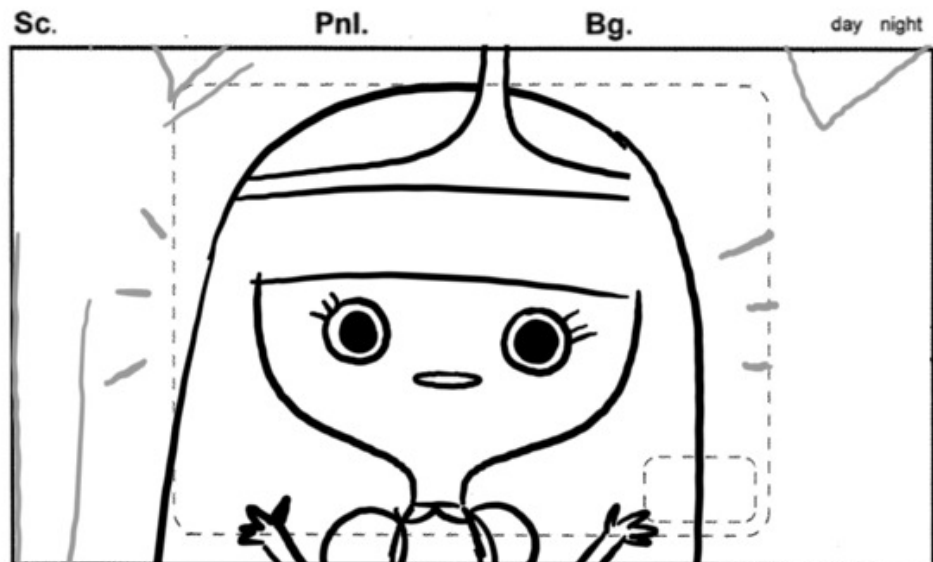

Dialog: Finn: *And I'm already in my swimming trunks!*

Action: Cut out to reveal that Finn has stripped to his swimming shorts.

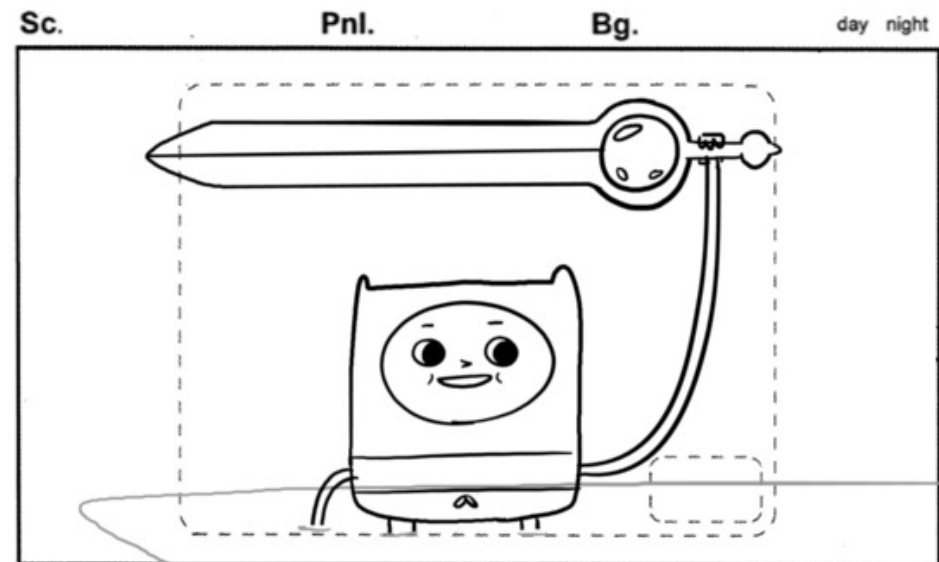

Dialog:

Action: He strides towards the moat.

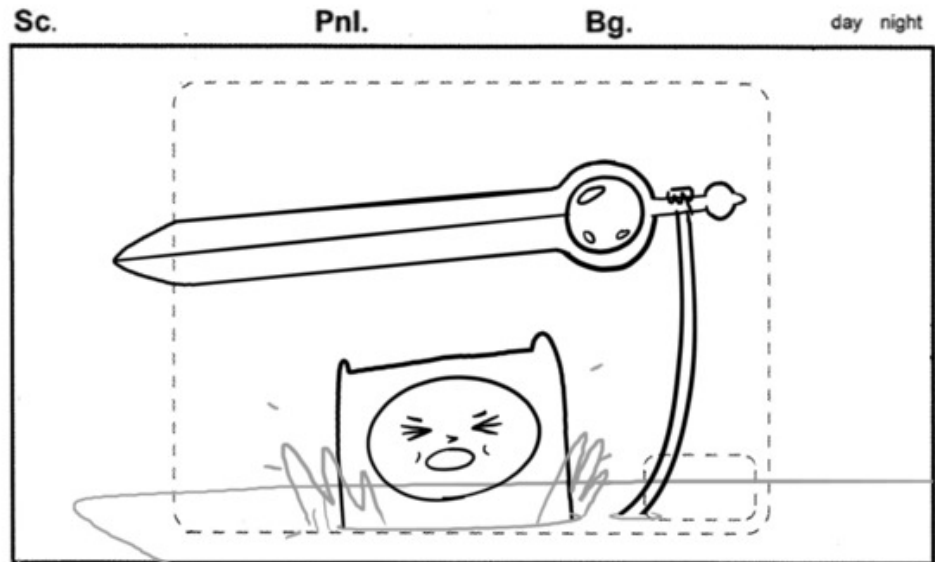

Dialog:  
PB: No, wait, don't go in the water!

Action:

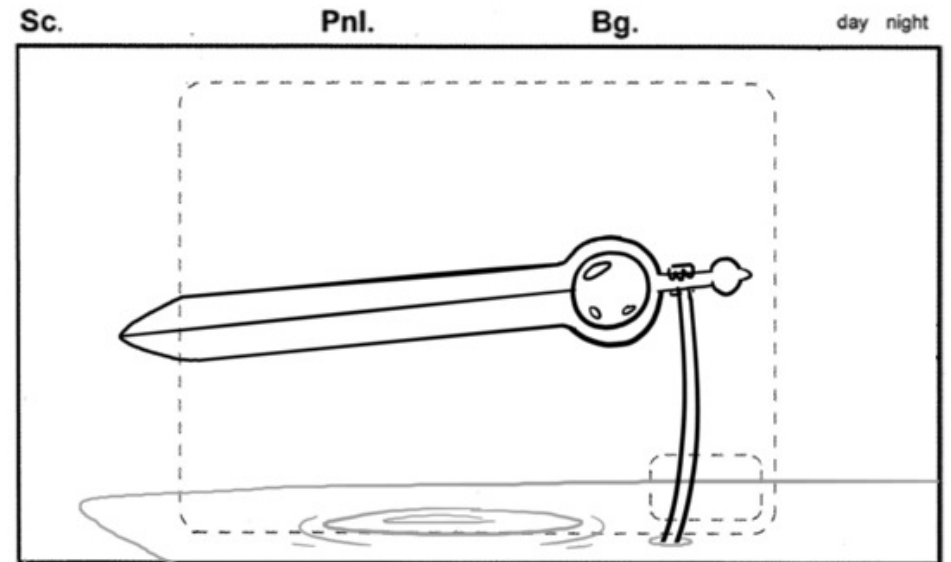

Dialog:

Action: Finn is already waist deep.

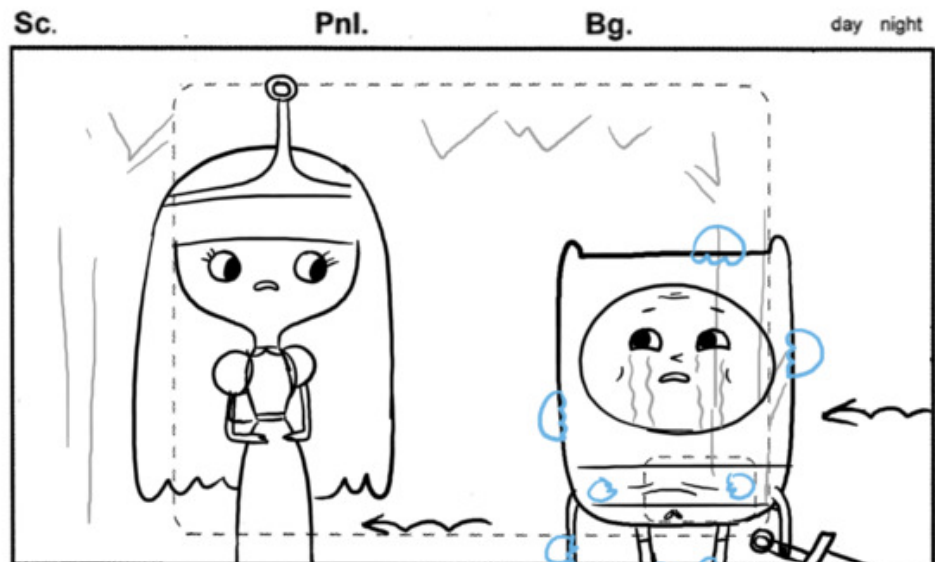

Dialog:  
Finn: aaah!

Action: The daddy-sad-heads latch on and Finn slips underwater.

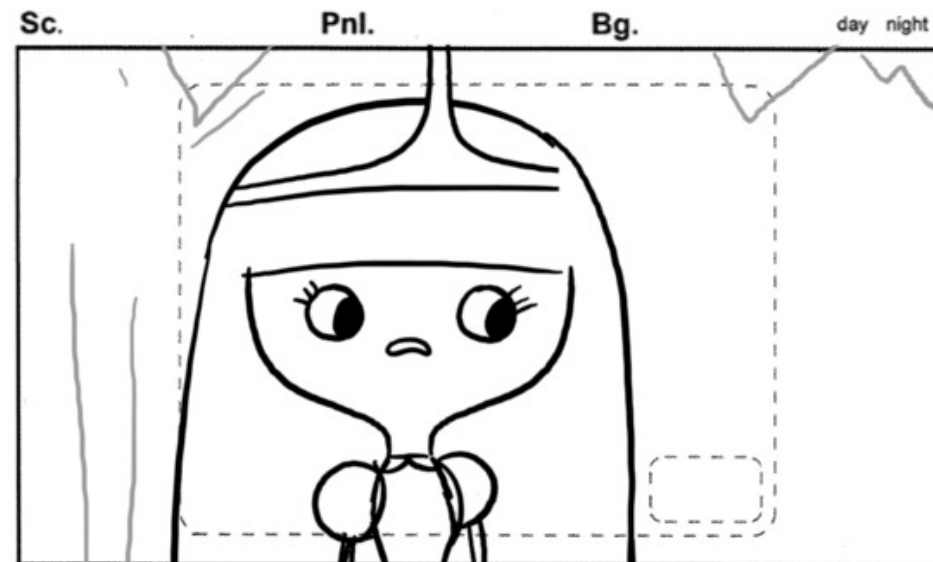

Dialog:  
Finn: glub!

Action:

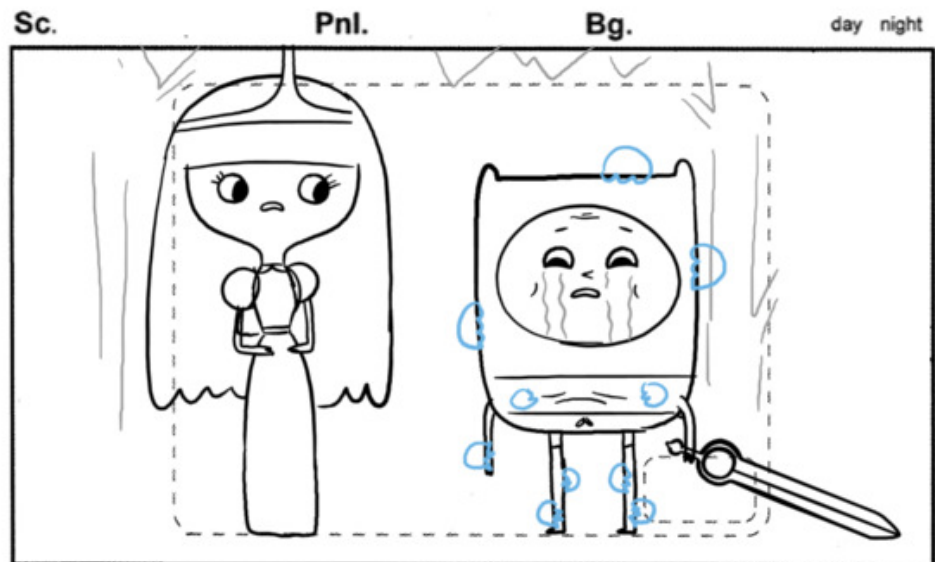

Dialog:  
Finn: <sob> why am I crying? <sob>

Action: Finn wanders into shot covered in daddy-sad-heads. Tears stream down his face. PB takes a few steps backwards.

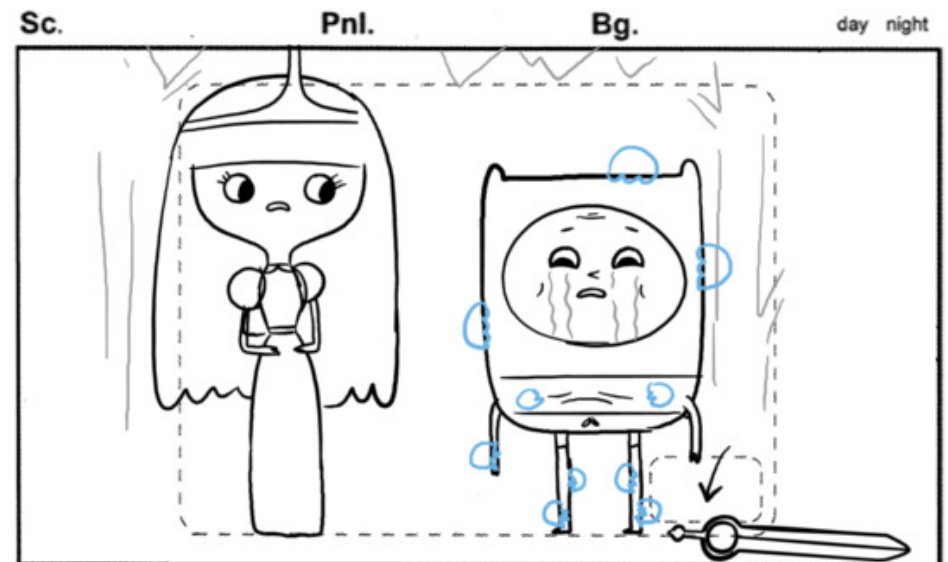

Dialog:  
PB: I just told you, it's a tear toxin, were you not listening?

Action:

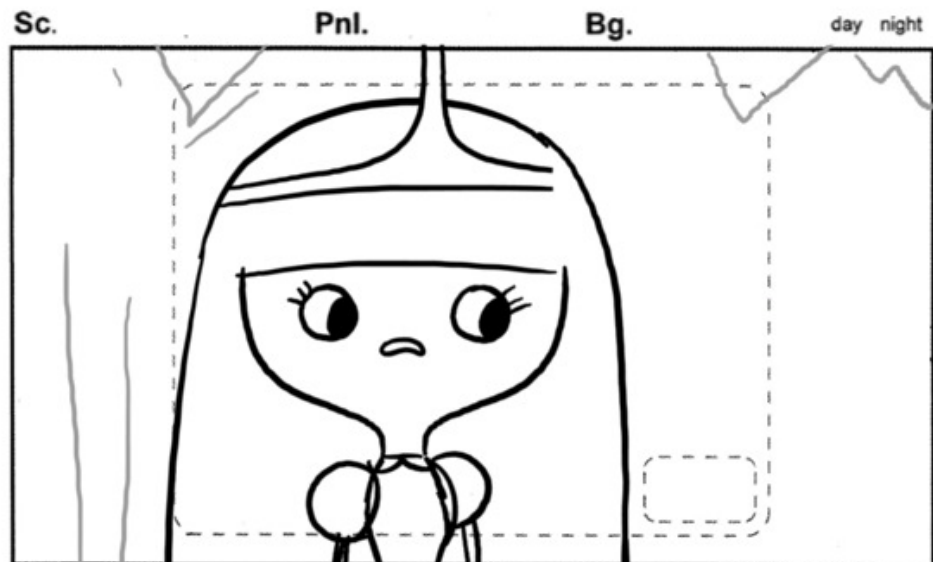

Dialog:  
Finn: I was only half listening <sob>

Action:

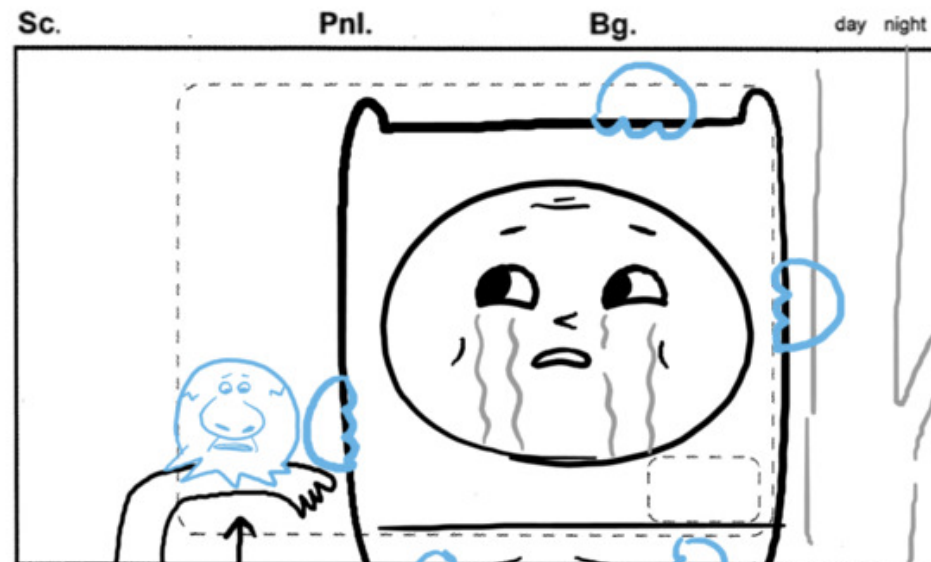

Dialog:

Action: Finn drops his sword in despair.

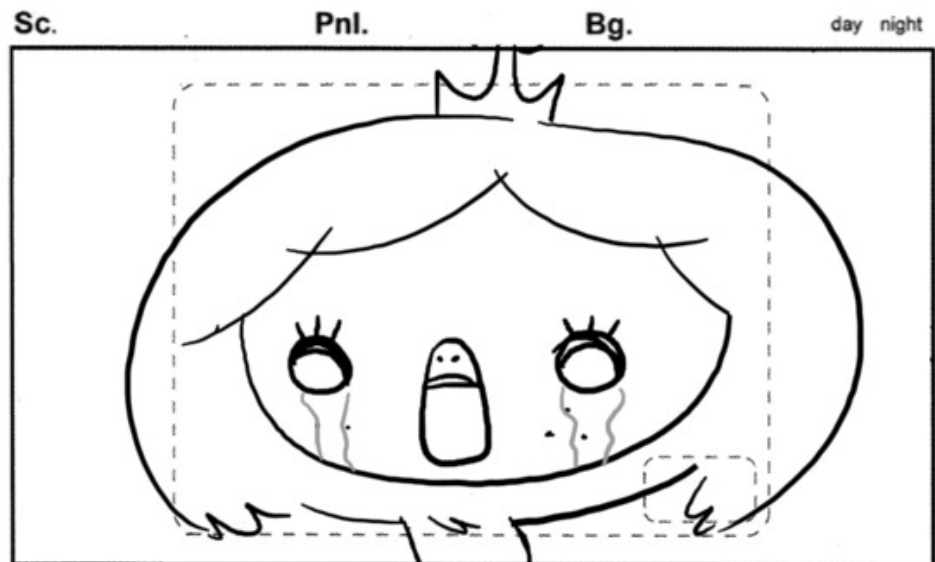

Dialog:  
PB: Did you hear the part about how they just need a good shake to get rid of?

Action:

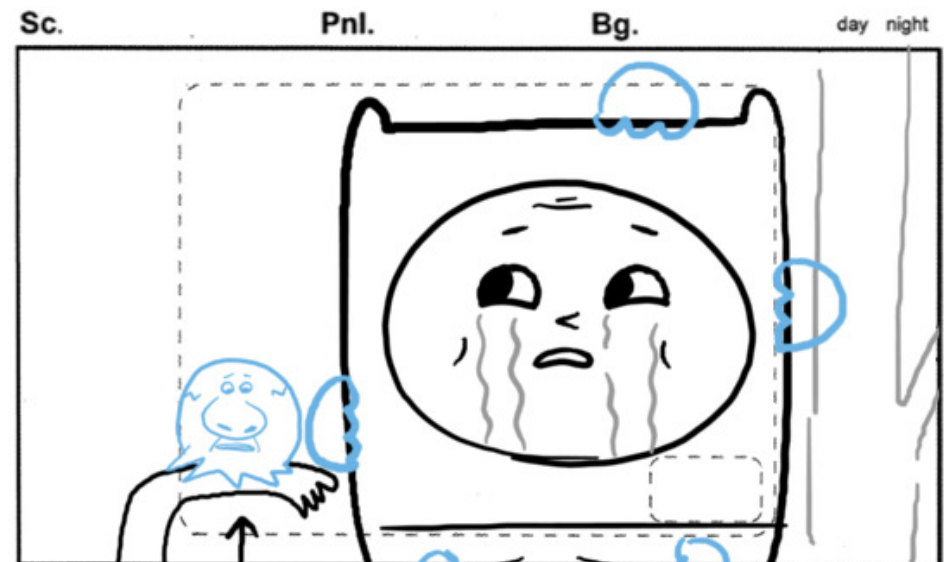

Dialog:  
Finn: Yeah, but I don't want to shake them, what if I hurt them? <sob>

Action:

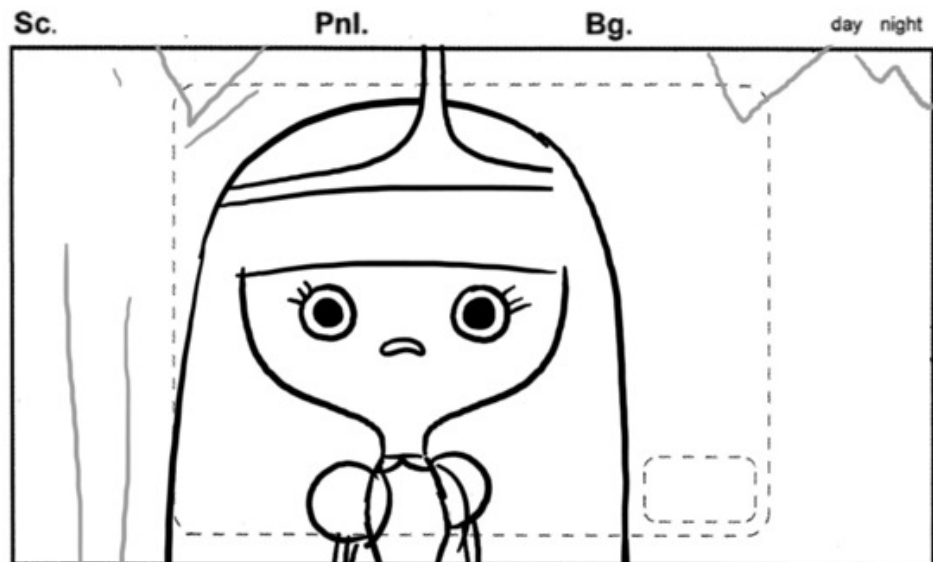

Dialog:  
PO: I told you <sob>

Action:

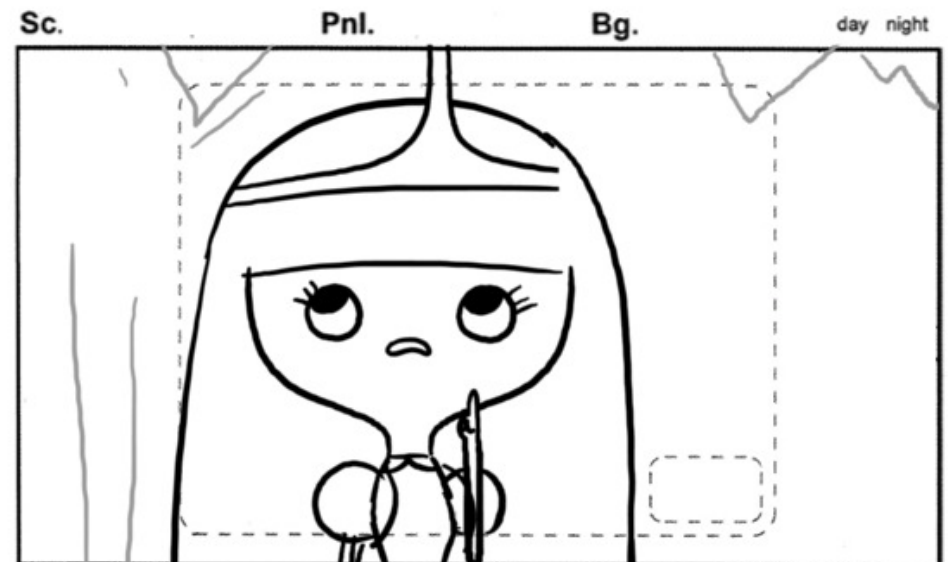

Dialog:  
Finn: Maybe they'll just have to stay on forever  
<boo hoo hoo>

Action:

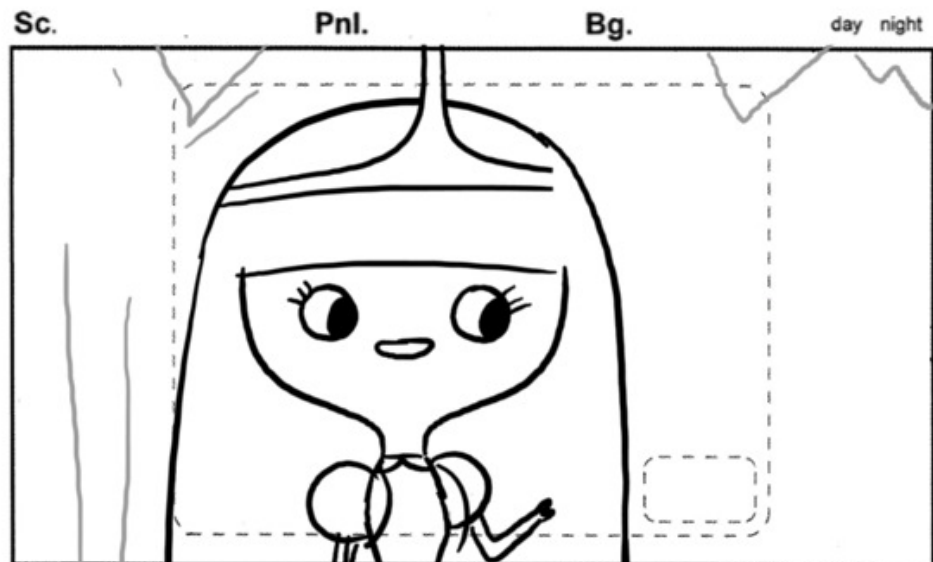

Dialog:  
PB: Oh this is miserable!

Action:

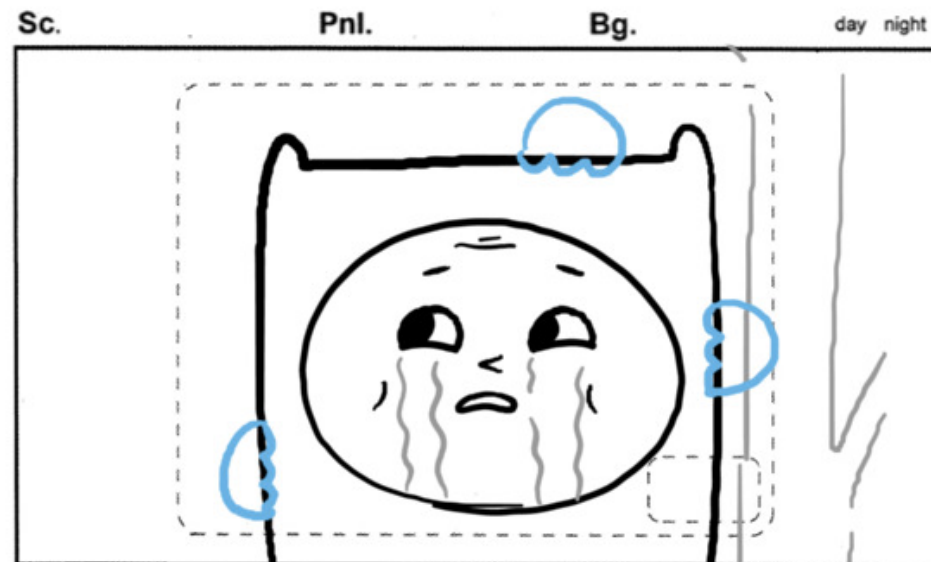

Dialog:  
PB: I'm not touching them, so how are we going to get them off?

Action:

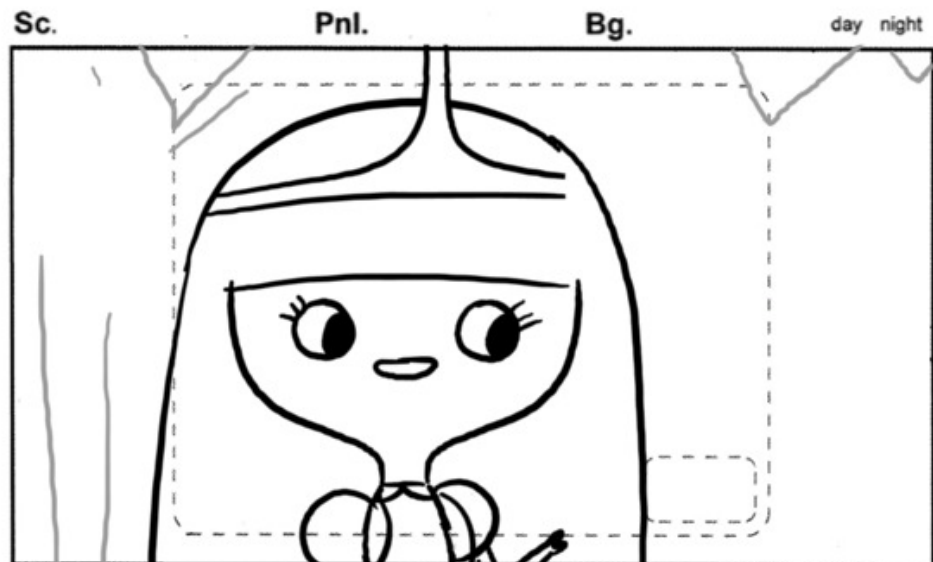

Dialog: PB: I know! I use visualisation techniques with my swimming students all the time! Like, I'll get them to imagine that they're little coconuts floating on the water.

Action:

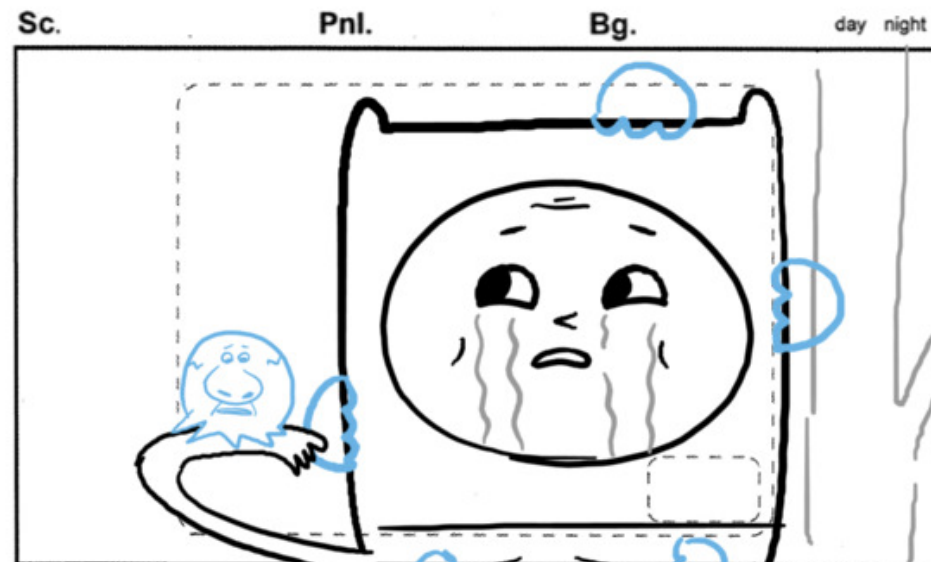

Dialog: Finn: <sob> But I already know how to swim <sob>

Action:

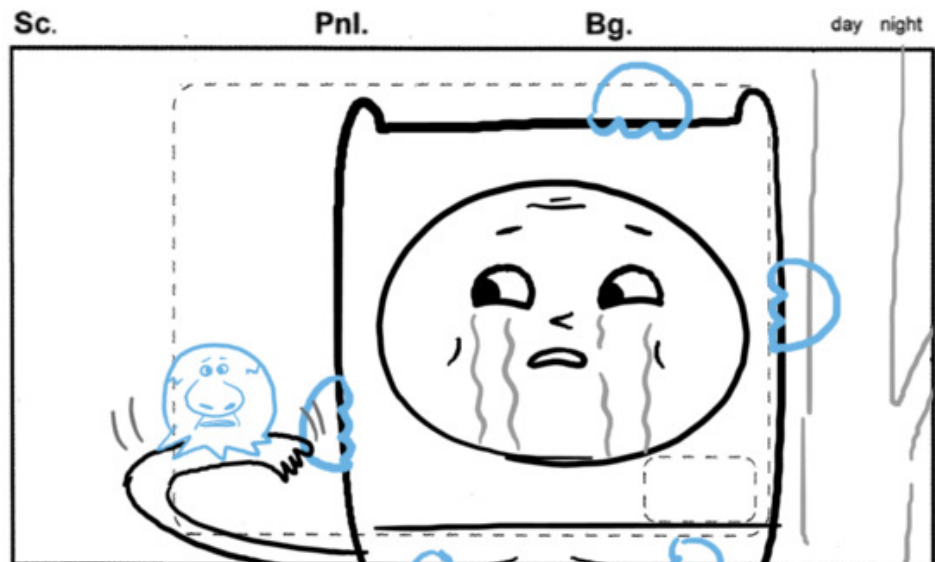

Dialog: PB: I know, but what if you visualised the daddy-fat-heads as little jingling bells or something, and if you ring them it'll cheer everybody up?

Action:

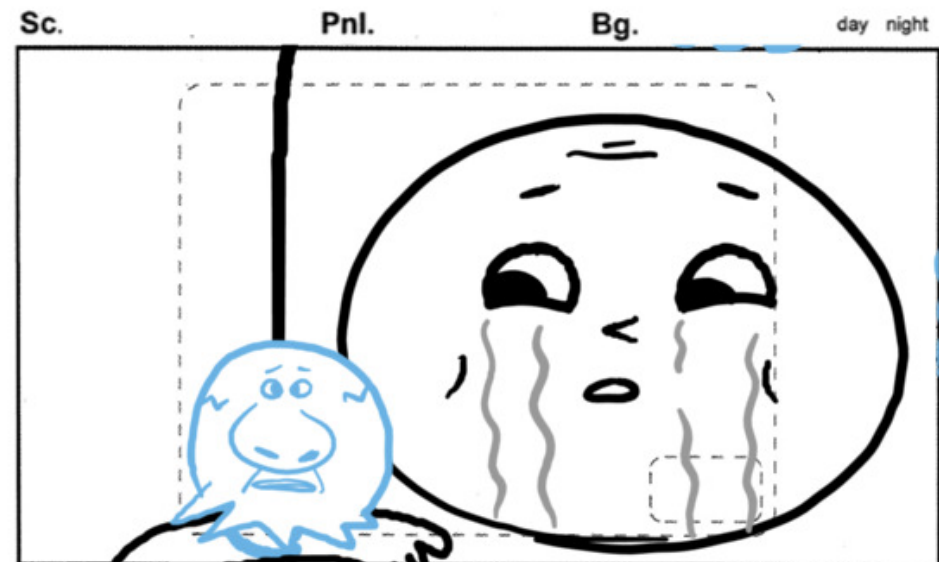

Dialog: Finn: I don't see how a jingling bell would cheer anybody up, but I'll give it a try <sob>

Action:

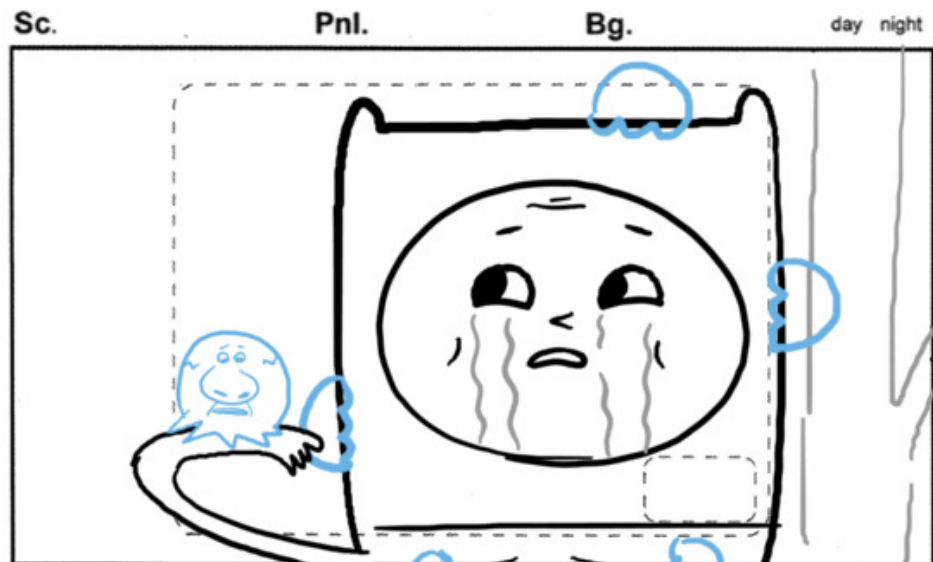

Dialog: Finn: jingle jingle

Action: Finn gives his arm a feeble shake.

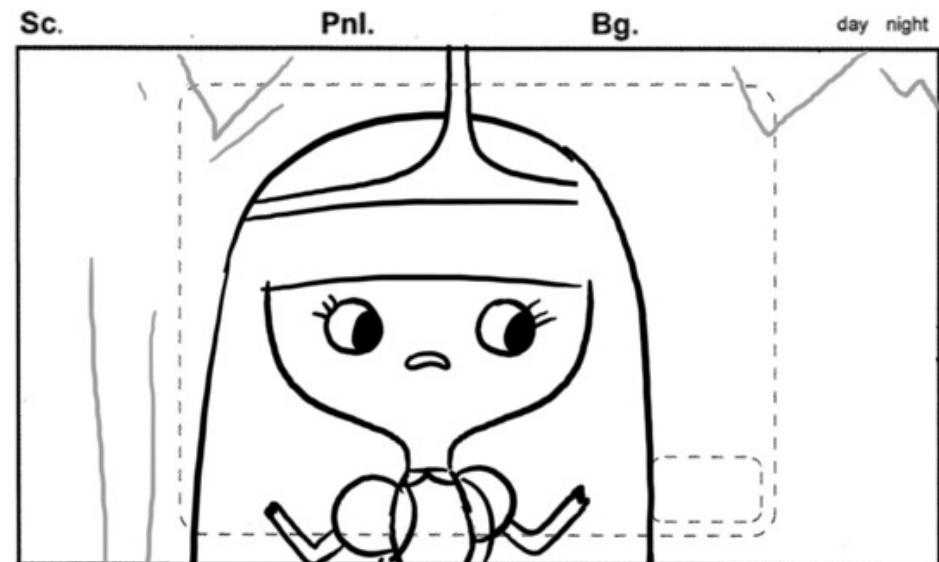

Dialog: Finn: Sorry, are you ok? I'm really sorry!<sob>  
Daddy-sad-head: <low sad moan>

Action:

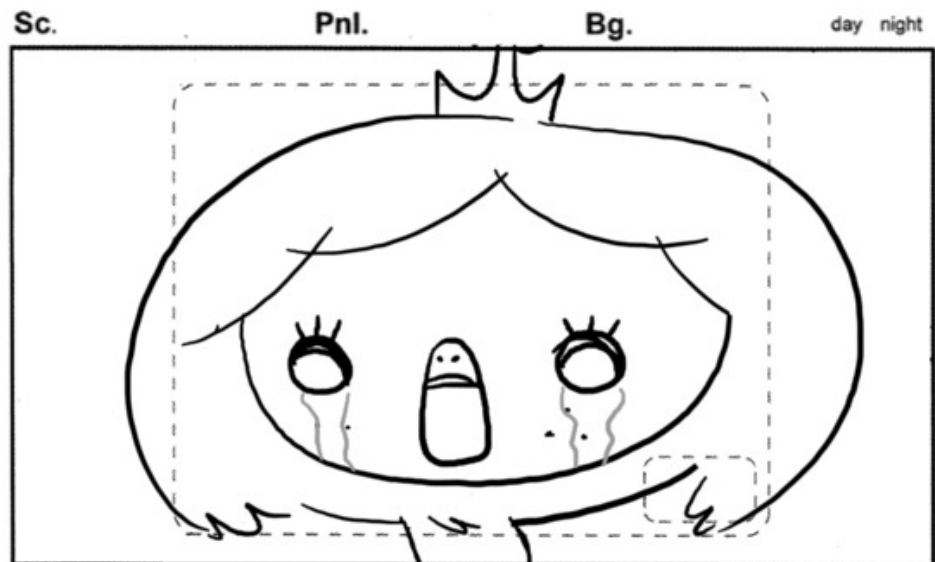

Dialog: Finn: Nope, didn't work, next plan? <sob>

Action:

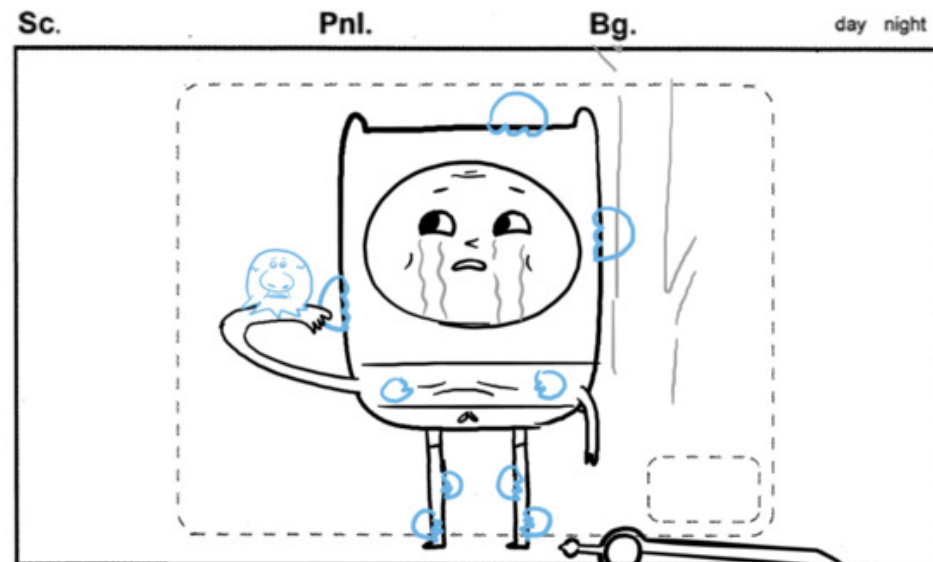

Dialog: PB: Why don't you try again with just a bit more effort?

Action:

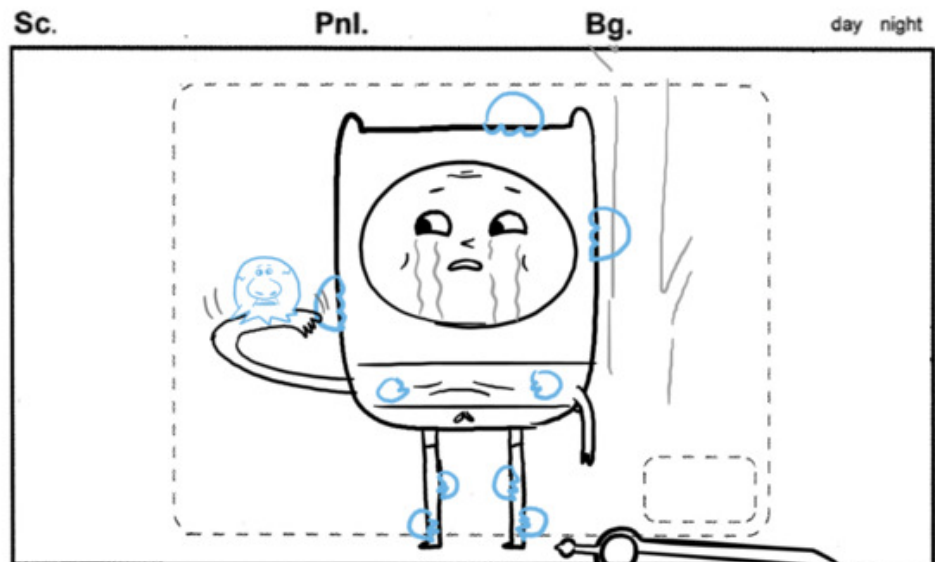

Dialog: PO: He's trying his best <sob>

Action:

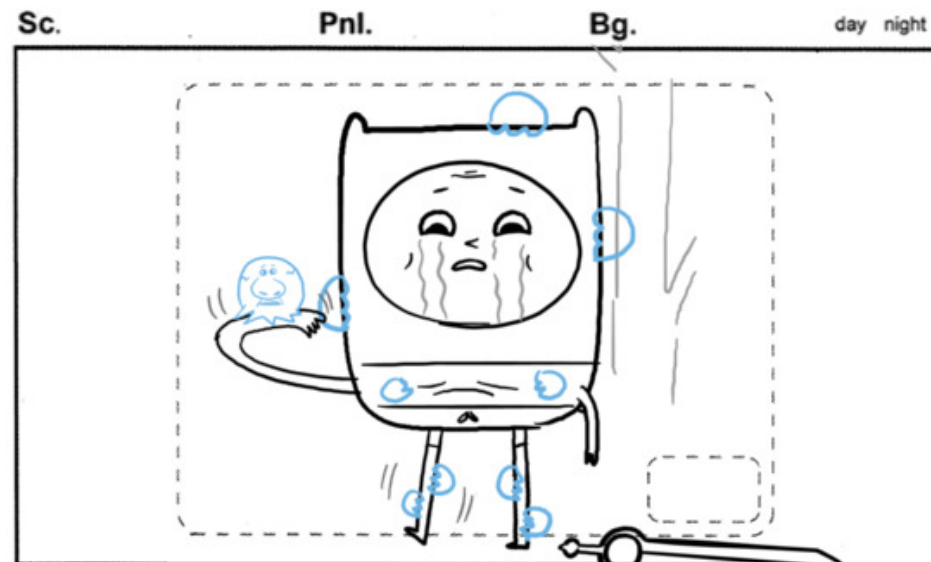

Dialog: Finn: Yeah, I'm trying my best, watch...

Action:

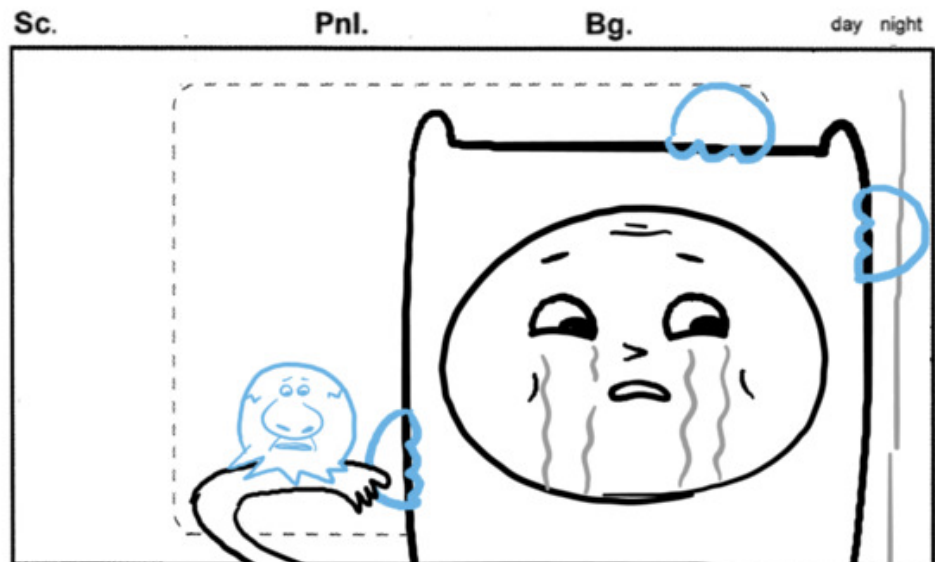

Dialog: Finn: jingle jingle

Action: Finn repeats his feeble arm shake...

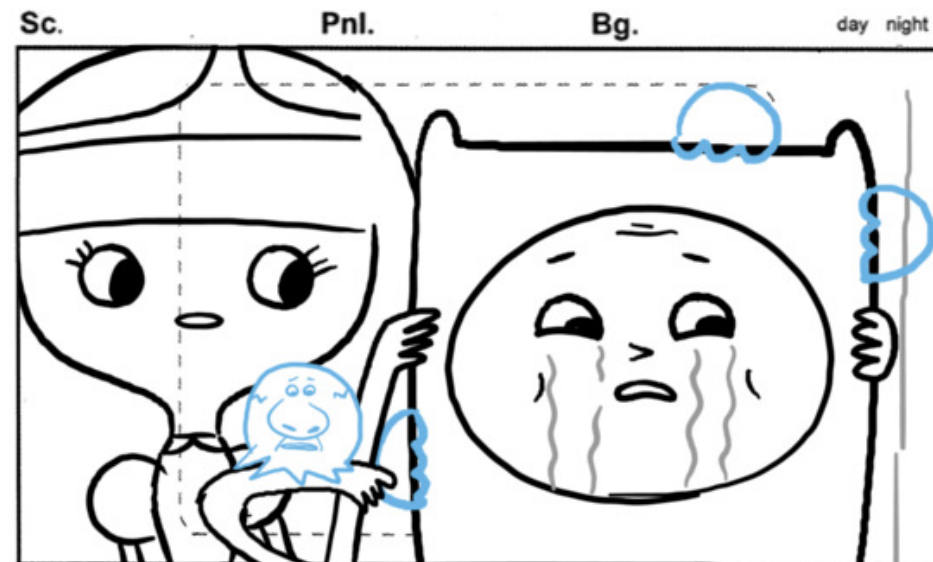

Dialog: Finn: jingle jingle jingle

Action: ...then gives one leg an equally feeble shake.

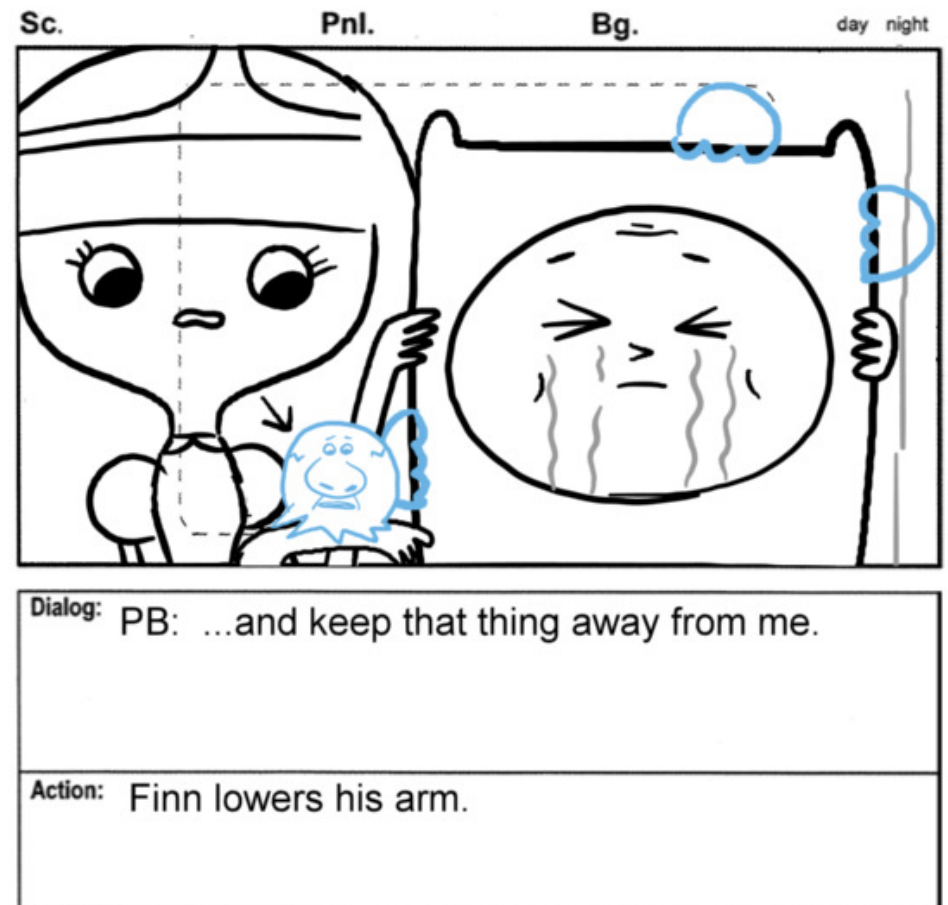

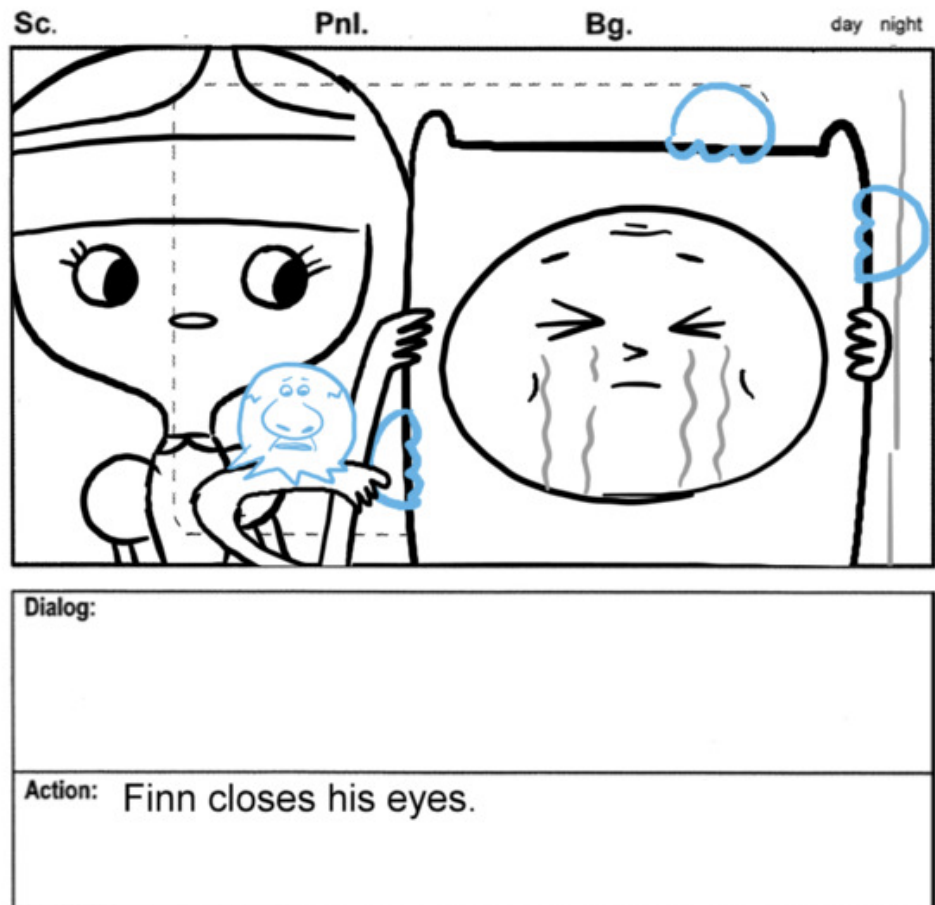

Dialog: Finn: See? Hopeless <sob>

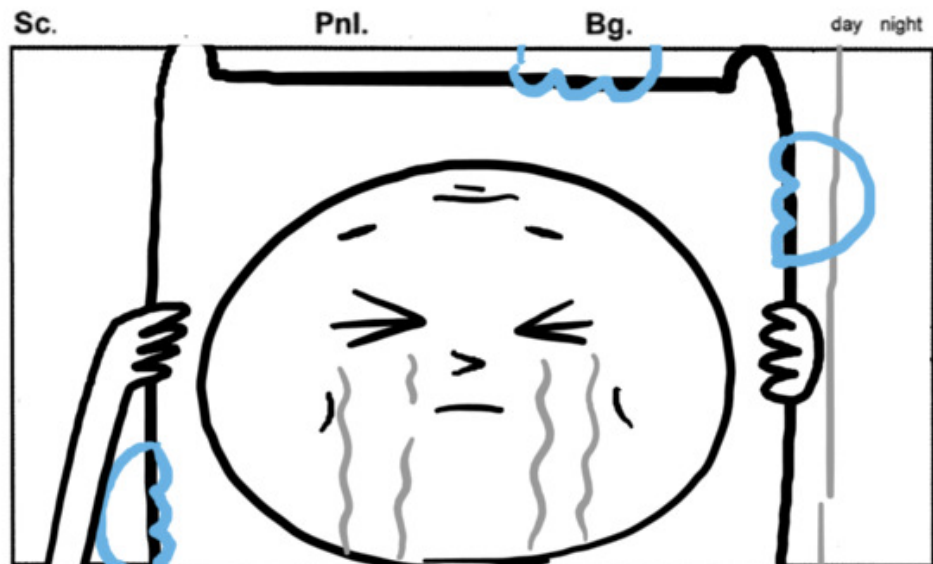

Action:

Dialog: PB: Ok, let's do this properly, shut your eyes...

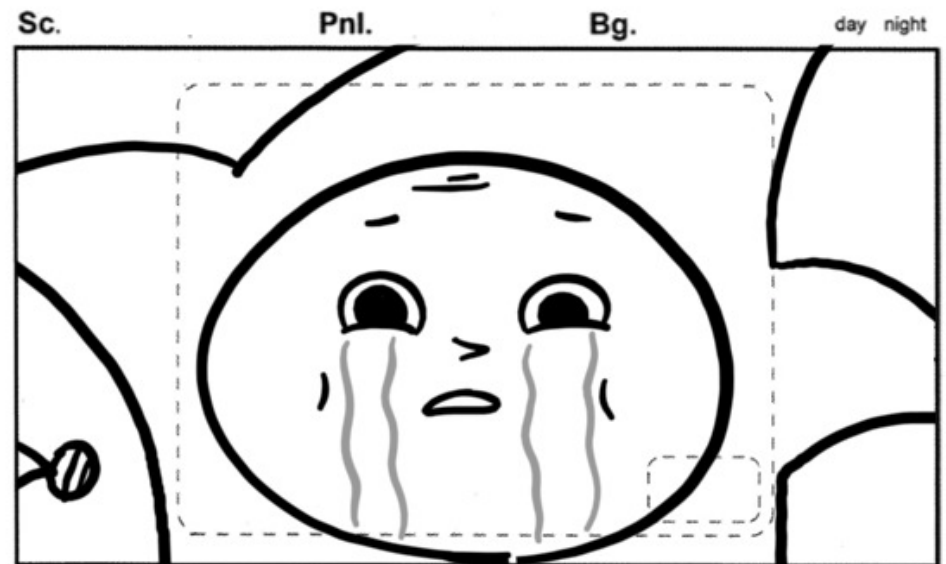

Action: PB suddenly appears behind him and places her hands on his head.

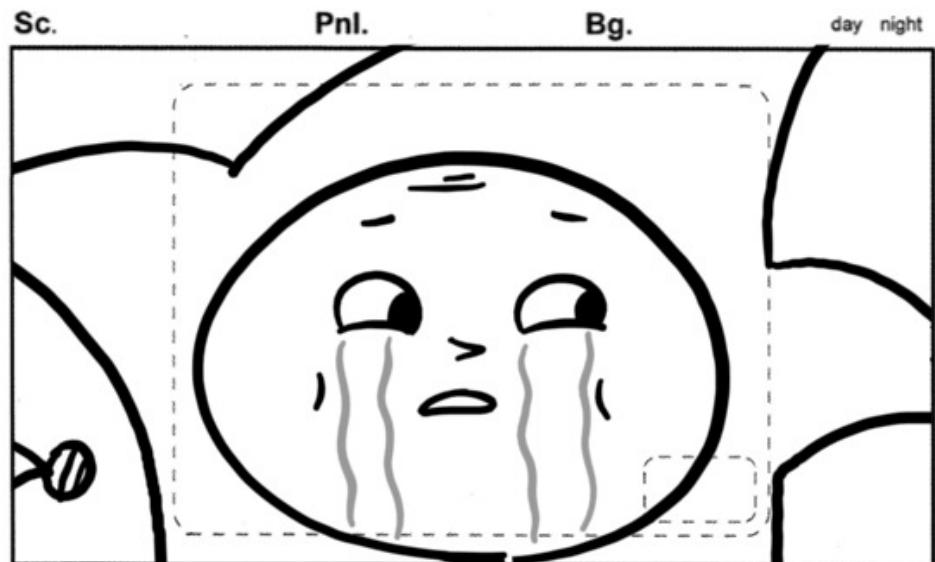

Dialog: PB (offscreen): OK, now when you open your eyes, you're going to be the court jester in the court of King Daddy-sad-head...

Action:

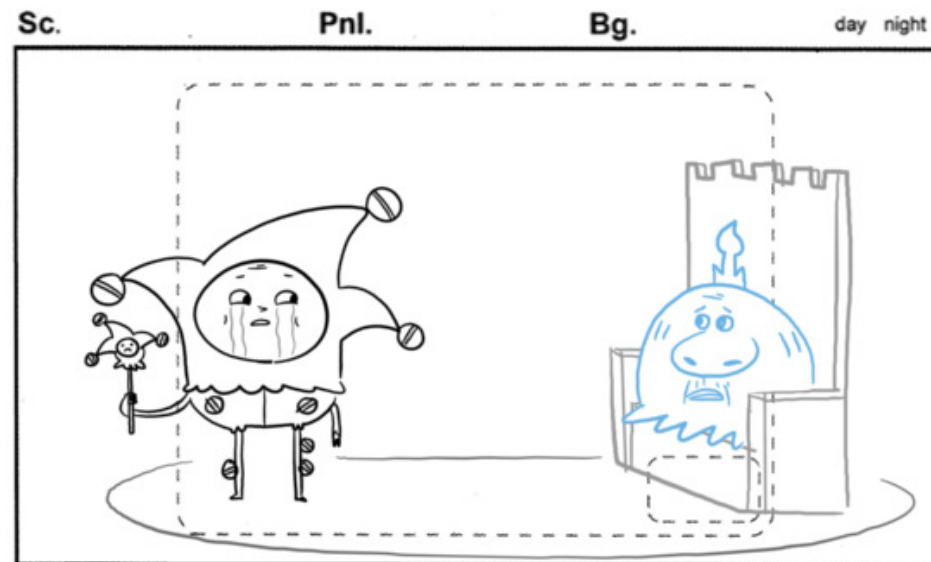

Dialog:

Action: Cut inside Finn's mind.

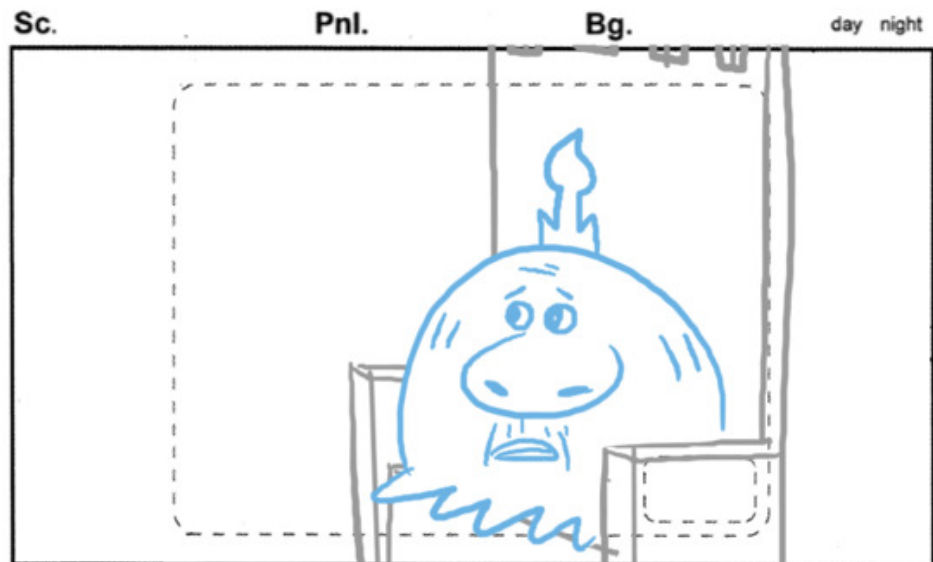

Dialog:

Action:

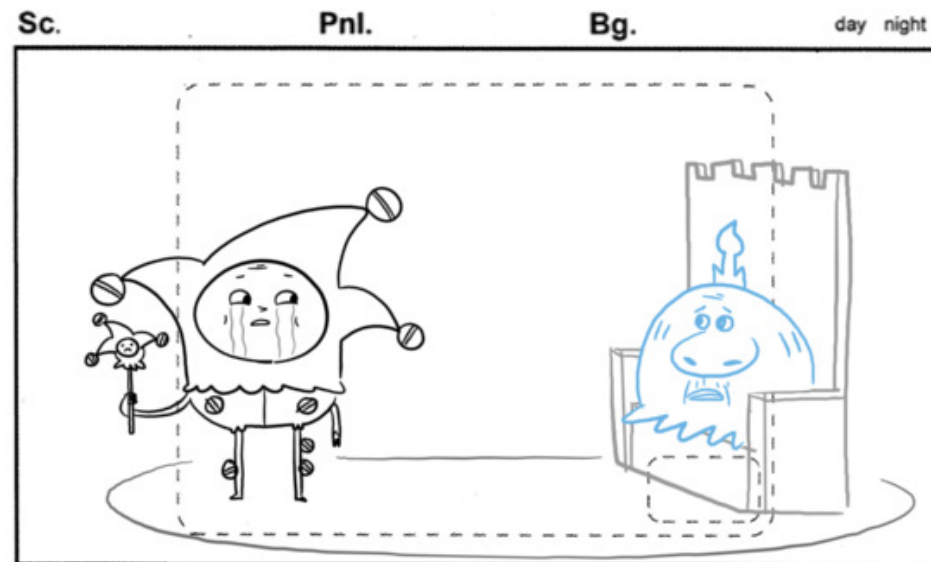

Dialog: PB (offscreen): ...and he's really sad...

Action: Cut out to reveal Finn dressed as a jester in the court of a King Daddy-sad-head. The BG is dark, with a circle of light on the floor.

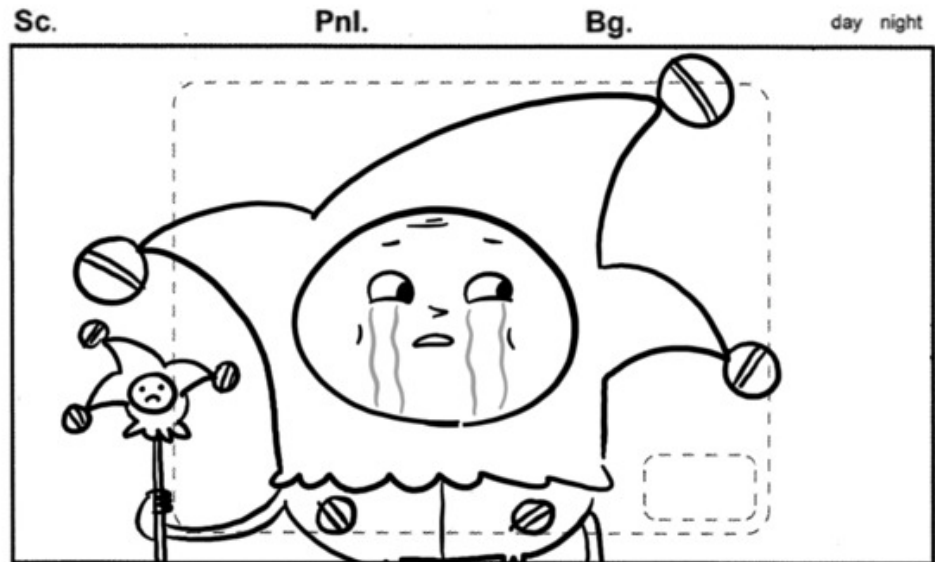

Dialog: PB (offscreen): ...which makes everyone in the land sad.  
King: <low sad moan>

Action:

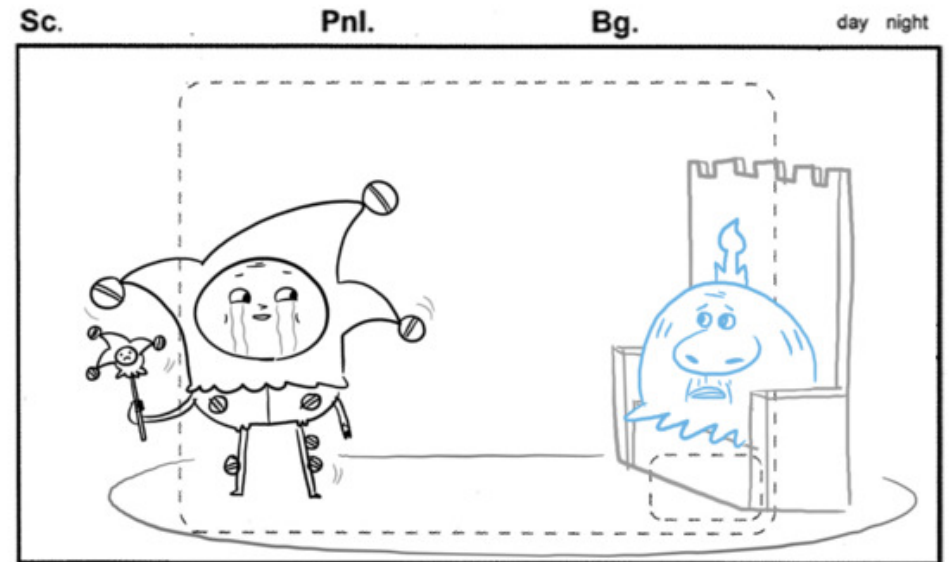

Dialog: PB (offscreen): So he needs you to do a dance in your funny jingle suit to cheer him up, ok?

Action:

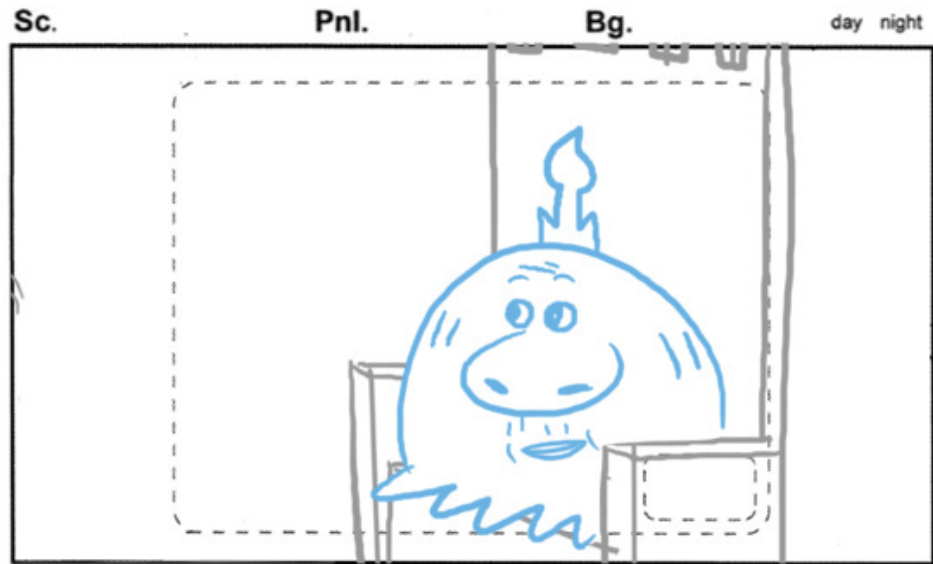

Dialog: Finn: <sob> Um, ok <sob>

Action:

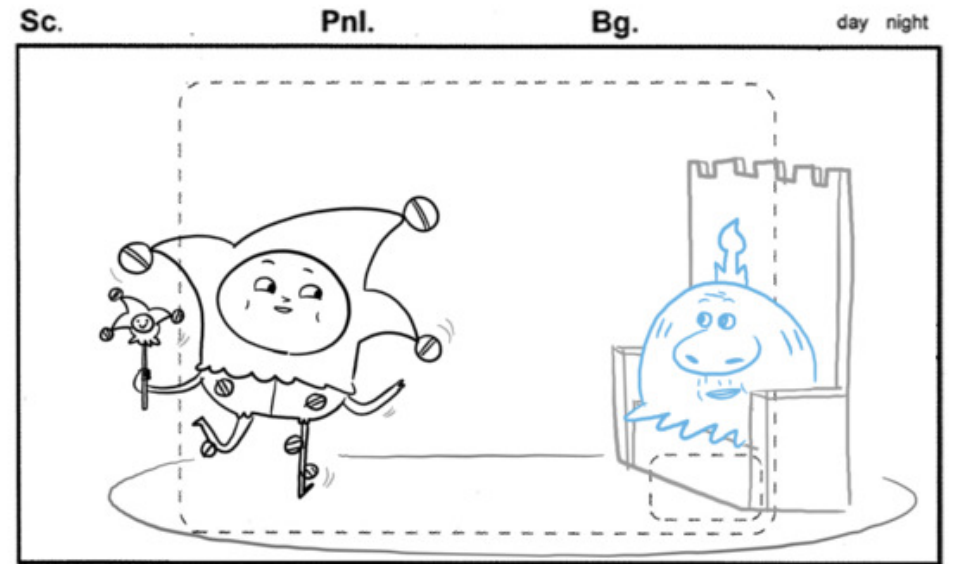

Dialog:

Action: Finn begins to jiggle, jingling the bells on his costume.

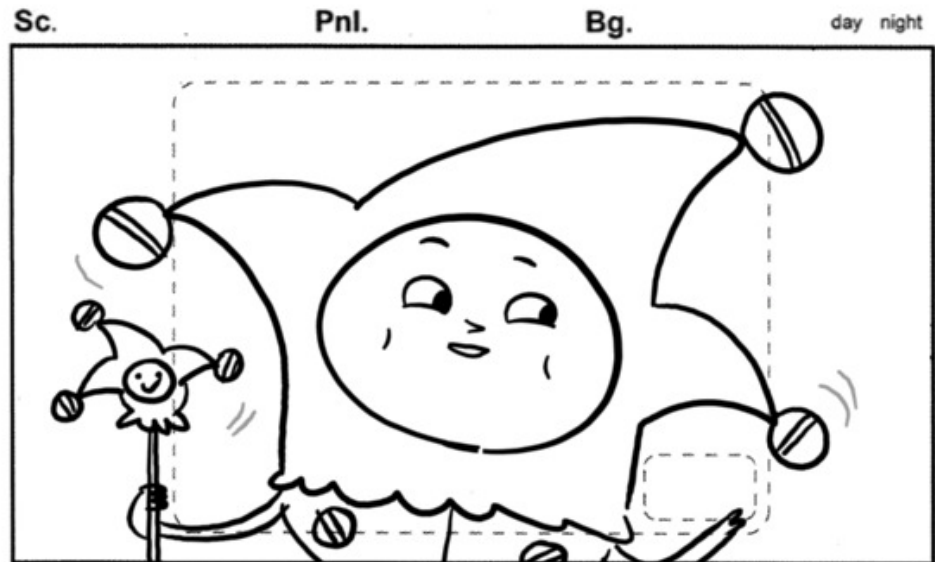

Dialog:

Action: The King cracks a smile.

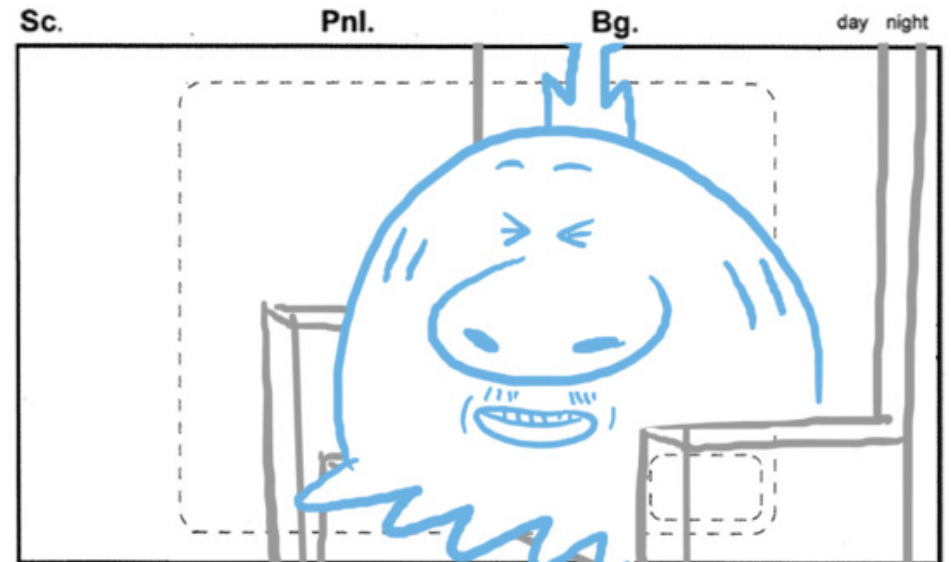

Dialog:

Action: Finn dances more enthusiastically,

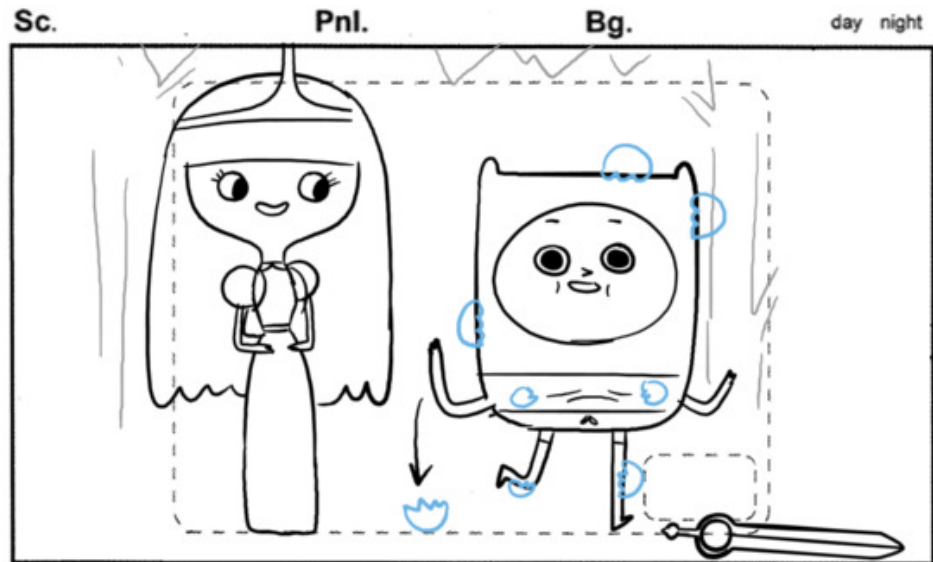

Dialog: Finn: I think it's working! <sniff>

Action:

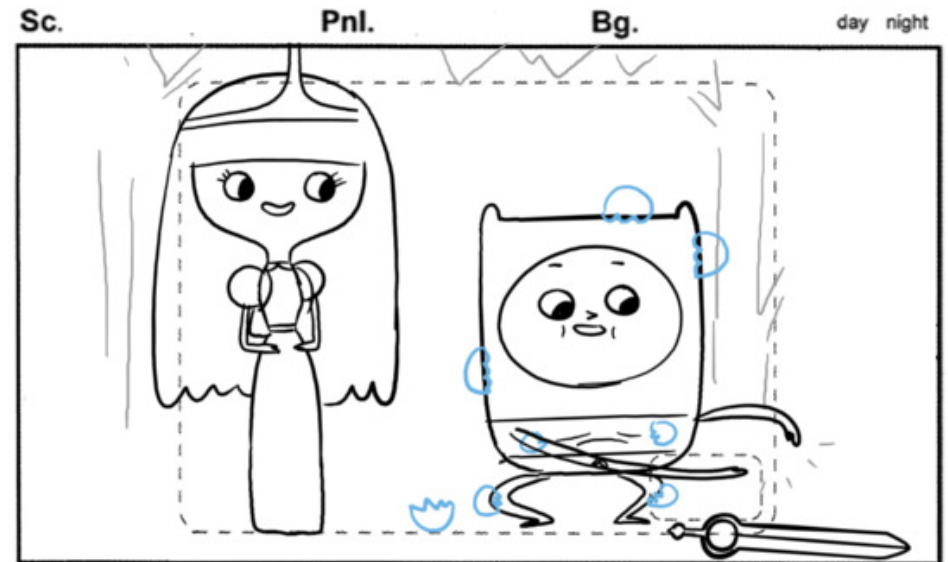

Dialog: King: Haw haw haw!

Action: The King begins to laugh.

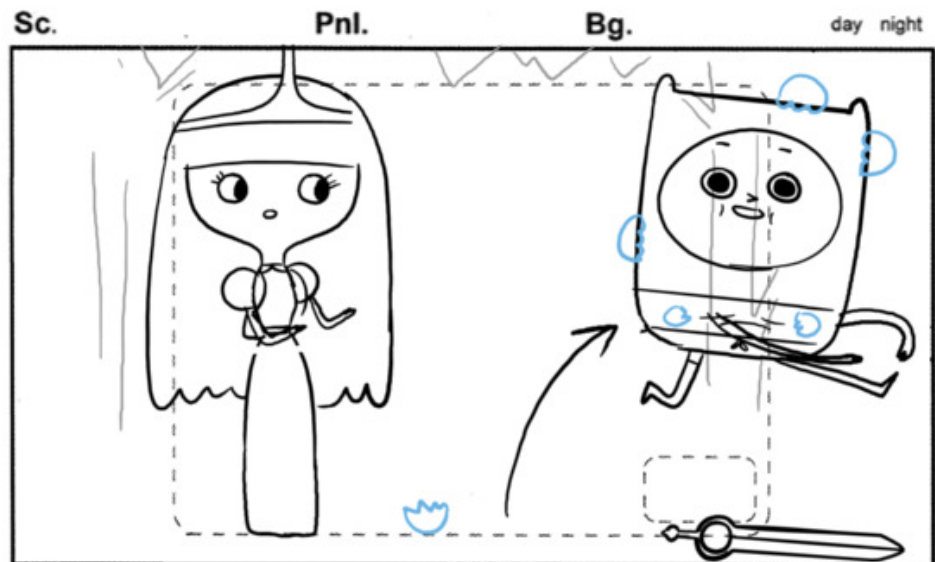

Dialog: PB: That's great Finn, keep it up!

Action: Cut to the real world. One of the dadd-sad-heads drops off.

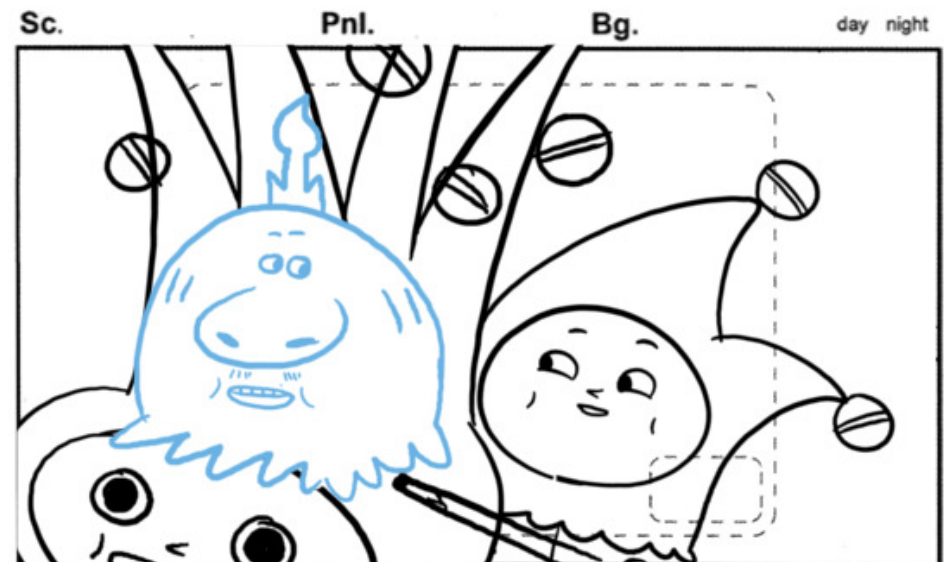

Dialog: Finn: Come with me your majesty!

Action: Finn squats and mimes picking up the imaginary King.

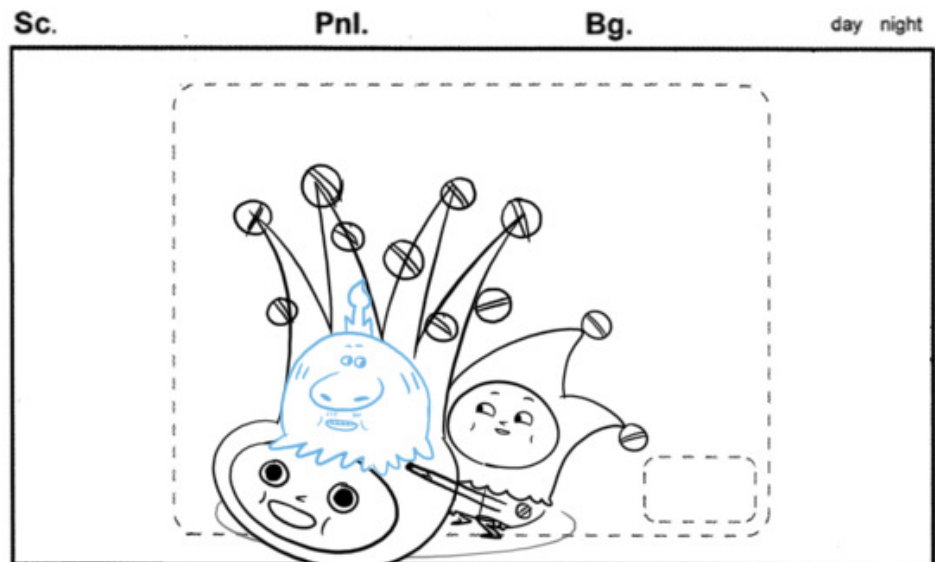

Dialog: PB: Oh, where are you going?  
Finn: hup!

Action: Then leaps off screen.

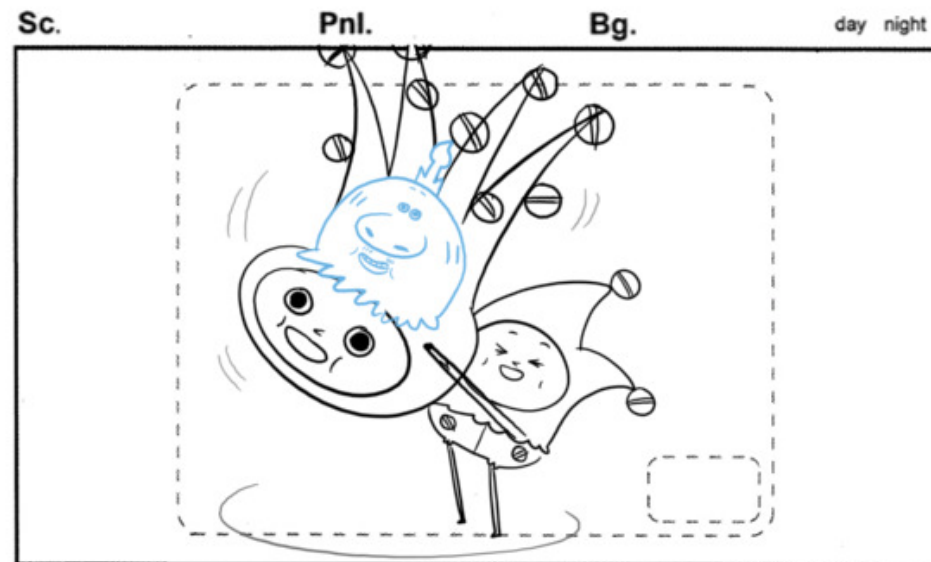

Dialog: Finn: How do you like your new jingling jester chair!

Action: Cut back to his imagination.

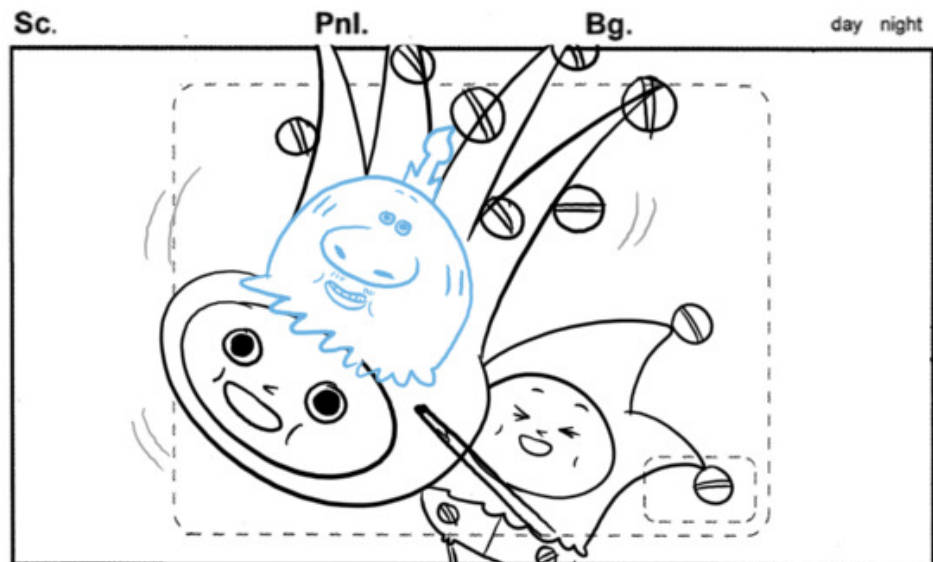

Dialog:

Action: Cut out to reveal weird jester chair.

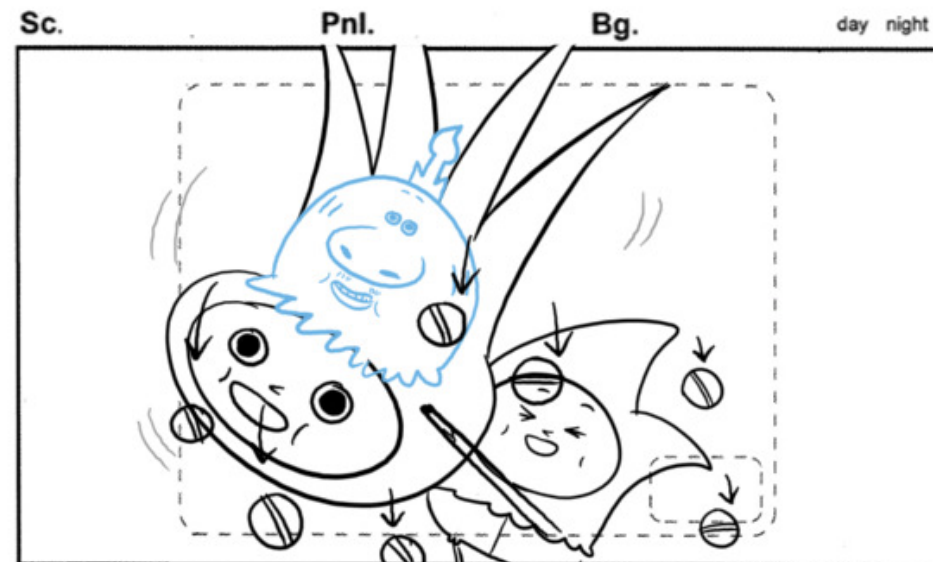

Dialog: Finn: Ha ha!  
King: Haw haw!

Action: He lifts it above his head and shakes it vigorously.

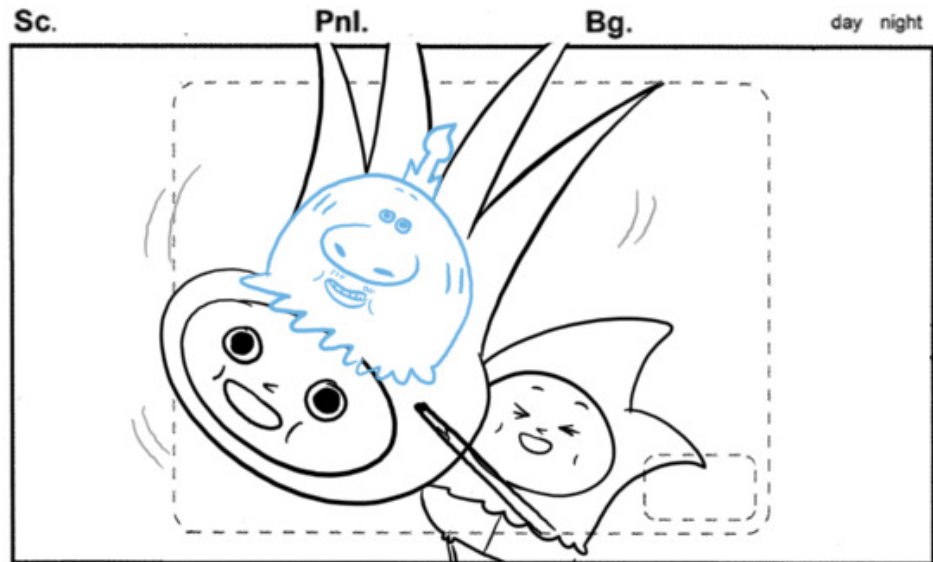

Dialog: Finn: Ha ha!  
King: Haw haw!

Action: Cut in closer.

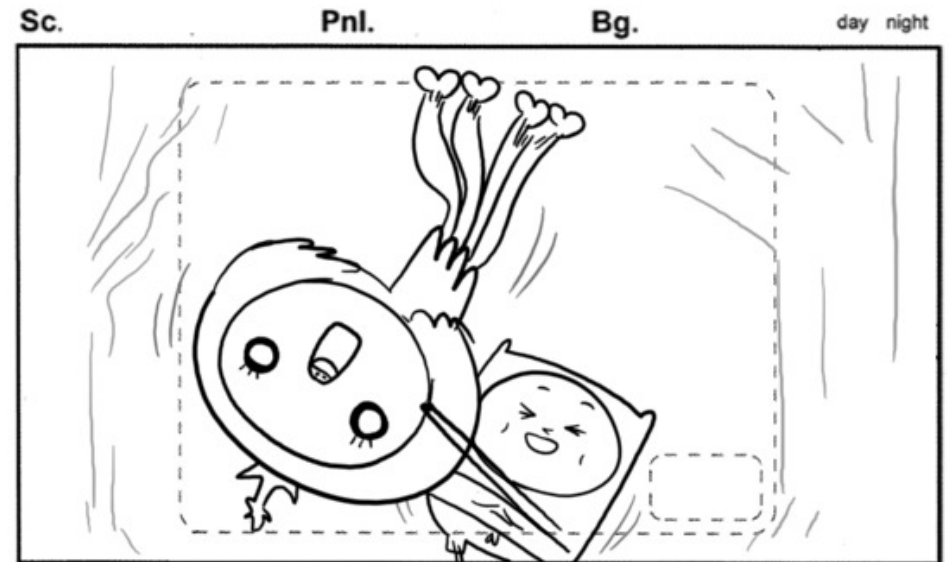

Dialog: Finn: Ha ha!  
King: Haw haw!

Action: The bells begin to drop off...

Dialog: Finn: Ha ha!  
King: Haw haw!

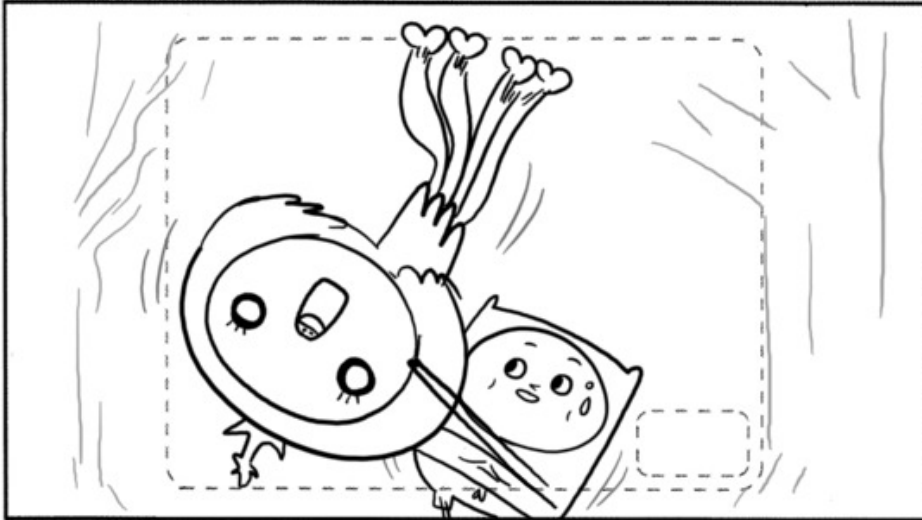

Action: ...until there are none left.

Dialog: Finn: Ha ha!  
PO: Tee hee!

Action: Cut back to the real world, where Finn is actually lifting PO.

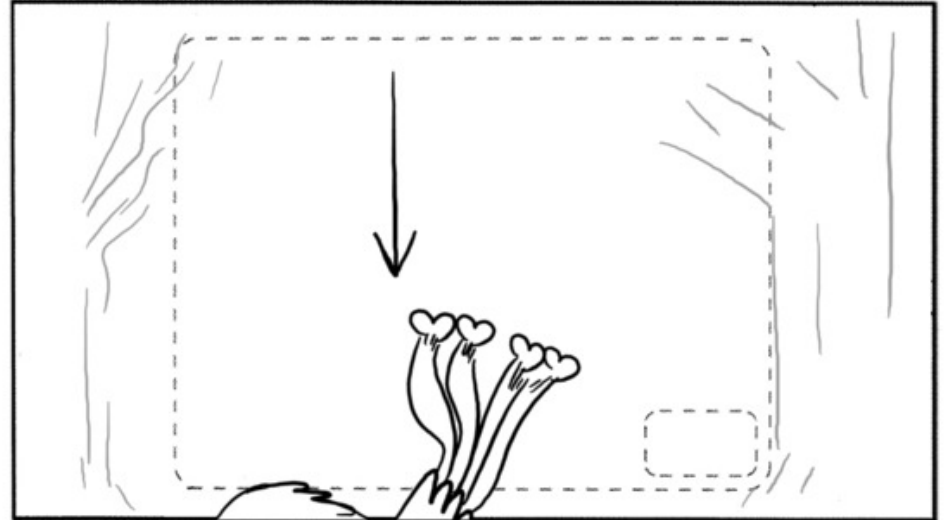

Sc. Pnl. Bg. day night

Dialog: Finn: oh!

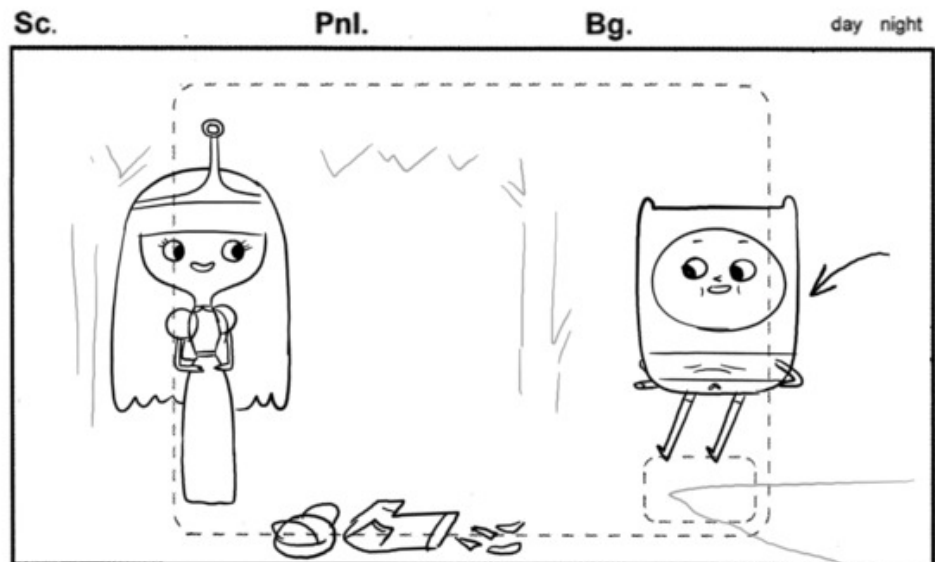

Action: Finn opens his eyes and realises...

Sc. Pnl. Bg. day night

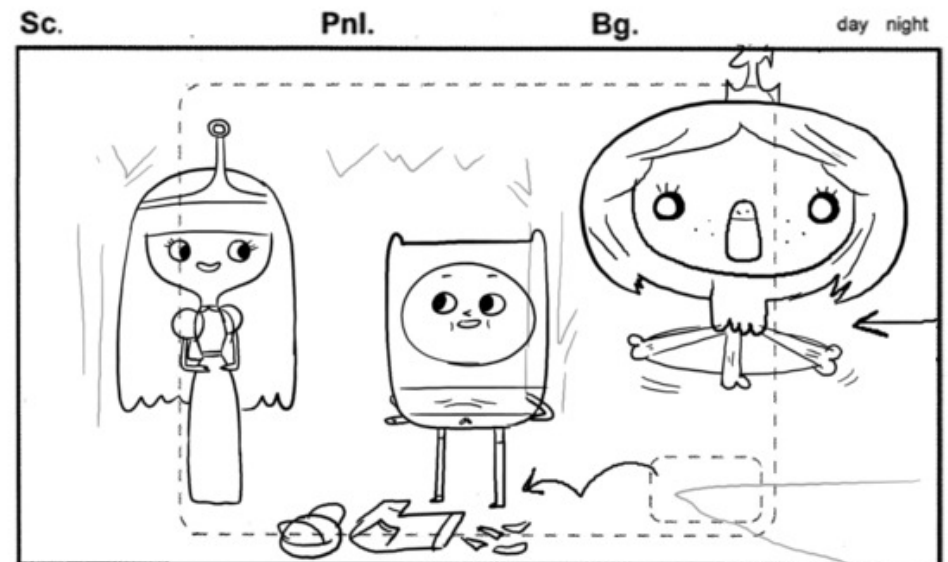

Dialog: Finn: <crumpled grunt>

Action: ...before crumpling under her weight.

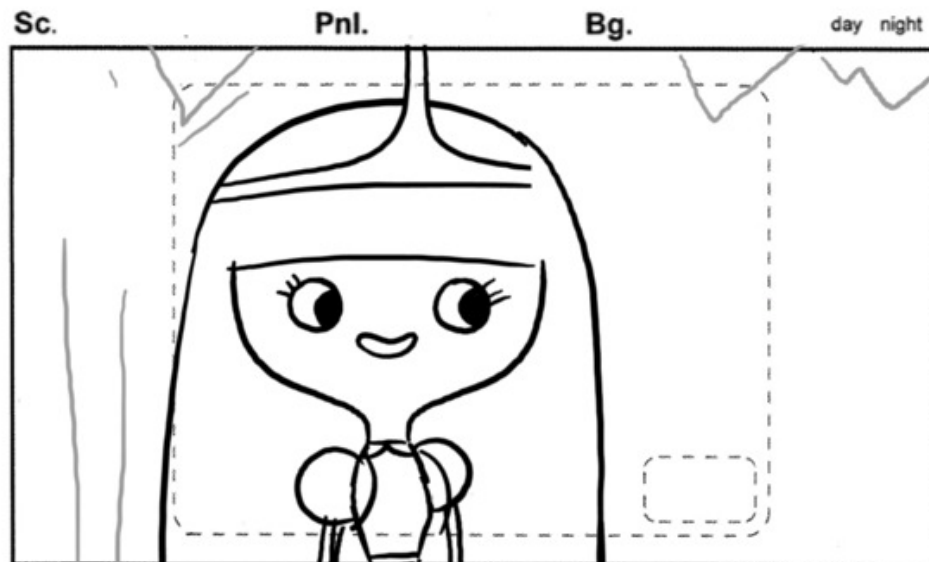

Dialog:

Action: Finn leaps onscreen, over the moat.

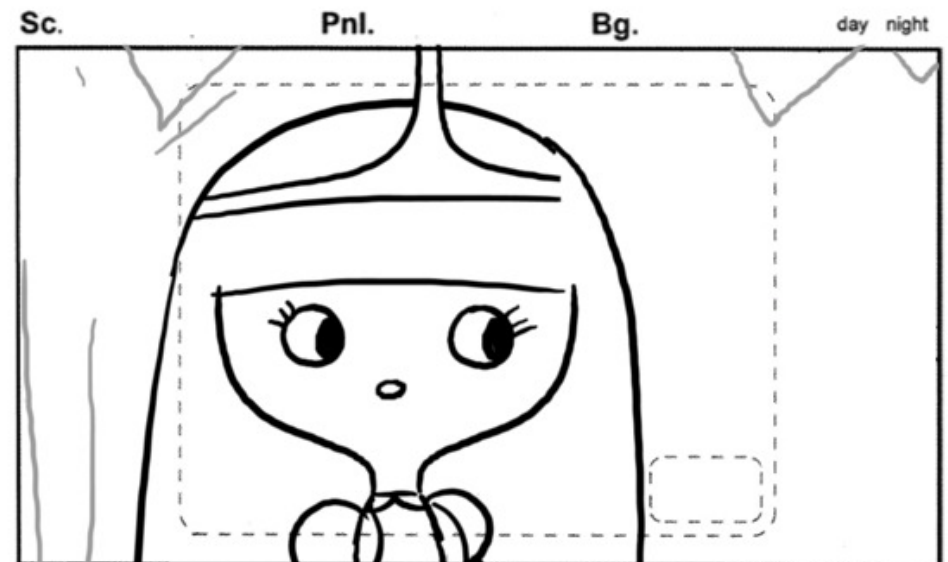

Dialog: Finn: That visualisation technique worked a treat!

Action: PO flies into shot.

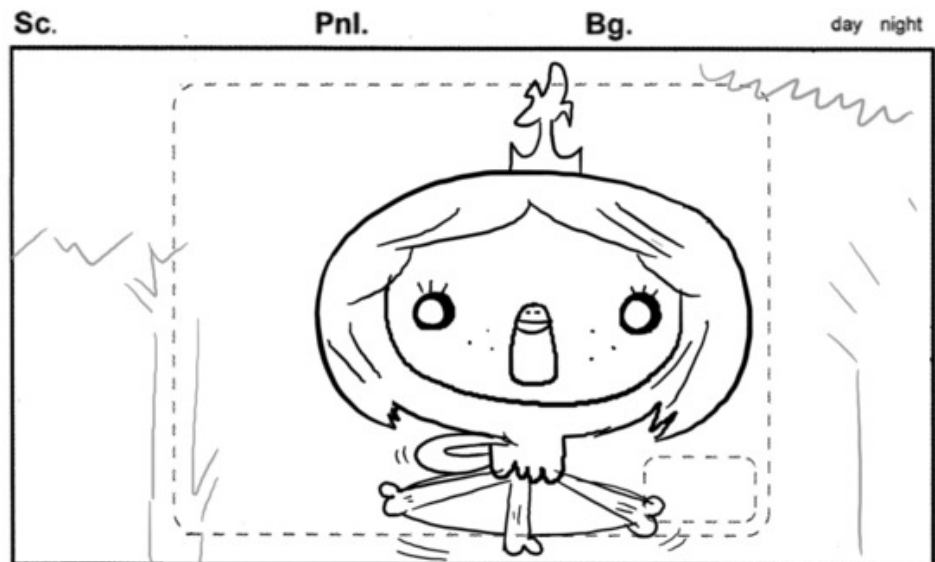

Dialog: PB: Glad I could be of service...

Action:

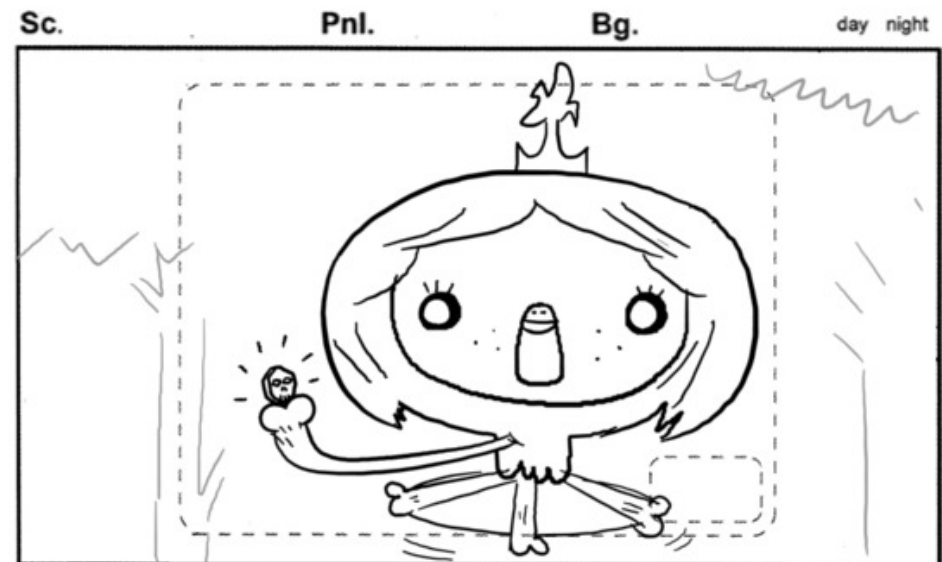

Dialog: PB: ...although you seemed to slip into a full hypnotic state really quickly, which is worrying...

Action:

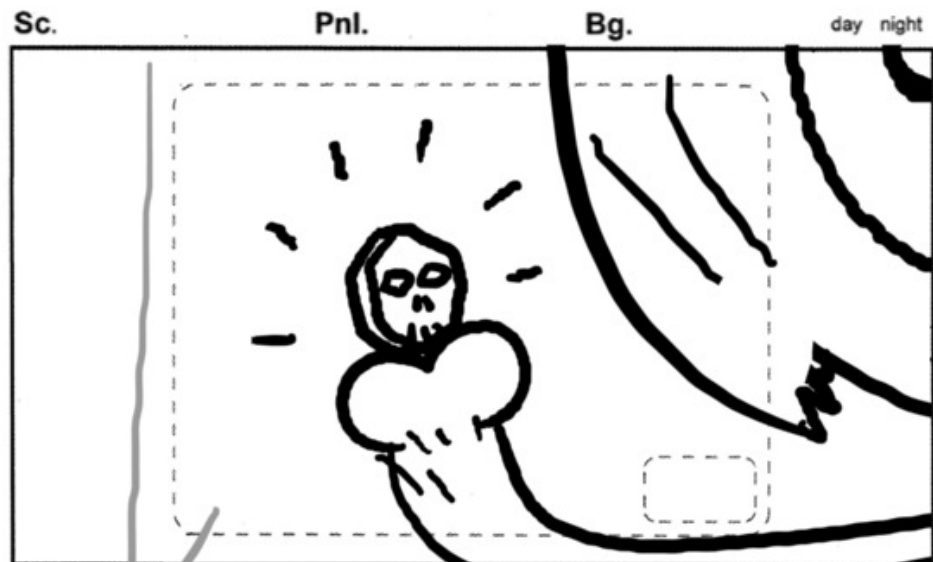

Dialog: PO: Finn, as a token of my gratitude please accept this reward...

Action: PO interrupts.

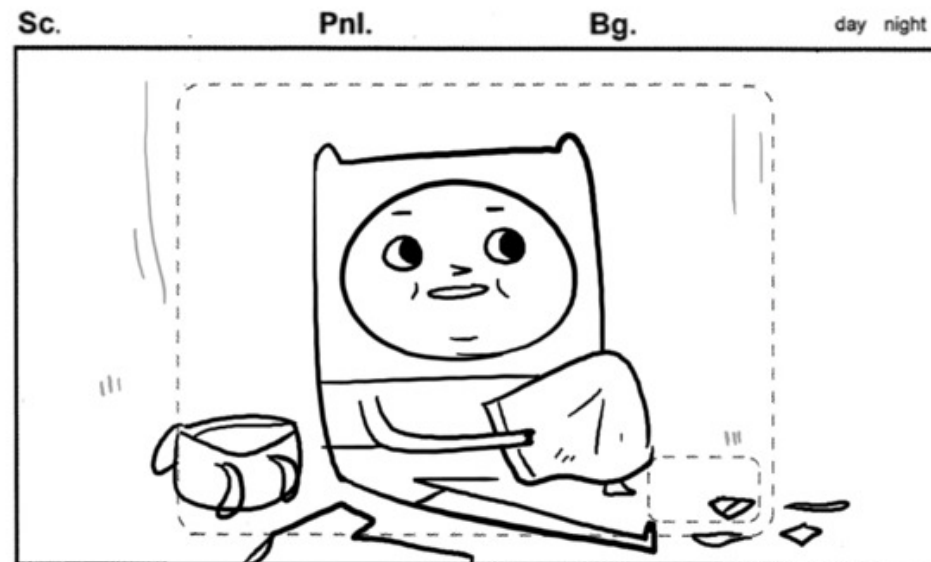

Dialog:

Action: PO reveals a magic coin.

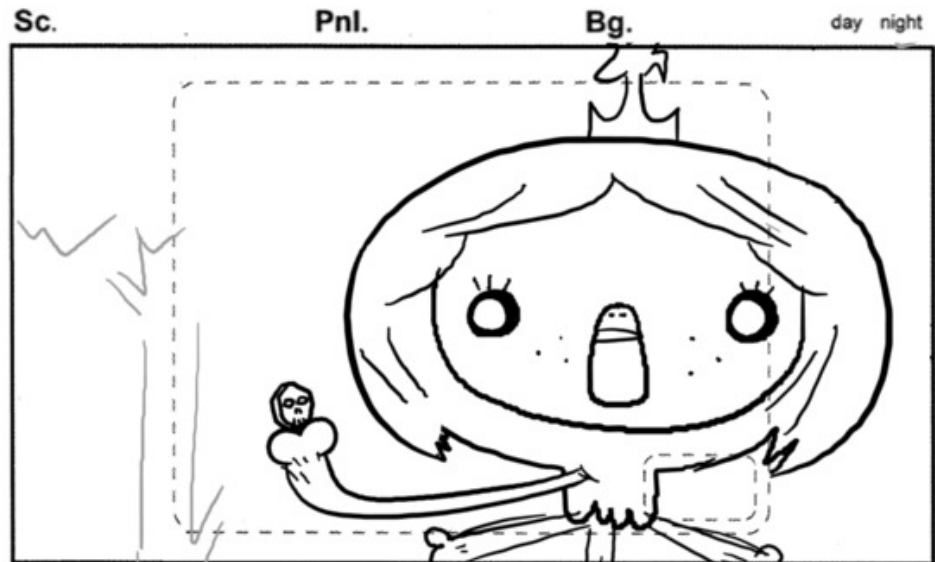

Dialog: PO: ...it's a magic coin that can turn into any value of any currency you want!

Action: C/U on coin.

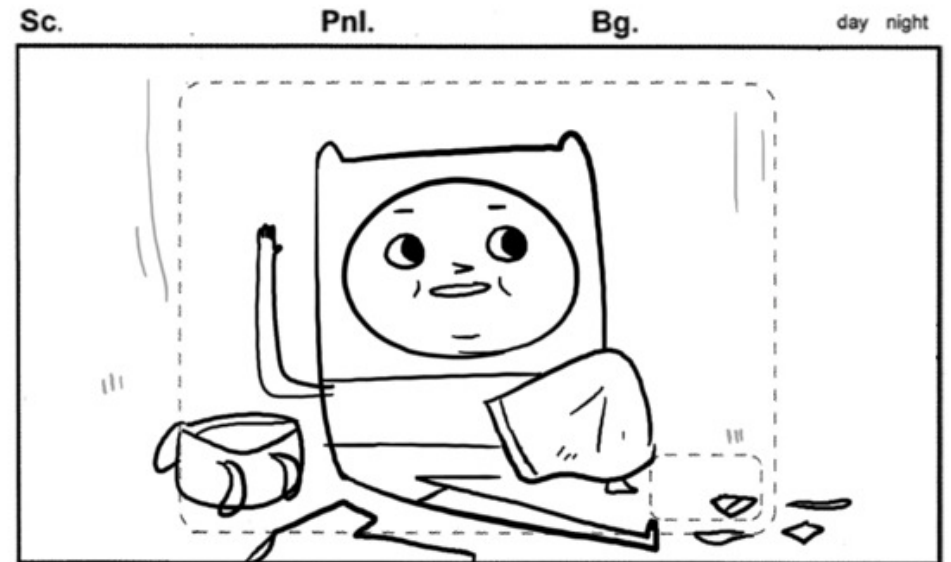

Dialog: Finn: Oh cool! Will it work in the lockers at the waterpark?

Action: Finn is drying his leg with his swimming towel.

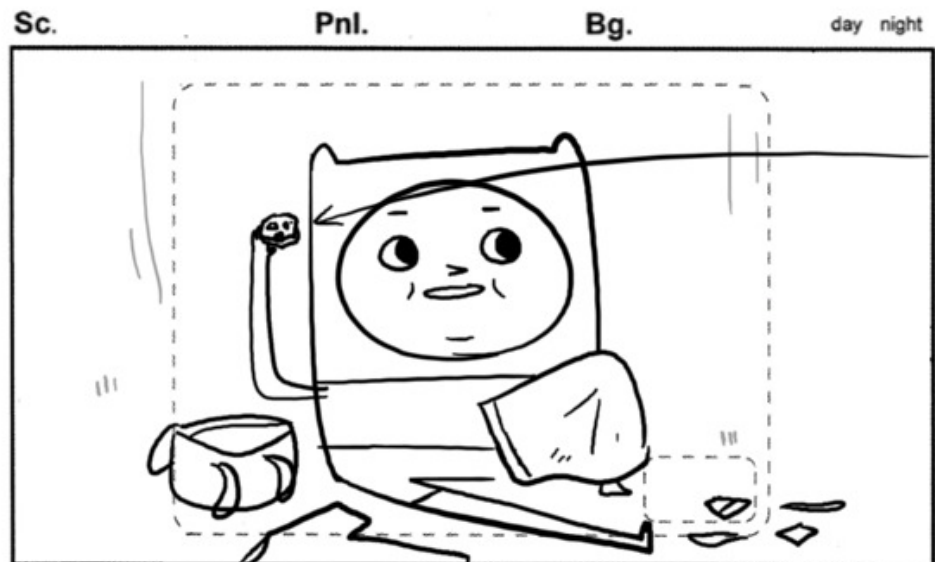

Dialog: PO: Um, yeah, I suppose so, but...

Action:

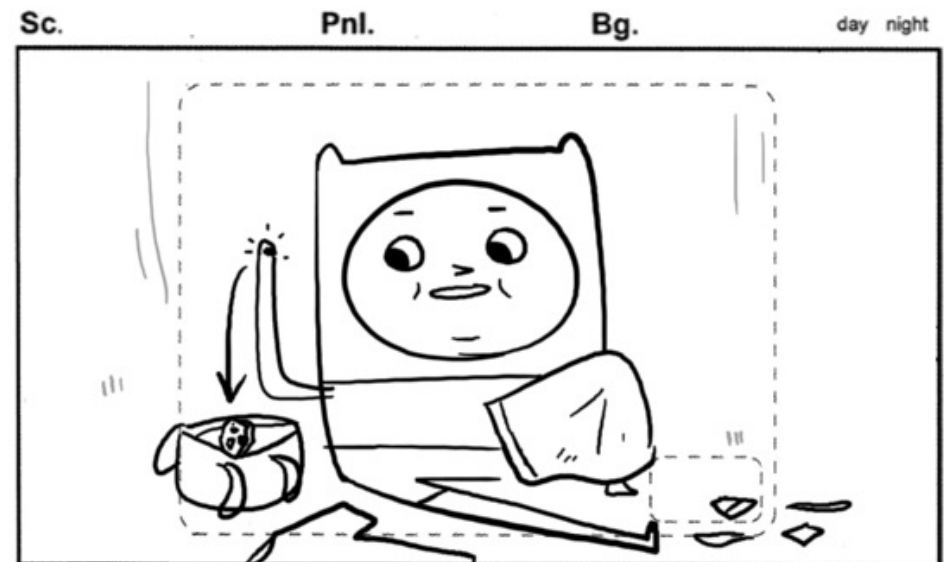

Dialog: Finn: Nice one! Chuck it over!

Action: Finn raises his hand to invite a throw.

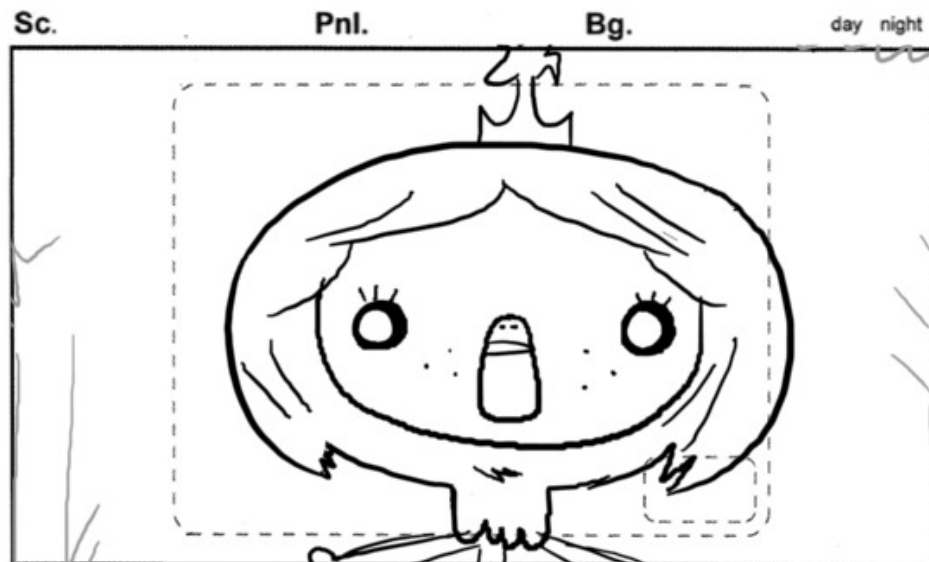

Dialog:

Action: The coin sails in but he fumbles the catch...

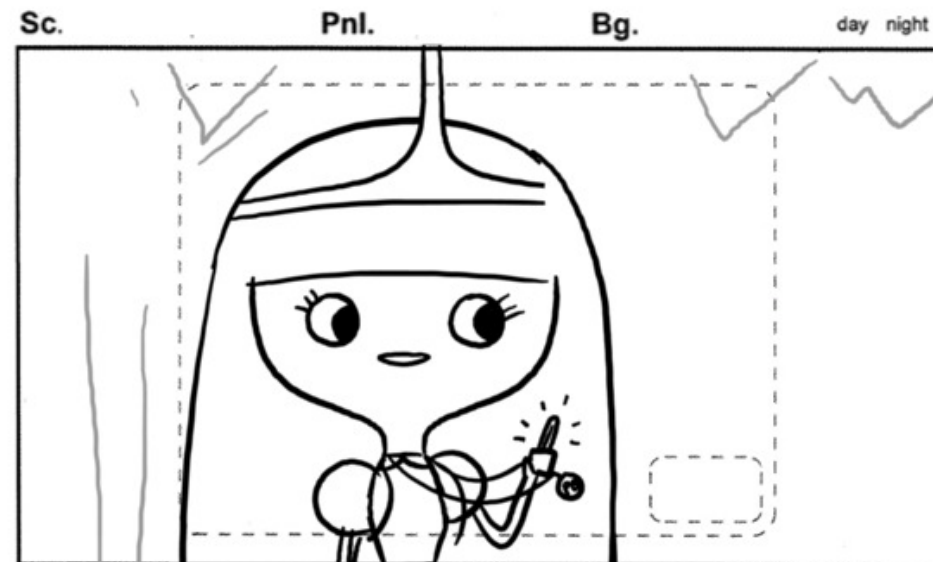

Dialog: Finn: oops

Action: ...and the coin lands in his bag.

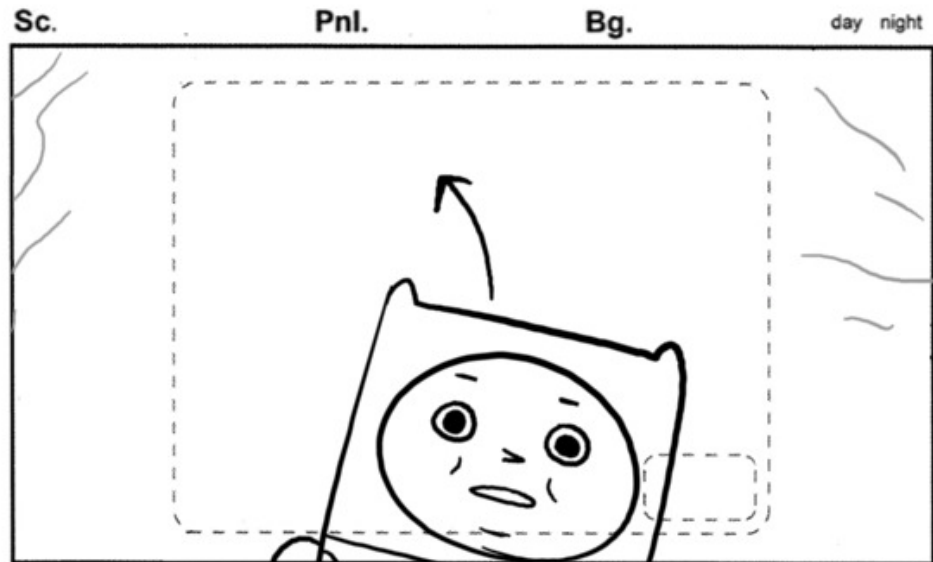

Dialog: PO: Sorry Princess Bubblegum, I only had one.

Action:

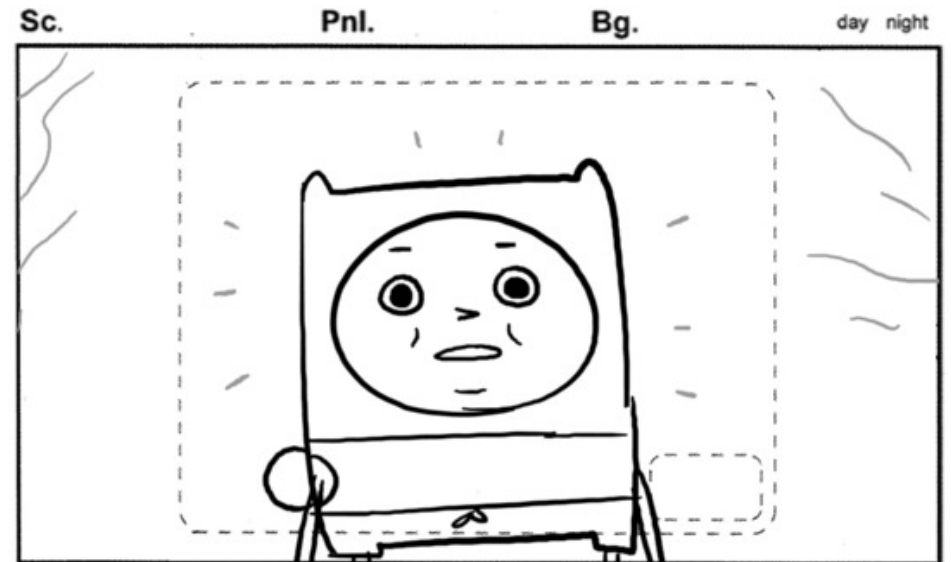

Dialog: PB: Don't worry, I have my own personal locker there because I teach swimming lessons...

Action: PB reveals her personal locker key.

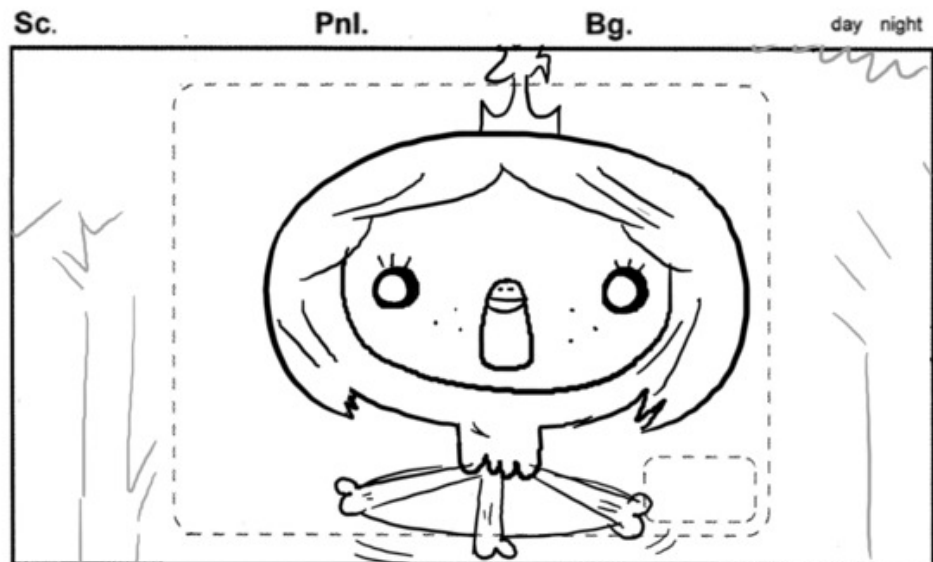

Dialog: Finn: Oh wait!

Action: Finn interrupts.

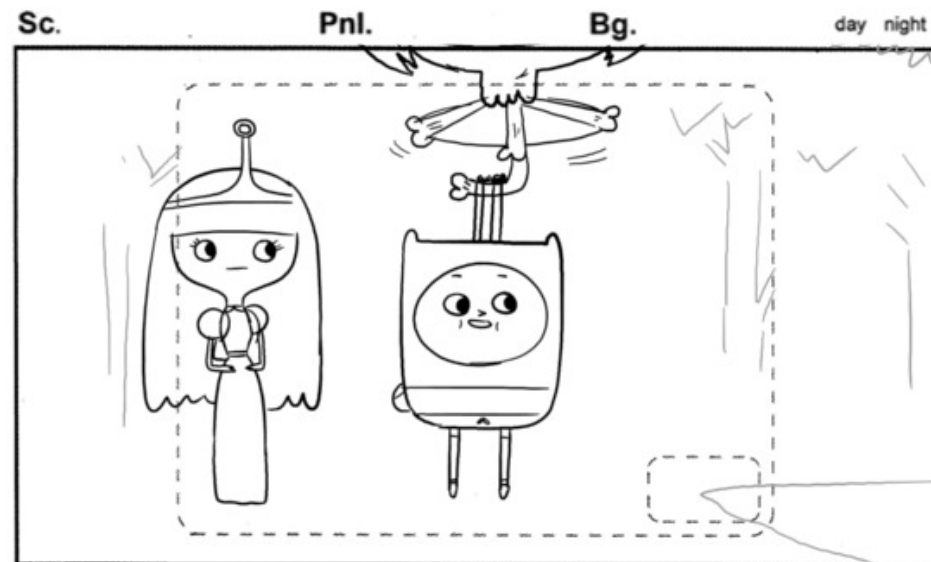

Dialog: Finn: Jake's been waiting for ages, what if he gives up on me and goes home!

Action:

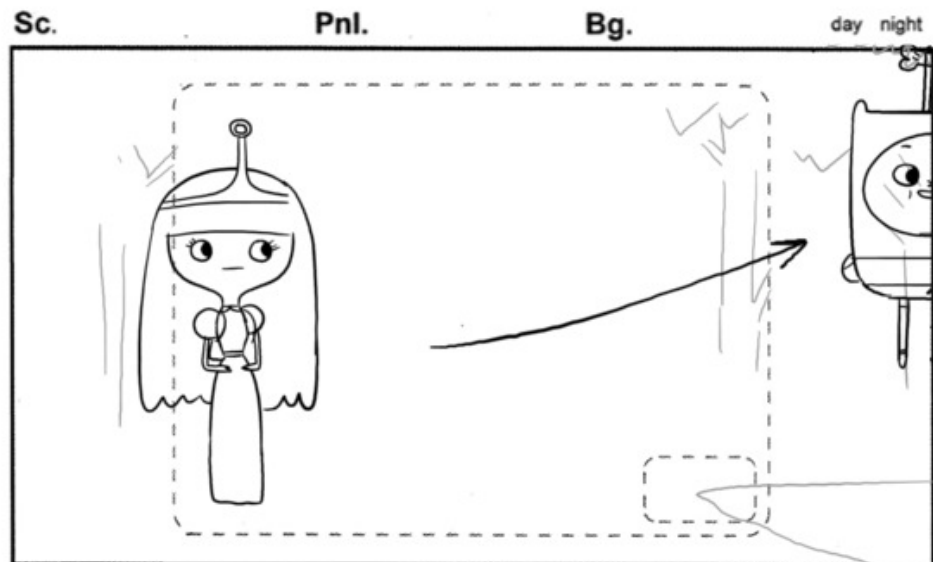

Dialog: PO: I can give you a lift if you're not afraid of flying!

Action:

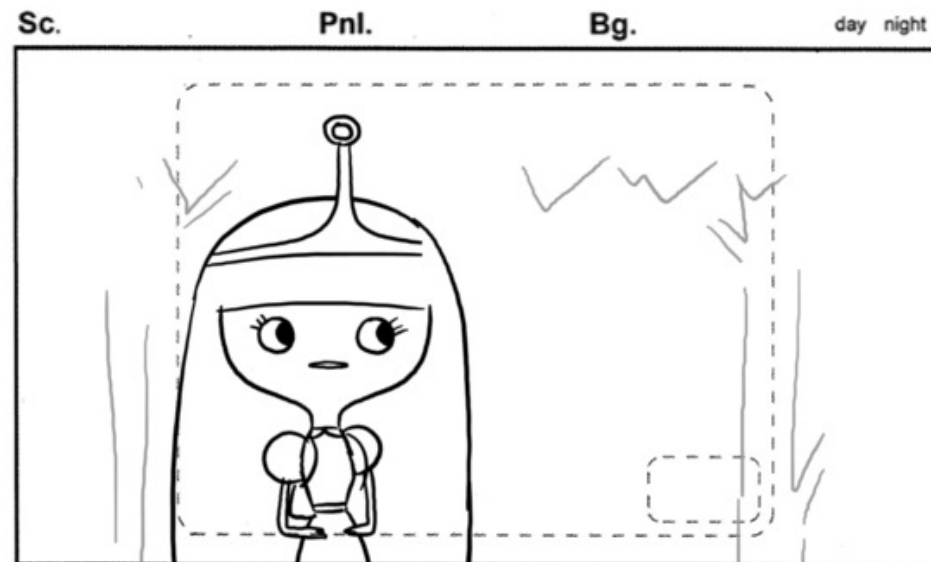

Dialog: Finn: Here I come Jake!

Action:

Dialog: Finn: Don't give up on me and go  
hooooooooooooome!

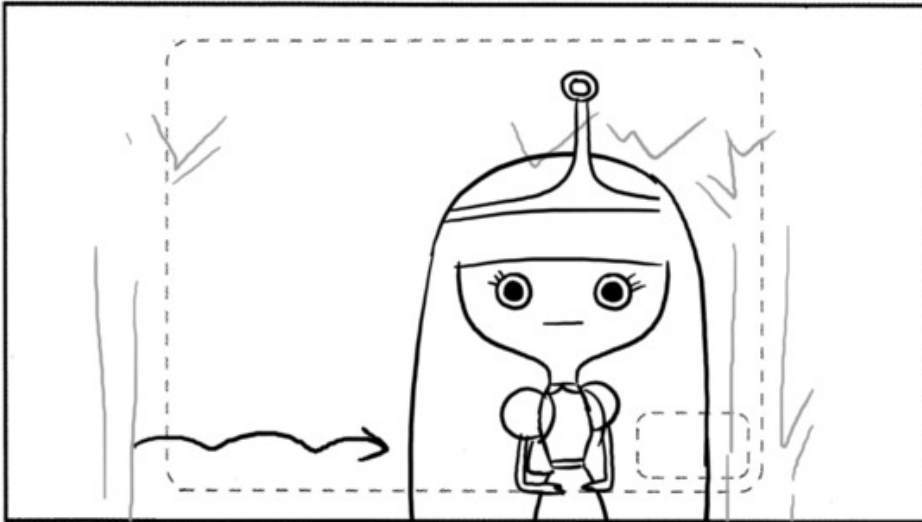

Action: PO carries Finn skyward.

Dialog: PB: I mean, don't worry about me guys, I'm  
happy to walk.

Action:

Dialog:  
 Finn: Yeah, but this way only one of us has

Action:  
Ice King: I didn't dp anything, one minute I was on my way down and the next I'm back up here!

Ice King: ...its too dark to see, but there must be a...trampoline or something stuck in the tunnel, bouncing me back up!

Action:

Dialog:  
 Lifeguard: Very funny sir, but I think I would have noticed someone bringing a trampoline into the slide. This is your last chance to slide down properly, ok? There are other people waiting.

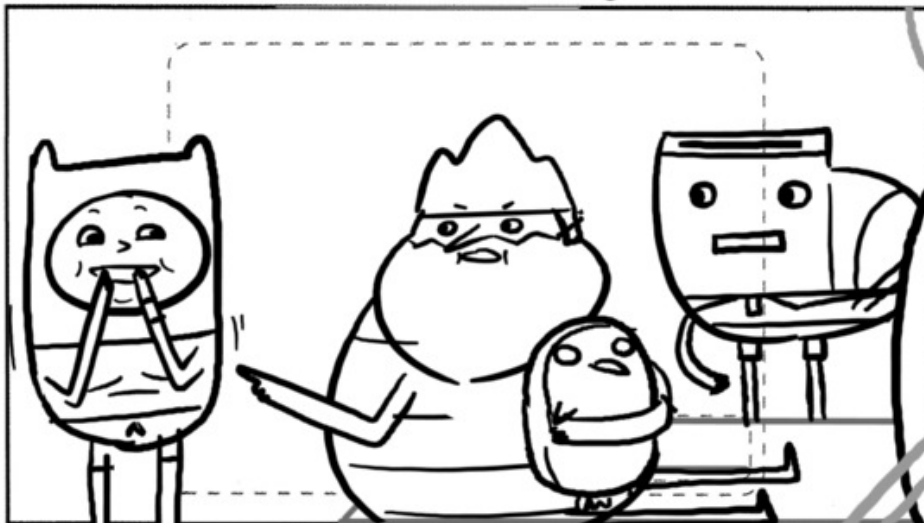

Action:  
 Finn arrives back at the top of the stairs.
